### **The Artist and the Trinity** Pastoral Press

More of Caryll Houselander's delightful stories of princes and gypsies, bishops and bears, and Catholic boys and girls to remind us that especially in young souls the Faith is quite strong, and evil is never a match for goodness.

*Twentieth Century Anglican Theologians* Cambridge Scholars Publishing

After Dorothy L. Sayers became famous for her fictional sleuth, Lord Peter Wimsey, she began investigating the mysteries of Anglo-Catholic Christianity, writing plays for both stage and radio. However, because her modernist contemporaries disdained both best-sellers and religious fiction, Sayers has been largely overlooked by the academy. *Writing Performances* is the first work to position Sayers' diverse writings within the critical climate of high modernism. Employing exuberant illustrations from Sayers' detective fiction to make theoretical issues accessible, the book employs insights from performance theory to argue that Sayers, though a popularizer, presciently anticipated the postmodern ironizing of Enlightenment rationality and scientific objectivity.

*Catholic Tales and Christian Songs, the Greatest Drama Ever Staged and Strong Meat* Bloomsbury Publishing USA

Dorothy L. Sayers was a woman of contrasts. A strong Christian, she had a baby – out of wedlock – by a man she did not love. Possessing a fierce intellect, she translated Dante, and also created one of the most popular fictional detectives ever in Lord Peter Wimsey. Drawing on material often difficult to access, particularly her collected letters, Colin Duriez reassesses Sayers' life, her writings, her studies, and her faith to present a rich and captivating portrait of this formidable character.

*Catholic Tales and Christian Songs* Lutterworth Press

Dorothy Sayers' much loved "Catholic Tales and Christian Songs" together with two theological works written for the interested lay person.

*The Quest* Simon and Schuster

A scholarly volume that reflects the rich diversity of Anglican theology With contributions from an international panel of writers, *Twentieth-Century Anglican Theologians* offers a wide-ranging view that presents a survey of over twenty diverse Anglican thinkers. The book explores well-known figures including William Temple, Austin Farrer, Donald MacKinnon, and John A.T. Robinson. These theologians are set in a wider context alongside others from India, China, Australia, Ghana, and elsewhere. Notably, the subjects include a number of women from Evelyn Underhill, the first woman to teach the clergy of the Church of England, to Esther Mombo, a major contemporary Anglican figure, from Kenya. The book reflects the rich diversity of Anglicanism, suggesting the ongoing vitality of this religious tradition. This important book: Contains information on a number of prominent women Anglican thinkers Includes contributions from experts from around the world Presents material on both familiar figures and others that are unjustly little known Written for students and teachers of Anglicanism, Anglican clergy, and ecumenical colleagues, Twentieth-

Century Anglican Theologians is the first book to reflect the diversity of the Anglican tradition by considering its global theological representatives.

*Dorothy L. Sayers* Legare Street Press

Praise be to the Lord, to God our Savior, who daily bears our burdens. --Psalm 68:19

**Catholic Tales for Boys & Girls** Rowman & Littlefield

Women have been writing in the Catholic tradition since early medieval times, yet no single volume has brought together critical evaluations of their works until now. The first reference of its kind, *Catholic Women Writers* provides entries on 64 Catholic women writers from around the world and across the centuries. Each of the entries is written by an expert contributor and includes a biography of the author; a critical discussion of her works, especially her Catholic and women's themes; an overview of her critical reception; and a bibliography of primary and secondary sources. Authors writing in all genres, including fiction, autobiography, poetry, children's literature, and essays, are represented. The entries give special attention to the authors' use of Catholic themes, structures, traditions, culture, and spirituality. The writers surveyed range from Doctors of the Church to mystics and visionaries, to those who employ Catholic themes primarily in historical and cultural contexts, to those who critique the tradition. An introductory essay places the writers within the historical and literary contexts of women's writing in the Catholic tradition, and the volume closes with a selected, general bibliography.

*Stories and Songs of Jesus* Sophia Institute Press

Indexes the Times, Sunday times and magazine, Times literary supplement, Times educational supplement, Times educational supplement Scotland, and the Times higher education supplement.

*The Official Index to The Times* John Wiley & Sons

Dorothy L. Sayers was one of the "Queens of Crime." Alongside writers like Agatha Christie, she perfected the whodunnit, but also used the genre to explore social, ethical, and emotional matters. Her characters, particularly Lord Peter Wimsey and his investigative partner Harriet Vane, struggle with the complexities of life and love in a rapidly changing world while solving some of the most intricate and complex mysteries ever offered to the reading public. Sayers was also an important theoretician of detective fiction, a religious dramatist, a public intellectual, and one of the 20th century's most important translators of Dante. While focusing on her mystery fiction, this companion offers a full view of all aspects of Sayers's career. It is an ideal introduction for readers new to Sayers's diverse and rewarding body of work, and an invaluable companion for her many fans.

*Church Quarterly Review* Aeterna Press

*Worlds of Common Prayer* exposes the surprisingly radical potential of nineteenth- and twentieth-century book-length liturgical poetry. Major authors as dissimilar as Christina Rossetti and T.S. Eliot used the Anglican liturgical calendar as a weapon to break the order of clock time and destabilize the secular world order.

**The United States Catalog; Books in Print January 1, 1912** McFarland

Mystery writer Dorothy Sayers is loved and remembered, most notably, for the creation of sleuths Lord Peter Wimsey and Harriet Vane. As this biography attests, Sayers was also one of the first

women to be awarded a degree from Oxford, a playwright, and an essayist--but also a woman with personal joys and tragedies. Here, Reynolds, a close friend of Sayers, presents a convincing and balanced portrait of one of the 20th century's most brilliant, creative women. 30 b&w photos.

*Catholic Women Writers* Macmillan

This unique collection contains 22 stories and songs about the birth

*The Seven Deadly Sins in the Work of Dorothy L. Sayers* Springer

Catholic Stories for Boys & Girls offers four volumes of happy and courageous stories, compiled and written by Catholic nuns in the 1930's. Styled to interest school-aged children, they will warm the hearts even of parents and grandparents. Excellent when read by children, even better when read to children by parents and older brothers and sisters. There should be copies of these beautiful little books easily available to every Catholic boy and girl during their elementary school years. Stories in Volume I include: "The Best Deed", "The Great Gift of Our Lady", "Black Robe", etc.

*Biblical Studies on the Internet* McFarland

Tales about Catholic children to form your own little ones in holy wisdom and piety Caryl

Houselander is best known for the intensity of her vision of the suffering Christ and His immeasurable love for us, a theme that she frequently spoke of with breathtaking luminosity in her many books about Him. Few know, however, of the many remarkable stories she wrote for Catholic children — delightful tales that are simple but not shallow. Indeed, like her books for adults, they manifest a tender love of Christ and His little ones not commonly found among us these days. Here are twelve of Houselander's best tales, charmingly illustrated with Renée George's lively drawings of pirates and princesses, castles and kings. Through the tale of Jack and Jim, even young children will grasp the meaning of Christ's suffering; in Racla the Gypsy, they'll discover the charity which is at the heart of the Eucharist; in the The Curé's Guest, they'll see how Christ makes up for the sins of others. All the stories touch on Catholic themes, but these tales are not really catechetical. Yes, they do take for granted that Catholicism — especially prayer and the Mass — plays a large role in the lives of these children, but they do something more . . . and more important. Tale after tale introduces children to the tender love that Jesus has for each of them, and to the fire of love for Him that can burn in the hearts of Catholics — even in the hearts of little ones like themselves. There is no better gift you can give to a young child. Read an excerpt.

*We Are Catholic* Neumann Press

We are Catholic introduces children to the Catholic faith and its traditions. Simple words and engaging illustrations explore the most well-known symbols of Catholicism, making this an accessible book for very young Catholics.

*Writing Performances* Forgotten Books

Hymns are more than beautiful musical compositions; they provide us with a heightened language for praising and speaking to God, all while teaching us theology that reflects both the depth and complexity of Our Lord. Sacred hymns in our day have given way to "fifth-rate poetry set to fourth-rate music," as C.S. Lewis once remarked. At times, the music used in worship can make us feel as though the culture is usurping the Church rather than being transfigured by it. There is a clear and present need to resurrect those distinctively different songs with a distinctively different vocabulary for people who want to live distinctive lives as followers of Christ. In these pages, Fr. George William

Rutler introduces and reflects upon dozens of the greatest hymns written from the earliest years of the Church through the Twentieth Century. The text and composition of each hymn is included, as well as inspiring accounts of their authors and composers, fascinating stories and historical events connected with them, and notes on the significant contributions each one made to theology and music. Fr. Rutler has recovered here a rich musical legacy that will help us to give glory to our God who is Lord of all.

*Catholic Tales and Christian Songs* Sophia Institute Press

The Artist and the Trinity' aims to create a Christian theology of work based on Dorothy L. Sayers' analogy of the Trinity to the process of artistic creation. Sayers' analogy gives us an account of the person that does not collapse into the atomism of the individual of modern liberal capitalism, but is fully relational. By putting Sayers into dialogue with Alasdair MacIntyre, the book develops a fully Trinitarian theology of work that accounts for the interdependence of human beings, and for the ethical requirements of caring for the weak, the young, and the old in a way that is gender neutral.

**Jesus Loves Me!** Lion Books

24 stories from the life of Jesus with a song for each story.

*The Quest* St. Martin's Press

The new edition includes more than 4,800 resources available at more than 10,000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages, audio translations of the Bible in English and other languages, commentaries, dictionaries, and other resource materials including ones in Greek, Hebrew and other ancient languages. The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are cross-referenced separately in the final chapter. In adopting this concise method, the author was able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use.

*The Methodist Review* Catholic Tales and Christian Songs

Known for her bestselling detective novels, Dorothy L. Sayers lived a fascinating, groundbreaking life as a novelist, feminist, Oxford scholar, and important influence on the spiritual life of C.S. Lewis. This pioneering woman not only forged a literary career for herself but also spoke about faith and culture in revolutionary ways as she addressed the evergreen question of to what extent faith should hold on to tradition and to what extent it should evolve with a changing culture. Thanks to her unmatched wisdom, prophetic tone, and insistent strength, Dorothy Sayers is a voice that we cannot afford to ignore. Providing a blueprint for bridge-building in contemporary, polarizing contexts, *Subversive* shows how Sayers used edgy, often hilarious metaphors to ignite new ways to think about Christianity, shocking people into seeing the truth of ancient doctrine in a new light. Urging readers to reassess interpretations of the Bible that impede the cause of Christ, Sayers helps twenty-first-century Christians navigate a society increasingly suspicious of evangelical vocabularies and find new ways to talk and think about faith and culture. Ultimately, she will inspire believers, on

both the right and the left, to evaluate how and why their language perpetuates divisive certitude rather than the hopeful humility of faith, and will show us all a better way forward.
