On a seemingly insignificant planet called Rylaxon, society hung

by a thread in the shadow of a crippling energy shortage. Once-productive mines were failing, and in desperation, miners were forced to dig deeper, forgoing safety and sanity in search of the precious nucleotide crystals that powered the planet for 1,953 years. It is during these troubling times that Biron Coomra is born to a race of clone-like people. His father is a well-known and respected biophysicist who made a historic discovery on a distant planet: absolute proof of the existence of intelligent life in the universe: humanity. Biron's mother is a thirteenth-level witch from this newly discovered world called Earth, and she bristles against the Rylaxon social class system. Her son's future is in no way guaranteed, as an ancient prophecy warned the Rylaxon inhabitants of certain destruction if they intermingle with their distant cousins. How can this hybrid boy ever hope for a normal life? Biron must fight for his own destiny against the machinations of a madman bent on world domination and an ancient entity determined to destroy it all. Can a unique boy grow up in a caste society that shuns anyone who dares to be different, and overcome the odds to defeat two maniacal forces of evil?

As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate,

whether triumph or tragedy, would be suspended on the fraying wire of his will.
