SAGE JULIAN

Mom & Me & Mom Houghton Mifflin Harcourt
(A Between the Ropes Spin-off Series) When challenged to write a Twelve Days of Christmas exposé for the Wrestling World Observer, journalist Laura Ellis sees the opportunity of a lifetime to work with her wrestling icons. Teamed with her favorite professional wrestler, Jack “Dawson Inferno” Frost, she struggles to uncover the secret world of the renowned superstar. Dawson, aka Jack, is not an eager participant in the documentary-designed project. Finding himself attracted to the provocative reporter, he works against sharing too much of his personal life to keep his anonymity. Laura learns the reason behind his mysterious

persona is to protect his family and the dark history of the Frost empire. When an offer to live out her dreams as a wrestler from the owners of Wrestling Masters is presented, she must decide between a job with security or the wrestling career she’s always longed for. While training with the wrestling leaders, she struggles with the demands of her editor to seduce the handsome wrestler to get the story of his buried secrets. Laura finds that seduction comes easily but threatens to ruin the relationship between her and her longtime love interest. In this sweet and steamy sports romance, Laura will discover the truth behind the known hero philanthropist of the wrestling world and learn what love, humanity, and holiday giving truly mean.

For fans of Rick Riordan and Brian Selznick, author-artist Armand

Baltazar introduces *Timeless: Diego and the Rangers of the Vastlantic*, the first in a new science fiction/fantasy series that explores a world painted new by the Time Collision. Integrating art and text, this epic and cinematic adventure features more than 150 full-color illustrations. You've never seen Earth like this before: continents reshaped, oceans re-formed, cities rebuilt, and mountains sculpted anew. Dinosaurs roam the plains alongside herds of buffalo, and giant robots navigate the same waters as steam-powered ships. This is the world Diego Ribera was born into. The past, present, and future coexisting together. In New Chicago, Diego's middle school hallways buzz with kids from all eras of history and from cultures all over the world. The pieces do not always fit together neatly, but this is the world he loves. There are those, however, who do not share his affection. On his thirteenth birthday, Diego learns of a special gift he has within, a secret that is part of something much bigger—something he cannot understand. When his father, New Chicago's top engineer, is taken by the Aeternum, Diego must rescue him and prevent this evil group from disrupting the fragile peace humanity has forged.

On Mother's Lap Dibella Publications

"Two teenagers from broken families find solace in one another's company" in this "heart-wrenching and hopeful" YA romance novel (Kirkus Reviews). When Adam Moynihan's oldest brother died, his life fell apart around him. Now his mom cries constantly, he and his remaining brother can't talk without fighting, and the father he always admired moved out when they needed him most. Jolene Timber is used to being a pawn in her divorced parents' war. But when she develops an unlikely friendship with a

boy who spends every other weekend in the same apartment building that she does, suddenly the future seems less bleak. Can the boy who thinks forgiveness makes him weak and the girl who thinks love is for fools find something real together? They'll find out . . . every other weekend.

Mother Truths: Poems on Early Motherhood Random House

Vince Luca is just like any other high school guy. His best friend, Alex, is trying to score vicariously through him; his brother is a giant pain; and his father keeps bugging him to get motivated. There is just one thing that really sets him apart for other kids—his father happens to be the head of a powerful crime organization. Needless to say, while Vince's family's connections can be handy for certain things (like when teachers are afraid to give him a bad grade), they can put a serious crimp in his dating life. How is he supposed to explain to a girl what his father does for a living? But when Vince meets a girl who finally seems to be worth the trouble, her family turns out to be the biggest problem of all. Because her father is an FBI agent—the one who wants to put his father away for good.

Wallowing Random House

They tried to murder me over her. They tried to kill her over me. It destroyed our families. Lives and relationships were lost. They said we would never make it. Our backs were against the wall and against all odds. What level of pain would you be willing to go through to find that pure unconditional love? Would you risk your life to receive it? What sacrifices would you be willing to lay on the line? Meet T.J. Edwards; a young man born into a broken family full of tragedy, chaos, physical and sexual abuse. He had been groomed to believe that feelings and emotions were for the

weak. That love was not real, nonexistent. He never thought he would find true unconditional love within the arms of a woman he was forbidden to cross those lines with. But from the moment the two stepped into each other's paths, they knew that their love was something they wouldn't allow any man or woman to penetrate. Their journey is one for the ages. It includes treachery, back-stabbing, murder, drama, exposed family secrets, and taboo situations that will leave the reader gasping for breath. In this well written tell all autobiography of love, T.J. Edwards lays it all on the line and proves that when a man truly loves a woman, he will be ready to do anything for the sake of her, even if it costs him his life.

Why a Son Needs a Mom Workman Publishing

This National Book Award finalist is a revealing and beautifully written memoir and family history from acclaimed photographer Sally Mann. In this groundbreaking book, a unique interplay of narrative and image, Mann's preoccupation with family, race, mortality, and the storied landscape of the American South are revealed as almost genetically predetermined, written into her DNA by the family history that precedes her. Sorting through boxes of family papers and yellowed photographs she finds more than she bargained for: "deceit and scandal, alcohol, domestic abuse, car crashes, bogeymen, clandestine affairs, dearly loved and disputed family land . . . racial complications, vast sums of money made and lost, the return of the prodigal son, and maybe even bloody murder." In lyrical prose and startlingly revealing photographs, she crafts a totally original form of personal history that has the page-turning drama of a great novel but is firmly rooted in the fertile soil of her own life.

Silently Seduced By Quill and Lantern Publishing

INSTANT NEW YORK TIMES BESTSELLER "My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist." —Melissa Febos, The New York Times Book Review A "MOST ANTICIPATED" AND "BEST OF FALL 2021" BOOK FOR * VOGUE * TIME * ESQUIRE * PEOPLE * USA TODAY * CHICAGO TRIBUNE * LOS ANGELES TIMES * SHONDALAND * ALMA * THRILLEST * NYLON * FORTUNE A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the gray area between

consent and abuse. Nuanced, fierce, and incisive, *My Body* marks the debut of a writer brimming with courage and intelligence.

My Son Marshall, My Son Eminem Michael Stull

NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught

relationships, *Mom & Me & Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for *Mom & Me & Mom* "Mom & Me & Mom is delivered with Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—The Washington Post "Moving . . . a remarkable portrait of two courageous souls."—People "[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon."—Elle "Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman."—Essence

Hold Still Lulu.com

Beloved actress, Food Network personality, and New York Times bestselling author Valerie Bertinelli reflects on life at sixty and beyond. Behind the curtain of her happy on-screen persona, Valerie Bertinelli's life has been no easy ride, especially when it comes to her own self-image and self-worth. She waged a war against herself for years, learning to equate her value to her appearance as a child star on *One Day at a Time* and punishing herself in order to fit into the unachievable Hollywood mold. She struggled to make her marriage to Eddie Van Halen — the true love of her life — work, despite all the rifts the rock-star lifestyle created between them. She then watched her son follow in his

father's footsteps, right up onto the stage of Van Halen concerts, and begin his own music career. And like so many women, she cared for her parents as their health declined and saw the roles of parent and child reverse. Through mourning the loss of her parents, discovering more about her family's past, and realizing how short life really is when she and her son lost Eddie, Valerie finally said, "Enough already!" to a lifelong battle with the scale and found a new path forward to joy and connection. Despite hardships and the pressures of the media industry to be something she's not, Valerie is, at last, accepting herself: she knows who she is, has discovered her self-worth, and has learned how to prioritize her health and happiness over her weight. With an intimate look into her insecurities, heartbreaks, losses, triumphs, and revelations, *Enough Already* is the story of Valerie's sometimes humorous, sometimes raw, but always honest journey to love herself and find joy in the everyday, in family, and in the food and memories we share. "This thoughtful, bighearted book is sure to be a hit with Bertinelli fans and those with an appetite for stories of hard-won self-acceptance. A warmly intimate memoir." – Kirkus Reviews "In a series of brutally frank essays, Bertinelli looks back on the emotional struggles and triumphs of her life. By turns raw and inspiring, this contains a little bit of wisdom for everyone." – Publishers Weekly

The Art Of Seduction Simon and Schuster

Based on the wildly popular Instagram account @CrazyJewishMom, Kate Siegel's essay collection about life with the woman who redefined the term "helicopter mom." There is nothing more wonderful than a mother's love. There is also nothing more annoying. Who else can proudly insist that you're

perfect while simultaneously making you question every career, fashion, and relationship decision you have ever made? No one understands the delicate mother-daughter dynamic better than Kate Siegel—her own mother drove her so crazy that she decided to broadcast their hilarious conversations on Instagram. Soon, hundreds of thousands of people were following their daily text exchanges, eager to see what outrageous thing Kate's mom would do next. Now, in *Mother, Can You NOT?*, Kate pays tribute to the woman who invented the concept of drone parenting. From embarrassing moments (like crashing Kate's gynecological exams) to outrageous stories (like the time she made Kate steal a cat from the pound) to hilarious celebrations (including but not limited to parties for Kate's menstrual cycles), *Mother, Can you NOT?* lovingly lampoons the lengths to which our mothers will go to better our lives (even if it feels like they're ruining them in the process).

My Obedient Yoga Mom Simon and Schuster

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "Extraordinary . . . an act of courage and self-invention."—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the

mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue

The Assassins Gallery Crown Archetype

In the bestselling tradition of *The Five People You Meet in Heaven* and *Humans of New York* comes a collection of authentic, emotional, and inspiring stories about life's most important moments, as curated by the editors at Love What Matters. "90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting." —Shelsea Where do you go when you want to feel inspired?

When you want to forget about the divisiveness and the anger? For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection—just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even more profound: a reminder that, in the end, love always wins. "This really is the best page on Facebook. It renews your love of humanity. There are still good people. We need more reports of acts of kindness." —Johnny Shooting Gallery Metropolitan Books

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church

What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning

Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

Educated Pantheon

A collection of colorful and candid essays and other pieces about Freud and his legacy today, featuring twenty-five leading writers. With original contributions by André Aciman • Sarah Boxer • Jennifer Finney Boylan • Susie Boyt • Gerald Early • Esther Freud • Rivka Galchen • Adam Gopnik • David Gordon • Siri Hustvedt • Sheila Kohler • Peter D. Kramer • Phillip Lopate • Thomas Lynch • Daphne Merkin • David Michaelis • Rick Moody • Susie Orbach • Richard Panek • Alex Pheby • Michael S. Roth • Casey Schwartz • Mark Solms • Colm Tóibín • Sherry Turkle. W. H. Auden described Sigmund Freud (1856–1939) as “a whole climate of opinion / Under whom we conduct our differing lives.” The controversial

father of psychiatry and psychoanalysis, Freud charted the human unconscious, brought us the talking cure, and wrote books that now rank among the classics of world literature. In *On the Couch*, the great analyst is analyzed by some of today’s great writers and thinkers, who help us understand the man who has helped us understand ourselves as much, if not more, than anyone else, ever. The result is a fresh, multifaceted reassessment of Freud’s continuing relevance and influence on ideas, literature, culture, science, and more. Here, Colm Tóibín writes about Freud, World War I, Henry James, and Thomas Mann; Adam Gopnik explores Freud’s *Civilization and Its Discontents*; Susie Orbach considers Freud’s “ordinary unhappiness” and D. W. Winnicott’s “good enough”; Jennifer Finney Boylan reflects on penis envy and gender identity; Peter Kramer describes how new science and drugs have revolutionized psychology since Freud; Susie Boyt, one of Freud’s great-granddaughters, spends the night at the Freud Museum in London; Siri Hustvedt examines Freud’s divided reception today; and there’s much more. Filled with insights, provocation, and humor, *On the Couch* offers an original and nuanced portrait of Freud as a complex figure who, for all his flaws, forever changed how we see ourselves and the world.

Love What Matters Macmillan

A small Eskimo boy discovers that Mother's lap is a very special place with room for everyone.

The Bodies of Mothers Quirk Books

“An absolutely sensational historical thriller—with an ending so shocking that I literally jumped up out of my chair!”—Max Byrd, author of *Grant New Year’s Eve, 1945*. The assassin steps out of

the Atlantic Ocean in the middle of a raging nor'easter. Cool and efficient, she's a weapon of war superbly trained in the ancient arts of subterfuge and murder. And even though she's outnumbered, she's got one major advantage: No one knows she's coming. Professor Mikhal Lammeck's specialty is the history and weaponry of assassins. But even Lammeck is caught off guard when the Secret Service urgently requests his help: A gruesome double murder and suicide in Massachusetts has set off alarm bells. It's only a hunch, but all too soon Lammeck suspects the unthinkable. In the waning days of the war, someone wants one last shot to alter history. An assassin is headed to Washington, D.C., to kill the most important soldier of them all: the U.S. commander in chief. As Lammeck and a killer at the top of her profession circle the streets of the capital in the hunt for FDR, one of them will attempt to kill the world's most powerful man; the other, to save him. And between them, for an instant, history will hang in the balance. . . . Praise for *The Assassins Gallery* "Provide[s] thriller readers with one of their best reads of the year. . . . The powerful climax deserves the term 'heart-stopping.'"—Publishers Weekly (starred review) "Ingenious . . . A solid, satisfying treat for the armchair historian."—Kirkus Reviews "An exciting thriller that rings so true it's difficult to tell where fact ends and fiction begins. Robbins is a master—at the top of his game with this one."—Steve Berry, New York Times bestselling author of *The Templar Legacy* "If you read one book this year, make it *The Assassins Gallery*. Mesmerizing plotting, characters you'll never forget, and a wealth of invaluable historical seasoning that make you wonder ... did it actually happen this way? Only one word will do to describe this novel:

masterpiece."—Brian Haig, bestselling author of *Man in the Middle* "Nobody is better than David L. Robbins at making yesterday feel like today and fiction feel like fact. This is his most audacious book yet and probably his best."—Lee Child, New York Times bestselling author of *One Shot*

Seducing Jack Frost Random House

Based on Gregory Lang's New York Times bestselling original series! The perfect Mother's Day gift of love or sweet keepsake to show why Mom is so special! A touching picture book for kids ages 3-7 and beyond showcasing all the ways a mother will help her child grow, this is the gift for every mom and little boy to celebrate their special bond.
