MATTEO ERNESTO

The Oxford History of World Cinema

SCM Hänszler

Exploring the works of key women writers within their cultural, artistic and socio-political contexts, this book considers changes in the perception of women in early modern China. The sixteenth century brought rapid developments in technology, commerce and the publishing industry that saw women emerging in new roles as both consumers and producers of culture. This book examines the place of women in the cultural elite and in society more generally, reconstructing examples of particular women's personal experiences, and retracing the changing roles of women from the late Ming to the early Qing era (1580-1700). Providing rich detail of exceptionally fine, interesting and engaging literary works, this book opens fascinating new windows onto the lives, dreams, nightmares, anxieties and desires of the authors and the world out of which they emerged.

Music for Piano and Orchestra

University Press of Kentucky

Veit Harlan (1899-1964) was one of Germany's most controversial and loathed directors. The first English-language biography of the notorious director, Veit Harlan presents an in-depth portrait of the man who is arguably the only Nazi filmmaker with a distinct authorial style and body of work.

"Leisure is an attitude of mind and a condition of the soul that fosters a capacity to perceive the reality of the world. With a series of philosophic, religious, and historical examples, Pieper shows that the Greeks understood and valued leisure, as did the medieval Europeans. He points out that religion can be born only in leisure -- a leisure that allows time for the contemplation of the nature of God. Leisure has been, and always will be, the first foundation of any culture."--Cover

Miracle Man JAH Publications

Suitable for all admirers of the piano, this work brings together more than 3,000 works for piano and orchestra. It comes with a supplement containing over 200 new entries.

The Way home or face The Fire

Cambridge University Press

During his lifetime Austrian novelist Stefan Zweig (1881-1942) was among the most widely read German-language writers in the world. Always controversial, he fell into critical disfavor as writers and critics in a devastated postwar Europe attacked the poor literary quality of his works and excoriated his apolitical fiction as naïve Habsburg nostalgia. Yet in other parts of the world, Zweig's works have enjoyed continued admiration and popularity, even canonical status. China's Stefan Zweig unveils the extraordinary success of Zweig's novellas in China, where he has been read in an entirely different way. During the New Culture Movement of the 1920s, Zweig's novellas were

discovered by intellectuals turning against Confucian tradition. In the 1930s, left-wing scholars criticized Zweig as a decadent bourgeois writer, yet after the communist victory in 1949 he was re-introduced as a political writer whose detailed psychological descriptions exposed a brutal and hypocritical bourgeois capitalist society. In the 1980s, after the Cultural Revolution, Zweig's works triggered a large-scale "Stefan Zweig fever," where Zweig-style female figures, the gentle, loving, and self-sacrificing women who populate his novels, became the feminine ideal. Zweig's seemingly anachronistic poetics of femininity allowed feminists to criticize Maoist gender politics by praising Zweig as "the anatomist of the female heart." As Arnhilt Hoefle makes clear, Zweig's works have never been passively received. Intermediaries have actively selected, interpreted, and translated his works for very different purposes. China's Stefan Zweig not only re-conceptualizes our understanding of cross-cultural reception and its underlying dynamics, but proposes a serious re-evaluation of one of the most successful yet misunderstood European writers of the twentieth century. Zweig's works, which have inspired recent film adaptations such as Xu Jinglei's *Letter from an Unknown Woman* (2005) and Wes Anderson's *Grand Budapest Hotel* (2014), are only beginning to be rediscovered in Europe and North America, but the heated debate about his literary merit continues. This book, with its wealth of hitherto unexplored Chinese-language sources, sheds light on the Stefan Zweig conundrum through the lens of his Chinese reception to reveal surprising, and long overlooked, literary dimensions of his works.

Puck Monarch Books

Konservativ. Einst in den Medien und Parteien gut vertreten und salonfähig, doch nun? Kaum jemand traut sich noch, sich so zu nennen, weil eine politische Heimat fehlt. Anette Schultner ist offen christlich-konservativ. Nun äußert sich die ehemalige AfD-Politikerin und Ex-Chefin der Christen in der AfD (ChrAfD) erstmals umfassend über ihr politisches Ringen und ihren Parteiaustritt. Ehrlich fragt sie, wer eigentlich noch politisch konservative Werte vertritt und fordert dazu auf, selbstbewusst für diese Werte zu stehen und in Politik und Gesellschaft Standpunkte zu beziehen.

Over the 20th century, Morocco has become one of the world's major emigration countries. But since 2000, growing immigration and settlement of migrants from sub-Saharan Africa, the Middle East, and Europe confronts Morocco with an entirely new set of social, cultural, political and legal issues. This book explores how continued emigration and increasing immigration is transforming contemporary Moroccan society, with a particular emphasis on the way the Moroccan state is dealing with shifting migratory realities. The authors of this collective volume embark on a dialogue between theory and empirical research, showcasing how contemporary migration theories help understanding recent trends in Moroccan migration, and, vice-versa, how the specific Moroccan case enriches migration theory. This perspective helps to overcome the still predominant Western-centric research view that artificially divide the world into 'receiving' and 'sending' countries and largely disregards the dynamics of and experiences with migration in countries in the Global South. This book was

previously published as a special issue of The Journal of North African Studies.

Der Iraner Ali Dini trägt einen Spitznamen wie eine Legende: Ali, der Unsterbliche. Er überlebt die Revolutionskämpfe im 1. Golfkrieg wie durch ein Wunder. Als radikaler Islamist tötet er im Namen Allahs. Dann sagt er sich vom Islam los, flüchtet nach Bulgarien und tötet weiter: als Auftragskiller für die Mafia. Schließlich wird er gefasst und verurteilt und begegnet im Gefängnis Jesus, der ihn, den skrupellosen Killer, bezwingt und ihm ein neues Herz schenkt. Heute tauft Ali Dini als Pastor viele Kriminelle. Packend erzählt, mit politisch brisanten Insider-Informationen über den Dschihad und die Arbeit der osteuropäischen Mafia.

Zakhiras Entschluss ist gefallen. Sie meldet sich für den Dschihad. Für Allah und den heiligen Koran – die Wahrheit – ist sie bereit, alles einzusetzen, auch ihr Leben. Doch dann erscheint ihr ein fremder Mann in einem Traum, Lichtumstrahlt: "Esther, ich bin der Weg, die Wahrheit und das Leben!" Hätte ein Bote Allahs nicht ihren richtigen Namen gewusst? Was hat es mit dieser seltsamen Botschaft auf sich? Und wie kann sie eine Bibel in ihr Haus schmuggeln, um dem auf den Grund zu gehen? Plötzlich findet sich Zakhira auf einem ganz anderen Weg wieder – und als Verfolgte ihrer eigenen Familie.

An incomparable look at how Chinese artists have used mass production to assemble exquisite objects from standardized parts Chinese workers in the third century BC created seven

thousand life-sized terracotta soldiers to guard the tomb of the First Emperor. In the eleventh century AD, Chinese builders constructed a pagoda from as many as thirty thousand separately carved wooden pieces. As these examples show, throughout history, Chinese artisans have produced works of art in astonishing quantities, and have done so without sacrificing quality, affordability, or speed of manufacture. In this book, Lothar Ledderose takes us on a remarkable tour of Chinese art and culture to explain how artists used complex systems of mass production to assemble extraordinary objects from standardized parts or modules. He reveals how these systems have deep roots in Chinese thought and reflect characteristically Chinese modes of social organization. Combining invaluable aesthetic and cultural insights with a rich variety of illustrations, Ten Thousand Things make a profound statement about Chinese art and society.

Ali the Immortal earned his nickname in the bloody Iran-Iraq War. As an Iranian

soldier, he miraculously survived unscathed every time from the fierce battlefield where hundreds died around him. Disillusioned with his Islamic faith, Ali became a hardened criminal and got involved with drug trafficking, gangs and murder which eventually led to his escape to Europe. Ali the Immortal became notorious in the criminal underworld in Europe where he was convicted of many crimes including assault and attempted murder, kidnapping, drug trafficking, and armed robbery. Spending some 14 of the last 20 years of his life in dark Bulgarian prisons, four in solitary confinement, Ali at last came across a Bible written in his native language of Farsi. A new faith in the one true God would emerge in this encounter with the person of Jesus Christ changing Ali's life forever. Ali today tirelessly serves the poor in the refugee camps of Bulgaria as a committed missionary for Christ.

Nihilismus und Antinihilismus

University of Hawaii Press

Am 8. Oktober 1978 passierte der Kanadier William Dyson am Flughafen in Chicago ohne Probleme die Einreisekontrollen. Zwei Tage später hörte er auf zu existieren. Dysons Identität war eine Erfindung des KGB, um einen ihrer Rekruten aus der DDR in die USA einzuschleusen. Der Plan ging auf. Ein junger, ehrgeiziger Agent begann ein neues Leben im Westen: Jack Barsky. Ein Jahrzehnt lang führte er im Kalten Krieg Geheimoperationen aus, bis sich seine Loyalität plötzlich auf überraschende Weise änderte und alles in Frage stellte, an das er geglaubt hatte. Jack Barsky enthüllt die Geheimnisse seiner beiden Leben zwischen Ost und West.

From a brutal and impoverished background in Reading, England, Tom Hamblin became a believer as a teenager before serving as a missionary in the Far East. He and his wife Edna spent more than a decade leading expeditions into the heart of Borneo. Gradually they become convinced that the Lord was calling them to minister in the Arabic peninsula: in particular, to carry in thousands of Bibles in Arabic, Farsi and Urdu. They conveyed shipment after shipment into this region, never losing a copy and surmounting all restrictions. Customs guards turned a blind eye. Tom distributed Bibles very simply: walking around with a bag and waiting for people to ask him what he was doing. The Islamic world is widely regarded as closed to the gospel, but this is untrue. Tom discovered an extensive network of believers - very few churches, but many clandestine meetings for worship - and a huge hunger for the Truth. Under Their Very Eyes is the remarkable biography of a Bible smuggler to the Arab world that will stir the reader's spirit.

Der falsche Amerikaner Burns & Oates

In the spring of 1944, Antoine de Saint-Exupéry left his wife, Consuelo, to return to the war in Europe. Soon after, he disappeared while flying a reconnaissance mission over occupied France. Neither his plane nor his body was ever found. The Tale of the Rose is Consuelo's account of their extraordinary marriage. It is a love story about a pilot and his wife, a man who yearned for the stars and the spirited woman who gave him the strength to fulfill his dreams. Consuelo Suncin Sandoval de Gómez and Antoine de Saint-Exupéry met in Buenos Aires in 1930—she a seductive young widow, he

a brave pioneer of early aviation, decorated for his acts of heroism in the deserts of North Africa. He was large in his passions, a fierce loner with a childlike appetite for danger. She was frail and voluble, exotic and capricious. Within hours of their first encounter, he knew he would have her as his wife. Their love affair and marriage would take them from Buenos Aires to Paris to Casablanca to New York. It would take them through periods of betrayal and infidelity, pain and intense passion, devastating abandonment and tender, poetic love. Several times in the course of their marriage they would go their separate ways, but always they would return. *The Tale of the Rose* is the story of a man of extravagant dreams, and of the woman who was his muse, the inspiration for the Little Prince's beloved rose—unique in all the world—whom he could not live with and could not live without. Written on Long Island in a quiet spell of reconciliation, *The Little Prince* was Antoine's greatest gift to the woman he never stopped loving, the only child to emerge from their union. *The Tale of the Rose* is Consuelo's reply—the love letter she never could write to her husband—a fable of its own, just as magical, poetic, and tragic as *The Little Prince*. Praise for *The Tale of the Rose* "We find in these pages all the tenderness and patience, but also the tenacity, of a woman who loves. Consuelo does not seek to explain or even to understand her husband, she accepts him and leads him to what he must be. . . . Written with a strong and

authentic voice, *The Tale of the Rose* is a book to read for its strength of character, and for the adventure that it offers."—Elle
