**Gnomon of the New
Testament** Thomas

Nelson
When a fatal disease
spreads over Bajor,
threatening the entire
planet with extinction,
Captain Sisko must
accept aid from an
unexpected source: Ro

Laren, Starfleet officer turned Maquis renegade. Major Kira and Ro reluctantly join forces to track the alien plague to its source -- even as the disease claims new victims on Deep Space Nine itself. Dr. Bashir struggles to find a cure, but the secret of the virulent invader may hide deep in the shadows of Dax's past.

In this informative volume, dozens of eminent scholars explore how the Bible has influenced religious, ethical, artistic and philosophical traditions in more than 200 entries.

Fulfillment of Prophecy
Penguin

By examining literary

allusion in Isaiah 40-66, the author illuminates the changes that led to the demise of biblical prophecy and the rise of hermeneutically based religions in the post-biblical era.

The Wiersbe Bible Commentary: New Testament Amazing Facts

" The Word of God well understood and religiously obeyed is the shortest route to spiritual perfection. Nothing less than a whole Bible can make a whole Christian. A. W. Tozer " "Key writings of one of the twentieth century s most profound Christian authors are married with the scriptures that A. W. Tozer loved, studied and wrote about over the course of his forty year ministry. ">
Hendrickson Publishers

is proud to introduce the A. W. Tozer Bible, which will introduce a whole generation of readers to his work. Tozer (1897-1963), an pastor, preacher, student and teacher, is perhaps the closest American writer to C. S. Lewis, with the same penetrating insights and straightforward use of language. His bracing words, which accompany related passages throughout this Bible, unlock many of the mysteries of the Scriptures in language that could have been written today. This unique volume features over 500 key selections and teachings, taken from more than 40 of Tozer's writings, ranging from seminal bestselling books like "The Pursuit of God" and "The Attributes of

God" to lesser-known works such as *The Size of the Soul* and *The Root of the Righteous*. Each selection appears in one of three categories: **On Scripture** Over 365 selections, each sharing the page with the Bible passage to which it refers, add depth and insight to a particular verse's application for the believer. **Reflections** More than 100 writings that apply the deep meaning of the Christian faith to everyday life. **Challenges** Nearly 100 entries, tied to scripture, that exhort the reader to resist complacency in particular areas of one's living out the Word in the world. **Special Features** Brief biography of A. W. Tozer Over 500 Tozer

ethical systems and
relevant portions of
anthropology,
mythology, folklore,
biology, psychology,
economics and
sociology.

**Realms of the
Prophetic** Praeger
Glazov demonstrates
that the interlinked
themes of bridling the
tongue and opening
the mouth, well-known
components of wisdom
teaching, are also
crucial to
understanding much in
the prophets, as well

as later Jewish and
Christian writings,
especially liturgical
texts. His
comprehensive survey
and analysis of the
theme contribute to
both a literary and a
historical perspective
on the prophetic
literature of the Bible.

The Power Of Tongues
Canongate Books

The final book of the
Bible, Revelation
prophesies the
ultimate judgement of
mankind in a series of
allegorical visions,
grisly images and
numerological
predictions. According
to these, empires will
fall, the "Beast" will be
destroyed and Christ
will rule a new
Jerusalem. With an

In this book, Pastor

Chris Oyakhilome teaches you the “what,” “how” and “why” of speaking in other tongues, and reveals the immense benefits it holds for you as a New Testament believer in Jesus Christ. You will also learn about Tongues, Interpretation of tongues, and Prophecy The difference between Praying in Your Understanding and Praying in Tongues The Prophet SBL Press Review: "Love and Violence is a detailed study of the marriage metaphor in the prophetic books of the Hebrew Bible and a challenge to the use of that metaphor for depicting the relationship between God and Israel. It examines the ways in which the metaphor is rooted in gender

assumptions of the ancient world and the inherent tension in the usage of the marriage metaphor in ancient Israel, as well as in today's church and society."--BOOK JACKET *The Holy Bible According to the Authorized Version (A.D. 1611): Romans to Philomen* Stanford University Press What should we expect from an outpouring of the Holy Spirit? Is it always associated with a manifestation of the gift of tongues? Find out the answers to these questions and many others in this dynamic little book.

The Prophets

Lulu.com Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12

apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

Tongue of the

Prophets Simon and Schuster

“An extraordinary novel . . . a triumph of insight and storytelling.”

—Associated Press “A true masterpiece.”

—Glennon Doyle, author of *Untamed* An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings* In her mesmerizing fourth

work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and

their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, The

Book of Longings is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

The Sermons of Master Samuel Hieron Simon and Schuster

The true life story of Eliezer Ben-Yehuda, 1858-1922, the first pioneer who came to the Land of Israel to bring about the rebirth of the Jewish Nation on its land. The story is told as a romance.

forbidden union between two enslaved young men on a Deep South plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love,

which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a climactic reckoning, *The Prophets* fearlessly reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the

enormous, heroic
power of love.

*The Holy Bible,
Containing the Old and
New Testaments: Job
to Solomon's Song*

Liturgical Press

A literary history of our most influential book of all time, by an Oxford scholar and Anglican priest In our culture, the Bible is monolithic: It is a collection of books that has been unchanged and unchallenged since the earliest days of the Christian church. The idea of the Bible as "Holy Scripture," a non-negotiable authority straight from God, has prevailed in Western society for some time. And while it provides a firm foundation for centuries of Christian teaching, it denies the depth, variety, and richness of this fascinating text. In A

History of the Bible, John Barton argues that the Bible is not a prescription to a complete, fixed religious system, but rather a product of a long and intriguing process, which has inspired Judaism and Christianity, but still does not describe the whole of either religion. Barton shows how the Bible is indeed an important source of religious insight for Jews and Christians alike, yet argues that it must be read in its historical context--from its beginnings in myth and folklore to its many interpretations throughout the centuries. It is a book full of narratives, laws, proverbs, prophecies, poems, and letters, each with their own character and origin stories. Barton explains

how and by whom these disparate pieces were written, how they were canonized (and which ones weren't), and how they were assembled, disseminated, and interpreted around the world--and, importantly, to what effect. Ultimately, A History of the Bible argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible's literal wording--which is impossible to determine--and focus instead on the broader meanings of scripture. *Wrath of the Prophets* Oxford University Press A new, expanded edition of a classic reference tool This volume of more than 170 documents of prophecy from the

ancient Near East brings together a representative sample of written documents from Mesopotamia, the Levant, and Egypt dating to the second and first millennia BCE. Nissinen's collection provides nonspecialist readers clear translations, transliterations, and discussions of oracles reports and collections, quotations of prophetic messages in letters and literature, and texts that reference persons with prophetic titles. This second edition includes thirty-four new texts. Features: Modern, idiomatic, and readable English translations Thirty-four new translations Contributions of West Semitic, Egyptian, and Luwian sources from C. L. Seow, Robert K.

Ritner, and H. Craig Melchert

The Acts of the Apostles Destiny Image Publishers
 A radical reinterpretation of the biblical prophets by one of America's most provocative critics reveals the eternal beauty of their language and the

enduring resonance of their message. Long before Norman Podhoretz became one of the intellectual leaders of American neoconservatism, he was a student of Hebrew literature and a passionate reader of the prophets of the Old Testament. Returning to them after fifty years, he has produced something remarkable: an entirely new perspective on some of the world's best-known works. Or, rather, three new perspectives. The first is a fascinating account of the golden age of biblical prophecy, from the eighth to the fifth century B.C.E., and its roots in earlier ages of the ancient Israelite saga. Thus, like large parts of the Bible itself, *The Prophets* is a history of the Near East

from the point of view of a single nation, covering not only what is known about the prophets themselves -- including Elijah, Amos, Isaiah, Jeremiah, and Ezekiel -- but also the stories of King David, King Saul, and how the ancient Israelites were affected by the great Near Eastern empires that surrounded them. Layered into this work of history is a piece of extraordinary literary criticism. Podhoretz's very close reading of the verse and imagery used by the biblical prophets restores them to the top reaches of the poetic pantheon, for these books contain, unequivocally, some of the greatest poetry ever written. The historical chronicle and the literary criticism will transport readers to a time that

is both exotic and familiar and, like any fine work of history or literature, will evoke a distinct and original world. But the third perspective of The Prophets is that of moral philosophy, and it serves to bring the prophets' message into the twenty-first century. For to Norman Podhoretz, the real relevance of the prophets today is more than the excitement of their history or the beauty of their poetry: it is their message. Podhoretz sees, in the words of the biblical prophets, a war being waged, a war against the sin of revering anything made by the hands of man -- in short, idolatry. In their relentless battle against idolatry, Podhoretz finds the prophets' most

meaningful and enduring message: a stern warning against the all-consuming worship of self that is at least as relevant in the twenty-first century as it was three thousand years ago. The Prophets will earn the respect of biblical scholars and the fascinated attention of general readers; its

observations will be equally valued by believers and nonbelievers, by anyone with spiritual yearnings. Learned, provocative, and beautifully written, *The Prophets* is a deeply felt, deeply satisfying work that is at once history, literary criticism, and moral philosophy -- a tour de force.
