There Be Monsters Here. . . It's not as great as you'd think, living in a tourist town that's known as "the most magical place in America." Same boring high school, just twice as many monsters under the bridges and rival Families killing each other for power. I try to keep

out of it. I've got my mom's bloodiron sword and my slightly illegal home in the basement of the municipal library. And a couple of Talents I try to keep quiet, including very light fingers and a way with a lock pick. But then some nasty characters bring their Family feud into my friend's pawn shop, and I have to make a call--get involved, or watch a cute guy die because I didn't. I guess I made the wrong choice, because now I'm stuck putting everything on the line for Devon Sinclair. My mom was murdered because of the Families, and it looks like I'm going to end up just like her. . .

Wonderland causes real-world trouble for a teenage descendant of Alice in this

romantic, dark fantasy sequel by the bestselling author of *Splintered*. Alyssa Gardner has been down the rabbit hole. She was crowned Queen of the Red Court and faced the bandersnatch. She saved the life of Jeb, the boy she loves, and escaped the machinations of the disturbingly appealing Morpheus. Now all she has to do is graduate high school. That would be easier without her mother, freshly released from an asylum, acting overly protective and suspicious. And it would be much simpler if the mysterious Morpheus didn't show up for school one day to tempt her with another dangerous quest in the dark, challenging Wonderland—where she (partly) belongs. Could she leave Jeb and her parents behind again, for the sake of a man she knows has manipulated her

before? Will her mother and Jeb trust her to do what's right? Readers will swoon over the satisfying return to Howard's bold, sensual reimagining of Carroll's classic. "I really enjoyed the first book of this series, but *Unhinged* cranks the Wonderland experience up to 11. It's just . . . WOW! The last few scenes dangle Alyssa's next adventure with shockers enough that I found my jaw needing a bit of assistance in coming off the floor. Write quickly, A. G. Howard! I need that next book!"—USA Today "Howard excels in sensory and sensuous descriptions." —Kirkus Reviews "As intense, dark, and weird as the first volume, this worthy sequel creates a parallel narrative that brings the action out of Wonderland and into Alyssa's hometown." —The Bulletin of The Center for Children's Books "A

dark beauty fills the novel's pages, which will mesmerize teens with a taste for magic, romance or suspense. *Unhinged* lays the groundwork for a third book where anything could happen—it is Wonderland, after all." —Shelf Awareness

From the steps of the Sydney Opera House came international acclaim . . . but at a price. All young Lizzy wants to do is sing, ride the boundaries of her family's Queensland property and dream of one day performing on stage. But when a freak storm hits the area, wreaking havoc and bringing tragedy, she swears never to sing another note. Lizzy, however, has a voice as uplifting as the pure beauty of the song of the bellbirds, and others are not quite so

willing to let her remarkable talent go to waste. There is the loving but ambitious Sister Angelica, a natural teacher; the vibrant and dangerously attractive Maestro Leonard Rominski, whose charms Lizzy finds irresistible; and the irrepressible Gran, whose love sustains Lizzy through thrilling highs and crushing lows. But it is Lizzy alone who will ultimately decide if the price she must pay to sing is too high. Praise for Anne McCullagh Rennie's books 'Pacy, spirited and moving.' Australian Women's Weekly 'The Australian Outback has provided inspiration for some of the most outstanding and memorable pieces of Australian literature - and to that list can be added Anne McCullagh Rennie's story Reach for the Dream.' New Idea *Cold Burn of Magic* Penguin

Elliott is a boy who likes to find things and, one day, he stumbles across a machine. At first, he can't work out what the machine is for - it doesn't beep or buzz like all his other machines and it doesn't have an ON/OFF button. Then, quite by accident, Elliott makes the machine work. The machine makes letters! Elliott thinks it must be a story machine but, sadly, Elliott isn't very good at letters and words. How can he make magical stories without them? But, wait, some of the letters look like pictures. Elliott is good at pictures and, as he discovers, pictures make stories. An inspiring, uplifting picture book about the simple joys of a typewriter in a world of hi-tech machines. Perfect for fans of Oliver Jeffers.
The Jewel Random House

China, 1930s. Julian Bell, son of the Bloomsbury set's Vanessa, is newly arrived in Peking. In search of fresh experiences, he encounters the beautiful, intelligent and deeply erotic Lin Cheng. Though Lin is wife to a university professor, their passionate assignations blossom into an affair. Schooled in the ancient Taoist arts of love, Lin instructs Julian in the ways of the East. But if society won't tolerate this union between Occidental and Oriental can their love possibly survive? Based on a true story this is a tragic tale of romance, betrayal and sexual desire set against a backdrop of conflict and war.

Angelfire Harper Collins

New York Times bestselling author Amy Ewing delivers a dark and riveting tale that "will have fans of Oliver's Delirium,

Cass's *The Selection*, and DeStefano's *Wither* breathless."* The Jewel has many meanings: wealth, beauty, royalty. But for Violet, the Jewel has always meant servitude. Born and raised in the Marsh, Violet is destined for the Jewel. She is trained as a surrogate for the elite and is bought by the Duchess of the Lake at auction. And she quickly learns that beneath the Jewel's glittering façade lies the cruelty, backstabbing, and hidden violence that have become the royal way of life. Violet must accept the ugly realities of her life...all while fighting for her survival. But before she can accept her fate, Violet meets a handsome boy who is also under the Duchess's control. A forbidden love sparks. But their illicit affair has consequences, which will cost them both more than they bargained for.

And toeing the line between being calculating and rebellious, Violet must decide what, and who, she is willing to risk for her own freedom. *BCCB The Truth about Twinkie Pie Eerdmans Books For Young Readers Hedgehog helps his friends during a storm and they repay his kindness when he needs a new nest. *The Cowboy* Simon and Schuster Good Dragon and Bad Dragon are always there for Finn, and together, the three are unbeatable! They're his imaginary friends, and they have so much fun together But when Finn's mom wants to go to the beach, the two dragons refuse—water is for fishes, and dragons don't swim. Could it be that dragons get scared, too? A hilarious and heartwarming picture book!

A Book Riot Best Book of 2015 So Far

Four starred reviews! "Susan Juby's *The Truth* Commission knocked my socks off. You should read it!"—Gayle Forman, best-selling author of *If I Stay* "Susan

Juby is a marvel. Wise, witty, and full of heart, her writing draws you in and won't let go. And just when you think it can't get any better, it does."—Meg Cabot This was going to be the year Normandy Pale came into her own. The year she emerged from her older sister's shadow—and Kiera, who became a best-selling graphic novelist before she even graduated from high school, casts a long one. But it hasn't worked out that way, not quite. So Normandy turns to her art and writing, and the "truth commission" she and her friends have started to find out the secrets at their school. It's a great idea, as far as it goes—until it leads straight back to Kiera, who has been hiding some pretty serious truths of her own. Susan Juby's *The Truth Commission: A story about easy truths,*

hard truths, and those things best left unsaid. * "With a deft hand and an open mind, Juby presents many layers of truth. This is a sharp-edged portrait of a dysfunctional family with some thought-provoking ideas about what is real." —Publishers Weekly, starred review * "A surprising, witty, and compulsive read." —School Library Journal, starred review * "Hilarious, deliciously provocative and slyly thought-provoking."—Kirkus Reviews, starred review * "Juby's bright dialogue and vivid, appealing characters draw readers along as the three young artists navigate truths both light and dark, discovering themselves in the process."—The Horn Book, starred review * "A smart, savvy YA novel about what constitutes the truth; its ideas will linger long after the last page."—Shelf

Awareness, starred review “I absolutely loved The Truth Commission. Every page made me laugh aloud, while all the time the tears were creeping up on me. The characters are so real that I wouldn’t be surprised if they knocked on my door right now. I hope they do, I want to spend more time with them.”—Jaclyn Moriarty, author of *The Year of Secret Assignments* and *A Corner of White*

The Christmas Rose Abrams

An original ebook-only novella in the Splintered series, told from the points of view of both Jeb and Morpheus.

Morpheus wants to know more about his rival for Alyssa's affections, so he digs into Jeb's memories of his time in Wonderland. But he may be surprised by what he finds. This brand-new story and perspective from A.G. Howard's dark, magical world stands alone but also provides a tantalizing glimpse of what's to come in Unhinged, the sequel to Splintered.

The King and the Magician Harper Collins

Amy Lennox doesn't know quite what to

expect when she and her mother pick up and leave Germany for Scotland, heading to her mother's childhood home of Lennox House on the island of Stormsay. Amy's grandmother, Lady Mairead, insists that Amy must read while she resides at Lennox House—but not in the usual way. It turns out that Amy is a book jumper, able to leap into a story and interact with the world inside. As thrilling as Amy's new power is, it also brings danger: someone is stealing from the books she visits, and that person may be after her life. Teaming up with fellow book jumper Will, Amy vows to get to the bottom of the thefts—at whatever cost.

We Love You, Hugless Douglas! Black Blade

The gripping second installment of the

MacNeice Mysteries reads like a crossover episode between Sons of Anarchy and Dexter, as Detective Superintendent MacNeice and his team face off against a gang of violent bikers and a bloodthirsty serial killer... As a local biker war rages — seven shrink-wrapped corpses have been found buried on a farm just outside of Dundurn — an ambitious waterfront project meant to revive the dying industrial city is underway. Dredging is nearly complete when six more bodies turn up at the bottom of the lake. With the body count rising, the situation in Dundurn escalates as a serial killer begins targeting the city's successful young women of colour. Outgunned by the bikers and outmaneuvered by the serial killer, MacNeice convinces Fiza Aziz, the young

Muslim detective who burned out on their last case together, to come back to the force. Things go well until Aziz deliberately puts herself in the killer's sights...

The Story Machine National Geographic Books

A mighty ruler discovers someone in his kingdom has more power than himself. But when the king sets out to destroy this fearsome enemy, a humble magician, the tables are turned, and an unexpected journey begins. In this beautifully illustrated story with a timeless message, a feared and cruel king learns of a wise magician in his kingdom who is rumored to be even more powerful than himself. The magician can predict the future, and even worse, he is more popular than the

fearsome king. Jealous and insecure, the enraged king plots to destroy this "enemy." But, being a magician, he has a trick up his sleeve that saves his own life and the king's. With help from an unexpected friend, the king transforms from a feared and brutal monarch to a beloved leader. Enduring messages about the power of wisdom and compassion are conveyed in a classic storytelling style and outstanding, original artwork.

One Winter's Day House of Anansi Elizabeth learns what goes on in a hospital when she enters to have her appendix removed.
