Over billions of years of time travel, the Doctor has run into his fair share of important people - and he's formed opinions on most of them too. Now the Twelfth Doctor has got hold of a history textbook from Coal Hill School, and he's decided to improve it with notes of his own! From Nefertiti to Robin Hood, this essential Doctor's guide gives us his unique take on Earth's most famous historical figures. Through annotations, scribbblings and his trademark snarky humour, the Doctor has plenty to say about the pudding-brained humans he's met on his travels. It's history . . . but perhaps not quite as you know it!

the most deadly cosmic entity they've ever faced - one that could eradicate the Doctor's very timeline! Year Three of the Tenth Doctor's comic adventures reaches its game-changing conclusion with devastating consequences for everyone on board the TARDIS! Can they make it out in one piece? Or will the fate of these beloved companions be changed forever? Writer Nick Abadzis (Pigs Might Fly, Laika) teams with artist Giorgia Sposito (Wonderland) to take the Tenth Doctor's impossibly epic story to the limit - and beyond! Collects Doctor Who: The Tenth Doctor #3.11-14. "Fans will love this immensely!" - Kabooooom "An excellent, fast-paced adventure! 9 out of 10." - Game4Me "Every Who fan should grab a copy while they can!" - Sci Fi Pulse

The Doctor is certainly the legend with untold faces, the mythic hero who dies to save mankind only to return, regenerated into an undying god with new wisdom of the ages. But his companions are journeying too. Rose Tyler and Donna Noble cross the TARDIS threshold and grow from ordinary women into goddesses of transcendent light, restoring the world with their golden auras. Martha learns faith and Amy, the power of imagination, until both can save the Doctor purely with the strength of their belief. By willing the world to reshape itself, they harness the power of the oldest goddesses who ruled with creation magic rather than conquest. River Song is the divine child of the TARDIS, magic itself, while Clara learns the heroine's mythic power of spreading herself through eternity and thus reshaping reality as the Doctor's world. United, they battle for the earth's redemption by confronting the shadows within.

This ancient Time Lord manual has been kicking around the TARDIS for thousands of years, giving

the Doctor plenty of time to 'improve' it with scribbles, doodles and post-it notes as a gift for his successor, the Twelfth Doctor. He's even ripped out the middle of the book and replaced it with a scrapbook packed with everything important to our hero, and how to be just like him! So if you have ever wondered if you'd cut it in the Time Lord Academy, how to fly the TARDIS, or the correct way to dip a fish finger into custard, this is the book for you! Essential reading for all aspiring Time Lords!

Throughout the long-running BBC series Doctor Who, the Doctor has rarely been alone--his companions are essential. Male or (mostly) female, alien or (mostly) human, young or old (none as old as he), the dozens of companions who have travelled with him over the past 50 years have served as sympathetic proxies for the audience. Through their adventures the companions are perfected, facing danger and thus discovering their strengths and weaknesses. Yet they all pay a price, losing their innocence and sometimes their lives. This collection of new essays examines the role of the companion as an intermediate between viewers and the Doctor. The contributors discuss who travels with the Doctor and why, how they interact, how the companions influence the narrative and how their journeys change them.

THE book the Time Lords (including the Doctor) read when studying at the Academy, the full-color in-world history that pieces together the true story of Gallifrey from the many and contradictory accounts that survived the Last Great Time War. Doctor Who: A Brief History of Time Lords tells the story of all of this ancient, legendary civilization, of notable historical figures, of Gallifrey itself, of the Time War and much more. The planet Gallifrey. The Shining World of the Seven Systems. Often to be found in the constellation of Kasterborous. Birthplace of one of the oldest civilizations in the universe: The Time Lords. From their technologies and strategies to the renegades like the Master and the Doctor himself, this is the definitive guide to the oldest and most powerful civilization in the universe. They invented black holes, transmits, stellar manipulators, and they atrophied. A bunch of elderly academics in funny hats, the Time Lords watched the whole history of creation. This was the civilization that inflicted some of its most renowned and deadly renegades and criminals on the universe: the Master, the Rani, the Monk, the War Chief, yet it was also the benevolent power that rid the cosmos of the Great Vampires, the Racnoss and the Fendahl. Featuring full-color, never-before-seen illustrations and a beautiful interior design, this is a highly collectible in-world companion no Whovian can be without.
