The impossible has happened: The Joker has become...sane. Batman: White Knight follows the man now known as Jack Napier as he embarks on a quest to heal the city he once terrorized. After reconciling with his long-suffering partner, Harley Quinn, he sets in motion a carefully plotted campaign to discredit the one person whom he views as Gotham City's true enemy: Batman. His crusade exposes a decades-long history of corruption within the Gotham City Police Department and transforms Napier into a city councilman and civic hero. But when the sins of his past return to

threaten everything that he has accomplished, the distinctions between savior and destroyer begin to break down for both The Joker and Batman alike-and with them any hope for Gotham's future. Writer and artist Sean Murphy delivers an extraordinary examination of comics' greatest antagonists in Batman: White Knight, exploring justice, corruption, activism and the darkest depths of mental illness. Collecting the acclaimed eight-issue miniseries, this stunning graphic novel also marks the debut of the DC Black Label imprint, which features classic DC characters in all-new, standalone stories written and illustrated by world-class authors and artists.

The Seven Deadly Sins—a legendary order that once served the Kingdom of Liones as the mightiest of its Holy Knights—stand accused of treason and have fled the realm. Princess Margaret and young Gilthunder, the slain commander Zaratras' son, know the terrible truth about the betrayal but dare not speak of it, not even to each other. The aftermath of the event that shook Britannia comes to life in seven prose chapters that provide a superb introduction to the rich world of the original comic and satisfy longtime fans' craving for more. Illustrated in a classic, warm style by the creator himself, Seven Scars They Left Behind walks the royal road of fantasy.

“An action packed fantasy sure to please fans of Morgan Rice’s previous novels, along with fans of works such as The Inheritance Cycle by Christopher Paolini.... Fans of Young Adult Fiction will devour this latest work by Rice and beg for more.” --The Wanderer, A Literary Journal (regarding Rise of the Dragons) The #1 Bestselling series! THE WEIGHT OF HONOR is book #3 in Morgan Rice’s bestselling epic fantasy series KINGS AND SORCERERS (which begins with RISE OF THE DRAGONS, a free download)! In THE WEIGHT OF HONOR, Kyra finally meets her cryptic uncle, and is shocked to discover he is not the man she expected. She embarks on a period of training which will test her stamina and her frustration, as she soon encounters the limits of her power. Unable to summon her dragon, unable to search deep within, and feeling an urgency to help in her father’s wars, Kyra doubts if she will ever become the warrior she thought she was. And when she meets a mysterious boy, more powerful than her, deep in the forest, she wonders what her future really has in store for her. Duncan must descend the peaks of Kos with his new army and, vastly outnumbered, launch a risky invasion on the capital. If he wins, waiting behind its ancient walls, he knows, will be the old king and his nest of nobles and aristocrats, all with their own agendas, all of them as quick to betray as they are to embrace. Unifying Escalon may, indeed, be harder than freeing it. Alec, in Ur, must tap his unique skills in the forge to aid the resistance if they have any chance of defending against the looming Pandesian invasion. He is awestruck when he encounters Dierdre, the strongest girl he has ever meet. The time she has a chance to make a stand against Pandesia, and as she bravely faces off, she who wonders if her father and his men will have her back this time. This time she has a chance to make a stand against Pandesia, and as she bravely faces off, she wonders if her father and his men will have her back this time. Vesuvius leads his Troll nation across a vulnerable Escalon, devastating the land, while Theos, enraged at what becomes of his son, is on a rampage himself, and will not stop until all of Escalon is aflame. With its strong atmosphere and complex characters, THE WEIGHT OF HONOR is a sweeping saga of knights and warriors, of kings and lords, of honor and valor, of magic, destiny, monsters and dragons. It is a story of love and broken hearts, of deception, ambition and betrayal. It is fantasy at its finest, inviting us into a world that will live with us forever, one that will appeal to all ages and genders. Book #4 in KINGS AND SORCERERS will be published soon. “If you thought that there was no reason left for living after the end of the Sorcerer’s Ring series, you were wrong. Morgan Rice has come up with what promises to be another brilliant series, immersing us in a fantasy of trolls and dragons, of valor, honor, courage, magic and faith in your destiny. Morgan has managed again to produce a strong set of characters that make us cheer for them on every page....Recommended for the permanent library of all readers that love a well-written fantasy.” --Books and Movie Reviews, Roberto Mattos (regarding Rise of the Dragons) “[The novel] succeeds—right from the start.... A superior fantasy...It begins, as it should, with one protagonist's struggles and moves neatly into a wider circle of knights,

dragons, magic and monsters, and destiny....All the trappings of high fantasy are here, from soldiers and battles to confrontations with self....A recommended winner for any who enjoy epic fantasy writing fueled by powerful, believable young adult protagonists.” --Midwest Book Review, D. Donovan, eBook Reviewer (regarding Rise of the Dragons) “A plot-driven novel that’s easy to read in a weekend...A good start to a promising series.” --San Francisco Book Review (regarding Rise of the Dragons)
