[Luther: First of the Fallen](#) Crossway
 Delve in to the dark past of the Dark Angels legion with this fantastic novel. Knight of the Angelicasta. Saviour of the Lion. Grand Master of the Order. Lord of the Dark Angels. Protector of Caliban. Chaos Heretic. Destroyer of Caliban. Sorcerer of the Abyss. Arch-traitor. Dark Oracle. First of the Fallen. Can one man be all of these things? Kept alive and imprisoned for ten thousand years, Luther is the curse and the salvation of the Dark Angels made manifest. None are so close to the heart and history of the Chapter as the man that embodies all that was great about the First Legion and all that is shameful about the Dark Angels. In his story is writ the tale of the Horus Heresy in a single, long life. Glory, honour, pride, shame and betrayal weave a tapestry of truth and lies that the Supreme Grand Masters of the Dark Angels have sought to understand and unravel across ten bloody millennia. Luther claims repentance for his past deeds, but was it his sins that condemned the Chapter to its secretive fate, or should warnings from history have been more closely heeded?
New Kid Image Comics
 New York Times Bestseller Named one of the Best Books of the Year by NPR, the Washington Post, Kirkus Reviews, and Library Journal Winner of the Audie Award The New York Times bestseller from the author of Watchmen and V for Vendetta finally appears in a one-volume paperback. Begging comparisons to Tolstoy and Joyce, this “magnificent, sprawling cosmic epic” (Guardian) by Alan Moore—the genre-defying, “groundbreaking, hairy genius of our generation” (NPR)—takes its place among the most notable works of contemporary English literature. In decaying Northampton, eternity loiters between housing projects. Among saints, kings, prostitutes, and derelicts, a timeline unravels: second-century fiends wait in urine-scented stairwells, delinquent specters undermine a century with tunnels, and in upstairs parlors, laborers with golden blood reduce fate to a snooker tournament. Through the labyrinthine streets and pages of Jerusalem tread ghosts singing hymns of wealth and poverty. They celebrate the English language, challenge mortality post-Einstein, and insist upon their slum as Blake’s eternal holy city in “Moore’s apotheosis, a fourth-dimensional symphony” (Entertainment Weekly). This “brilliant . . . monumentally ambitious” tale from the gutter is “a massive literary achievement for our time—and maybe for all times simultaneously” (Washington Post).

John William Burgon Stenhouse Publishers

Traces the lives of twenty-two immigrant teens throughout the course of a year at Denver's South High School who attended a specially created English Language Acquisition class and who were helped to adapt through strategic introductions to American culture.

[The Sermon on the Mount and Human Flourishing](#) Penguin

By almost any reckoning, the Ninety-Five Theses ranks as the most important text of the Reformation, if not in substance at least in impact. As the anniversary of its posting on the church door in Wittenberg approaches, what better way to remember and recognize the occasion than to make this important text more easily understood by twenty-first-century readers? Timothy J. Wengert, one of the best-known interpreters of Luther and Lutheranism active today, sets his newly translated Ninety-Five Theses in its historical context with a detailed introduction and illuminating study notes. To help the reader understand the context and the import of the Ninety-Five Theses more deeply, Wengert provides two more related and essential documents: Luthers Letter to Archbishop Albrecht of Mainz (to which he appended a copy of the Theses) and Luthers 1518 Sermon on Indulgences and Grace (written to inform the German-speaking public of his view of indulgences). The book is simply constructed with introductions and notes for each of the writings, as well as a study guide with questions for individual or group reflection and conversation.

Manituana Mohr Siebeck

In a world that is "woke," how many Christians are actually awake? This short, theologically sound primer is a resource for pastors, ministry leaders, community leaders, and other thinking Christians that explains carefully and clearly what Critical Race Theory and wokeness truly are, what the Bible teaches about race and ethnicity, why wokeness is distinct from Christianity and should be rejected, and how the church can work for unity based in the gospel of grace. Owen Strachan is a respected Reformed theologian and thought leader who can help Christians: Better understand Critical Race Theory, something very few do; Understand the high stakes—for the church and society at large—of wokeness as a movement; Think through America’s complex past with nuance and sensitivity; Study how God has made humanity one through the imago Dei; Grasp the beauty of the biblical doctrine of ethnicity and “race”; and Be ready to work for unity in perilous times

Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers’ Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, *New Kid* is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. *New Kid* is a selection of the Schomburg Center’s Black Liberation Reading List. Plus don’t miss Jerry Craft’s *Class Act*!

[The History of Protestantism with Five Hundred and Fifty Illustrations by the Best Artist](#) Beacon Press

Since his election to the U.S. Senate in 2006, Ohio’s Sherrod Brown has sat on the Senate floor at a mahogany desk with a proud history. In *Desk 88*, he tells the story of eight of the Senators who were there before him. “Perhaps the most imaginative book to emerge from the Senate since Senator John F. Kennedy of Massachusetts produced *Profiles in Courage*.” —David M. Shribman, *The Boston Globe* Despite their flaws and frequent setbacks, each made a decisive contribution to the creation of a more just America. They range from Hugo Black, who helped to lift millions of American workers out of poverty, to Robert F. Kennedy, whose eyes were opened by an undernourished Mississippi child and who then spent the rest of his life afflicting the comfortable. Brown revives forgotten figures such as Idaho’s Glen Taylor, a singing cowboy who taught himself economics and stood up to segregationists, and offers new insights into George McGovern, who fought to feed the poor around the world even amid personal and political calamities. He also writes about Herbert Lehman of New York, Al Gore Sr. of Tennessee, Theodore Francis Green of Rhode Island, and William Proxmire of Wisconsin. Together, these eight portraits in political courage tell a story about the triumphs and failures of the Progressive idea over the past century: in the 1930s and 1960s, and more intermittently since, politicians and the public have successfully fought against entrenched special interests and advanced the cause of economic or racial fairness. Today, these advances are in peril as employers shed their responsibilities to employees and communities, and a U.S. president gives cover to bigotry. But the Progressive idea is not dead. Recalling his own career, Brown dramatizes

the hard work and high ideals required to renew the social contract and create a new era in which Americans of all backgrounds can know the "Dignity of Work."

Anne Frank and Martin Luther King Jr. were born the same year a world apart. Both faced ugly prejudices and violence, which both answered with words of love and faith in humanity. This is the story of their parallel journeys to find hope in darkness and to follow their dreams.

White Evangelical Racism, Second Edition Simon and Schuster

The American political scene today is poisonously divided, and the vast majority of white evangelicals play a strikingly unified, powerful role in the disunion. In this clear-eyed, hard-hitting chronicle of American religion and politics, Anthea Butler argues that racism is at the core of conservative evangelical activism and power. Propelled by the benefits of whiteness, white evangelicals used scripture to defend slavery and nurture the Confederacy during the Civil War era. During Reconstruction, they used it to deny the vote to newly emancipated blacks. In the twentieth century, they sided with segregationists in avidly opposing movements for racial equality and civil rights. White evangelicals today, cloaked in a vision of Christian patriarchy and nationhood, form a staunch voting bloc in support of white leadership. Evangelicalism's racial history festers, splits America, and needs a reckoning now. In a new preface to the second edition, Butler takes stock of how the trends she identified have expanded as Donald Trump mounts a third campaign for the presidency, evangelicals celebrate and respond to the overturning of *Roe v. Wade*, and ferocious backlash against racial equity has injected new venom into evangelicalism's role in American politics.

A Testament of Hope Simon and Schuster

In this coming-of-age novel, a bullying incident catapults a young girl into a fantastical new world... Fourteen and a half-year-old Georgie Ray Jones rockets beyond the tattered remnants of her self-confidence to save her siblings from an innuendo-charged family life and the stepdad she's dubbed Jackass. Now living in Mystic Creek, Oregon with her dad, Georgie discovers her life as she once knew it will change forever. After her friend Shawn is pummeled by a dodgeball thrown by a bully, Georgie intervenes, only to send the bully flying across the schoolyard. Reeling with shock and worry, but fueled by a wildfire of inner metamorphosis, she searches for answers, but it is family friend Luther Andersen - lighthouse keeper, mystic, and professor - who explains she is meta-normal. This is the day Luther has been waiting for.

There Will Be No Miracles Here Brazos Press

On the 500th anniversary of Luther's theses, a landmark history of the revolutionary faith that shaped the modern world. "Ryrie writes that his aim 'is to persuade you that we cannot understand the modern age without understanding the dynamic history of Protestant Christianity.' To which I reply: Mission accomplished." -Jon Meacham, author of *American Lion* and *Thomas Jefferson* Five hundred years ago a stubborn German monk challenged the Pope with a radical vision of what Christianity could be. The revolution he set in motion toppled governments, upended social norms and transformed millions of people's understanding of their relationship with God. In this dazzling history, Alec Ryrie makes the case that we owe many of the rights and freedoms we have cause to take for granted--from free speech to limited government--to our Protestant roots. Fired up by their faith, Protestants have embarked on courageous journeys into the unknown like many rebels and refugees who made their way to our shores. Protestants created America and defined its special brand of entrepreneurial diligence. Some turned to their bibles to justify bold acts of political opposition, others to spurn orthodoxies and insight on their God-given rights. Above all Protestants have fought for their beliefs, establishing a tradition of principled opposition and civil disobedience that is as alive today as it was 500 years ago. In this engrossing and magisterial work, Alec Ryrie makes the case that whether or not you are yourself a Protestant, you live in a world shaped by Protestants.

"We've got some difficult days ahead," civil rights activist Martin Luther King, Jr., told a crowd gathered at Memphis's Clayborn Temple on April 3, 1968. "But it really doesn't matter to me now because I've been to the mountaintop. . . . And I've seen the promised land. I may not get there with you. But I want you to know tonight that we as a people will get to the promised land." These prophetic words, uttered the day before his assassination, challenged those he left behind to see that his "promised land" of racial equality became a reality; a reality to which King devoted the last twelve years of his life. These words and other are commemorated here in the only major one-volume collection of this seminal twentieth-century American prophet's writings, speeches, interviews, and autobiographical reflections. *A Testament of Hope* contains Martin Luther King, Jr.'s essential thoughts on nonviolence, social policy, integration, black nationalism, the ethics of love and hope, and more.

Taking Hold of God Harper Collins

The issue of baptism has troubled Protestants for centuries. Should infants be baptized before their faith is conscious, or does God command the baptism of babies whose parents have been baptized? Popular New Testament scholar Scot McKnight makes a biblical case for infant baptism, exploring its history, meaning, and practice and showing that infant baptism is the most historic Christian way of forming children into the faith. He explains that the church's practice of infant baptism developed straight from the Bible and argues that it must begin with the family and then extend to the church. Baptism is not just an individual profession of faith: it takes a family and a church community to nurture a child into faith over time. McKnight explains infant baptism for readers coming from a tradition that baptizes adults only, and he counters criticisms that fail to consider the role of families in the formation of faith. The book includes a foreword by Todd Hunter and an afterword by Gerald McDermott.

Can this be the Christ? The Good Book Company

This "landmark" (Ibram X. Kendi, *New York Times*-bestselling author of *How to Be an Antiracist*) dual biography of Malcolm X and Martin Luther King transforms our understanding of the twentieth century's most iconic African American leaders To most Americans, Malcolm X and Martin Luther King Jr. represent contrasting ideals: self-defense versus nonviolence, Black Power versus civil rights, the sword versus the shield. The struggle for Black freedom is wrought with the same contrasts. While nonviolent direct action is remembered as an unattainable part of American democracy, the movement's militancy is either vilified or erased outright. In *The Sword and the Shield*, Peniel E. Joseph upends these misconceptions and reveals a nuanced portrait of two men who, despite markedly different backgrounds, inspired and pushed each other throughout their adult lives. Now updated with a new afterword, this is a strikingly revisionist account of Malcolm and Martin, the era they defined, and their lasting impact on today's Movement for Black Lives.

Andersen Light HarperCollins

'These essays ... live and grow in the mind' James Campbell, *Independent* Being a writer, says James Baldwin in this searing collection of essays, requires 'every ounce of stamina he can summon to attempt to look on himself and the world as they are'. His seminal 1961 follow-up to *Notes on a Native Son* shows him responding to his times and exploring his role as an artist with biting precision and emotional power: from polemical pieces on racial segregation and a journey to 'the Old Country' of the Southern states, to reflections on figures such as Ingmar Bergman and André Gide, and on the first great conference of African writers and artists in Paris.

'Brilliant...accomplished...strong...vivid...honest...masterly' *The New York Times* 'A bright and alive book, full of grief, love and anger' *Chicago Tribune*

Martin Luther's Ninety-Five Theses Skyhorse Publishing Inc.

NAMED A BEST BOOK OF 2018 BY NPR AND THE NEW YORK TIMES A PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB PICK "Somehow Casey Gerald has pulled off the most urgently political, most deeply personal, and most engagingly spiritual statement of our time by just looking outside his window and inside himself. Extraordinary." —Marlon James "Staccato prose and peripatetic storytelling combine the cadences of the Bible with an urgency reminiscent of James Baldwin in this powerfully emotional memoir." —BookPage The testament of a boy and a generation who came of age as the world came apart—a generation searching for a new way to live. Casey Gerald comes to our fractured times as a uniquely visionary witness whose life has spanned seemingly unbridgeable divides. His story begins at the end of the world: Dallas, New Year's Eve 1999, when he gathers with the congregation of his grandfather's black evangelical church to see which of them will be carried off. His beautiful, fragile mother disappears frequently and mysteriously; for a brief idyll, he and his sister live like *Boxcar Children* on her disability checks. When Casey--following in the footsteps of his father, a gridiron legend who literally broke his back for the team--is recruited to play football at Yale, he enters a world he's never dreamed of, the anteroom to secret societies and success on Wall Street, in Washington, and beyond. But even as he attains the inner sanctums of power, Casey sees how the world crushes those who live at its margins. He sees how the elite perpetuate the salvation stories that keep others from rising. And he sees, most painfully, how his own ascension is part of the scheme. *There Will Be No Miracles Here* has the arc of a classic rags-to-riches tale, but it stands the American Dream narrative on its head. If to live as we are is destroying us, it asks, what would it mean to truly live? Intense, incantatory, shot through with sly humor and quiet fury, *There Will Be No Miracles Here* inspires us to question--even shatter--and reimagine our most cherished myths.

Dead Wrong ASCD

Examines the economic underworld of migrant farm workers, the aged, minority groups, and other economically underprivileged groups.
