tight right now)! Trudge through disgusting sewers to battle manatee-massacring mermaids and soggy cultists, creep through creepy, fog-littered cemeteries straight out of an ancient Hammer Film soundstage, confront undead lecherous lodgers and other assorted beasties, creepies, and ghoulies. It all comes down to whether an adolescent giant Automaton, a truly mad, Mad Scientist, a surly Necromancer, a Banshee's granddaughter, and a reluctant furry

monster straight from under your little sister's bed can manage not to kill each other - or, at least, quit fighting over the tele-privilege-schedule long enough to get the job done! Not likely.

Westsong Pub Time spent with the family in a Coachmen Leprechaun or a Holiday Rambler is unforgettable. Indiana retains a unique place in the RV industry going back to the 1930s, when pioneering

individuals like Milo Miller, Harold Platt and Wilbur Schult created the original RV businesses in the Elkhart-South Bend area, making campers for sale. By the end of World War II, the national media was identifying Elkhart as the "Trailer Capital of the World." That status has been reinforced ever since, and the industry is still thriving in Indiana with the successes of Thor Industries and Forest River. Join author and RV expert Al Hesselbart as he chronicles how the Hoosier State became the

Only the most casual, most minute contact with the Appalachian Trail is needed to catch the fever. I now welcome you to be

my vicarious hiking partner as we pursue the two-inch by six-inch white blazes from Springer Mountain, Georgia to Mount Katahdin, Maine. Through my daily journal entries - revised only a little - you will share encounters with bear, moose, snakes and other wildlife. You will feel the thrill of viewing the most magnificent vistas east of the Mississippi and come to know a unique collection of individuals guaranteed to bring a smile to your face and warmth to your heart.

In the 1930s and 1940s the early roots of the Chicano Movement took shape. Activists like Jesús Cruz, and later Ralph Cuarón, sought justice for miserable working conditions and the poor treatment of Mexican Americans and immigrants through protests and sit-ins. Lesser known is the influence that Communism and socialism had on the early roots of the Chicano

Movement, a legacy that continues today. Examining the role of Mexican American working-class and radical labor activism in American history, Enrique M. Buelna focuses on the work of the radical Left, particularly the Communist Party (CP) USA. Buelna delves into the experiences of Cuarón, in particular, as well as those of his family. He writes about the family's migration from Mexico; work in the mines in Morenci, Arizona; move to Los Angeles during the

Great Depression; service in World War II; and experiences during the Cold War as a background to exploring the experiences of many Mexican Americans during this time period. The author follows the thread of radical activism and the depth of its influence on Mexican Americans struggling to achieve social justice and equality. The legacy of Cuarón and his comrades is significant to the Chicano Movement and in understanding the development of the labor and civil rights

movements in the United States. Their contributions, in particular during the 1960s and 1970s, informed a new generation to demand an end to the Vietnam War and to expose educational inequality, poverty, civil rights abuses, and police brutality.
