 In 1976 a young German girl named Anneliese Michel underwent a series of exorcisms. The rites were administered by two priests of the Catholic Church to free Anneliese of the six demons they believed possessed her. Seemingly as a result of the exorcisms the girl died. Worldwide publicity followed when the girl's parents and the two exorcists were brought to trial and convicted of negligent homicide. Here a noted anthropologist offers her own interpretation of the exorcisms of Anneliese Michel. Drawing on interviews with the two exorcists, the girl's parents and friends, transcripts of the trial, and tape recordings made during the

exorcisms - as well as studies of religious experience in various cultures - Felicitas Goodman has written a fascinating, compelling book, one that finally tells what happened in this strange case as it delves into the age-old mystery of demonic possession.

A celebration of winter birds in Sweden by world-famous artist, author and ornithologist, Lars Jonsson. In this stunning book, Lars Jonsson celebrates and explores the beauty of the birds that surround him during the Swedish winter months. Inspired by the desolate, wintry landscapes, the dazzling light and the stark contrast of colours he observes against the snow, Jonsson has created an unparalleled collection of art. Jonsson illustrates each bird in his classic style, and his text provides information on

their behaviour and insights into how to identify them as he shares personal observations as both an artist and ornithologist. This unique combination offers an intimate and compelling opportunity to better understand the method behind one of the world's preeminent bird artists.

When an Italian kingpin falls, a battle of successors begins in this "razor-sharp political thriller set in Berlusconi's Rome" (The New Statesman). Things are

changing in Rome. The new Pope, determined to reform the Vatican, proclaims an extraordinary Jubilee year, one "of Mercy." A new center-left government replaces its disgraced predecessor. And with the underworld kingpin Samurai in jail, his protégé Sebastiano Laurenti plans to establish himself as his designated successor. But to do it, he must reckon with a new generation of gangsters and racketeers edging in on the corrupt profits to be made off the Jubilee's public works. Meanwhile, Laurenti must also keep an eye on the ambitious newly elected politician Chiara Visone. As the sharks circle and the street-dogs fight, a tenuous hope endures. An incorruptible politician of the old left is about to forge an unlikely alliance with a young bishop who refuses to play the Vatican's power games. Sharp, dark, and taut, *The Night of Rome* is fiction that sails dangerously close to the wind of current events.
