 The magnificent tale you are about to read was told by Rebbe Nachman of Breslov, a young Chassidic master who lived at the beginning of the 19th century in the Ukraine. Rebbe Nachman taught others about joy, faith, simplicity, knowing oneself, and how to make a connection with God. His enigmatic and mysterious tales - full of fantastic adventures, exotic locales, kings, queens, giants, pirates and paupers - describe people in pursuit of their destiny. Rebbe Nachman said that stories are often told to help people fall asleep, but his stories are meant to wake people up! He didn't explain what the tales meant; but instead left the task of interpretation to each reader. Nevertheless, in each story you can find your own story. In fact, one of the major pleasures in reading these tales is trying to imagine what it is talking about and how it applies to your life. A wonderful adventure awaits you!

"When the summer begins to approach, go out to meditate in the

meadows. When every bush of the field begins to return to life and grow, they all yearn to be included in your prayer." Rebbe Nachman emphasized the greatness of spontaneous, improvised prayer uttered in one's own language and springing from the heart -- hitbodedut. This handbook of his teachings on prayer includes Rabbi Kaplan's scholarly introduction setting hitbodedut in its context in the history of Jewish prayer and meditation. *A Children's Treasury of Rebbe Nachman's Tales* CreateSpace "El mundo es un puente muy angosto. Rabbi Nachman of Bratslav (1772-1810), great-grandson of the founder of Chasidism, the Baal Shem Tov, was a pivotal figure in the history of Jewish spirituality. The Chambers of the Palace is an anthology of the teachings of Rabbi Nachman, compiled and translated by the highly regarded young scholar, Y. David Shulman. Shulman writes, 'Rabbi Nachman was a poet, an individualist, a man who operated through his heart, a man filled with passion, a man filled with the youthful fire of breaking through all structures in order to get to God, not a man who wished to consolidate structures. The Chambers of the Palace was designed by Shulman to be accessible to a wide audience, especially those who are not intensely involved with chasidic thought. This is not a pietistic tract or a scholarly study. It is a rich collection of gems, drawn from the spectrum of Rabbi Nachman's teachings, including formal offerings, informal advice, symbolic tales, parables, dreams, and visions. We discover Rabbi Nachman of Bratslav to be an impassioned master of the spirit, a teller of inspired tales, and as Shulman writes, 'a singer of the romantic relationship between each individual, no matter what level, and God.' Rabbi Nachman is a paradoxical figure. He was an ecstatic seeker and a tortured soul, an ordinary human and a transcendent master, a teacher who spoke both oracularly and simply. He has become known for his teachings, his tales, his persona, his creativity, his intensity, his closeness, and his distance. Included in The Chambers of the Palace are such classic tales as 'The Prince Who Thought He Was a Turkey'; caustic social and religious criticism such as 'Praying for the Sake of a Cat'; visions such as 'In Two Worlds at Once'; and teachings on a wide range of subjects including the essential self, coming to God, self-improvement, simplicity, despair and joy, song, humor, marriage, sexuality, exile and redemption, holy days, and the land of Israel.
