Like its predecessors, this book serves as a guide to any adult interested in selecting books in Spanish for children in preschool through high school. Most of the books included in the guide have been published since 1984 and come from Argentina, Chile, Colombia, Costa Rica, Cuba, Dominican Republic, Mexico, Nicaragua,

Puerto Rico, Spain, Sweden, the U.S., Uruguay, and Venezuela. The author has identified books that highlight the lifestyle, folklore, history, fiction, poetry, theater, and classical literature of Hispanic cultures as expressed by Hispanic authors and has also included nonfiction and bilingual books and Spanish translations of popular fiction and nonfiction. With appendices and indexes.

*The Triplets Tale* Rowman & Littlefield  
When twins Greta and Feliks are sent to the ill-omened Schwartzgarten Reformatory for Maladjusted Children it

seems their fate is sealed: that is until they are rescued by the glamorous Olga Van Veenen, a fabulously wealthy children's author, plagued by writer's block. But Olga's life is apparently in danger, threatened by a second-rate novelist who wishes to see his rival dead. When Olga and her faithful retainer, Valentin, disappear from the eerie and imposing Castle Van Veenen, many miles north by train from Schwartzgarten's Imperial Railway Station, Greta and Feliks conclude that the murderous novelist has finally exacted his revenge on Olga. Only

by using their wits are the twins able to rescue their guardian before it is too late. As if by magic, Olga's writer's block lifts, and she quickly produces and publishes a new book for children. The novel has eerie similarities to the twins' adventures in Castle Van Veenen, and Greta and Feliks begin to question whether their guardian has deliberately placed them in danger for literary inspiration. But Olga Van Veenen has come too far to have her reputation muddied by the allegations of the twins, and will stop at nothing to silence them forever.

Judy's unusual pets—Jaws, Mouse, and Toady—are the center of attention in a new Judy Moody® book for newly independent readers. Dr. Judy knows a sick pet when she sees one, and Jaws the Venus flytrap is for-sure sick. Time for some urgent care and first aid! Judy Moody, pet vet, will never rest in her efforts to nurse Jaws back to health. In her quest for a medical miracle, Judy finds herself wrangling an unruly toad and seeking help from Mouse, the mind-reading cat. Nothing will stand in the way of Judy's search for a cure. Not even the fearsome Carnivoria vampira! From Megan McDonald comes this selection of three mini-stories just right for luring young readers into the Moody universe.

Who knew love could be so amazing—and stupefying? Not Christian. He was clueless when he started spying on the royal family through his telescope. He lives in a cave with a troll for a dad, after all. If his dad had only warned him about all that mind-boggling love stuff, maybe things wouldn't be such a mess. But then, maybe, Princess

Marigold would be dead. But Christian wasn't warned. And now that he's fallen for the princess, it's up to him to untwist an odd love triangle—er, rectangle—and foil a scheming queen who wants to take over the kingdom, even if it means bumping off her own daughter. With echoes of William Goldman's modern classic *The Princess Bride*, Jean Ferris's hilarious parody of "Once upon a time . . ." overflows with oddball characters and sage observations—and ends with a slapstick happily-ever-after that's full of surprises.

For the first time in a chapter-book format, Newbery Medal winner Beverly Cleary's twin characters, Jimmy and Janet, will charm young children with their humorous adventures. Jimmy and Janet are twins, but that doesn't mean they are just alike. When we first meet Jimmy, he wants to dig a real hole. He likes to use a real, grown-up shovel. While he's working, his sister, Janet, pretends to be a bird! She likes to use her imagination. But the twins both like silly jokes, new boots, and talking to Mr. Lemon, the mailman. As Beverly Cleary writes about Jimmy and Janet's doings, the unique understanding of children that she brings to all of her beloved books is coupled with a keen

awareness of duo dynamics that comes from raising twins herself. Originally published as four separate picture books (The Real Hole, Two Dog Biscuits, The Growing-Up Feet, and Janet's Thingamajigs), these are stories that a Jimmy would like because they are so true-to-life, and that a Janet would love because they are so believable.

**Superfudge** Penguin

Max and Charlie are seven-year-old twins who love when their papa comes for a visit. Papa always has amazing stories to tell from his childhood that Max and Charlie sometimes try themselves, which usually get them in some type of trouble. As they journey in an adventure to go fishing at a nearby pond, lots of fun, excitement, and adventure happen that first day of summer.

Ben's dad wasn't getting much sleep. There were too many children in his bed. Not just Ben, but also his baby brother Billy. And then the twins, Beth and Bart, arrived. There was only one thing for it... Ben's dad fetched his tools, and set to work building the biggest bed in the world. At last he had enough room to sleep comfortably, even after the triplets, Briony, Bella and Boris were born. But, unfortunately for Ben's dad, he still had a problem. The biggest bed in the world was also the heaviest bed in the world and one night, in the middle of the night, it began to move... Lindsay Camp's hilarious tale will delight pre-school children, who will love the rhythmic, patterned language and the outrageous idea of a bed on the move with a whole family asleep on top of it.
