CRIME  
21/2018 - Der  
Fahrer  
The Oregon  
crew must  
work without

their usual  
resources  
when a rogue  
hacker  
empties their  
bank account  
in this action-  
packed  
installment  
from the #1  
New York  
Times-bestsell  
ing grand  
master of  
adventure.  
When a bank

heist during  
the Monaco  
Grand Prix  
decimates the  
Corporation's  
"offshore"  
account, Juan  
Cabrillo and  
the crew of  
the Oregon  
find  
themselves  
unexpectedly  
vulnerable.  
Without his  
usual financial

assets, Juan must trust a woman from his past, an old friend from his days with the CIA, to help him keep his team safe. Together, they'll face a mysterious hacker with a brutal vendetta. It is only after the hunt begins that the enormity of the plan comes into focus: the bank theft is just the first step in a plot that will result in the deaths of millions and bring the world's economies to a standstill.

The catalyst for the scheme? A stunning document stolen during Napoleon's disastrous invasion of Russia. But two hundred years later, it may be the thing that brings Europe to its knees.

Science & Business Media  
A Cincinnati detective questions everything he knows--and everyone he trusts--in the new novel of romantic

suspense from New York Times bestseller Karen Rose. Homicide detective Adam Kimble is no stranger to battling demons. But Meredith Fallon is a different kind of weakness: one that could actually be good for him, if only he would let himself depend on her. Meredith has loved Adam for a year, and seeing how hard he's worked to deal with his PTSD makes her feelings

only stronger, but she respects his needs. Her work keeps her busy anyway: she counsels sexually abused women like Mallory Martin to help them reintegrate into the world. But someone doesn't want Meredith helping women like Mallory, and Meredith finds herself in the crosshairs of a very determined killer. Adam would risk anything for her, but they'll soon find out she isn't the

only target...

 Vintage  
 Sebastian von Eschburg, scion of a wealthy, self-destructive family, survived his disastrous childhood to become a celebrated if controversial artist. He casts a provocative shadow over the Berlin scene; his disturbing photographs and installations show that truth and reality are two distinct things. When

Sebastian is accused of murdering a young woman and the police investigation takes a sinister turn, seasoned lawyer Konrad Biegler agrees to represent him - and hopes to help himself in the process. But Biegler soon learns that nothing about the case, or the suspect, is what it appears. The new thriller from the acclaimed author of *The Collini Case*, *THE GIRL WHO WASN'T THERE* is dark, ingenious and

irresistibly gripping.  
History of Greek Culture  
Dachbuch Verlag  
Robert Stern, a successful defence lawyer, doesn't know what lies in store for him when he agrees to meet a new client in a derelict estate on the outskirts of Berlin. To his astonishment, the defendant is a ten-year-old boy - Simon - a fragile child with a chronic illness who insists that he was a murderer in a

former life. Stern's surprise quickly turns to horror as he searches the cellar Simon has directed him to and discovers the skeletal remains of a man, the skull split with an axe - just as Simon told him he would. But this is only the beginning, as Simon tells Stern where to find even more victims whose bodies have lain undisturbed for years. Suddenly, the present feels murderously dangerous as well...

Edge of Darkness  
Courier Corporation  
Ein Verbrechen zu überleben scheint wie ein Glücksfall. Aber es bringt oft auch enormes Leid mit sich. Die Erinnerung, die Erschütterung, Zweifel, Unsicherheit, Angst. Es ist immer berührend und oft sehr lehrreich, mit Überlebenden zu sprechen. Die Fragen, mit denen sie konfrontiert sind und mit denen sie uns konfrontieren, sind vielfältig.

<p>In dieser Ausgabe finden Sie dazu gleich mehrere Geschichten. Da bringt eine junge Frau die Kraft auf, doch noch von selbst zu gehen, kurz bevor alles vorbei ist. Aber wie verarbeitet sie, was ihr widerfuhr? Und wie lernt sie – für sich und ihre Kinder –, nicht wieder und wieder in dieselbe Lage zu geraten? Eine andere wird in ein Gefängnis hineingeboren und wächst als Sklavin</p>	<p>auf. Wie schafft sie es, sich nach ihrer Befreiung in einer Welt zurechtzufinden, die für uns normal, aber für sie so fremd ist, dass sie nicht mal weiß, wie eine Ampel funktioniert? Ein Polizist überlebt einen Amoklauf, aber es ist ihm nicht gelungen, auch nur ein einziges anderes Leben zu retten. Ist er ein Mitschuldiger? Wie hält er die gnadenlosen Vorwürfe aus? Und wie vereinbart er das Scheitern</p>	<p>mit seinem Selbstbild? Nicht jeder hat für sich Antworten auf seine Fragen gefunden. Die Fragen stehen auch nicht in jeder Geschichte im Vordergrund. Aber in jeder zeigt sich: Es ist kein Glück, ein Verbrechen zu überleben, Glück ist nur, gar nicht erst Opfer zu werden. Die Autorin unserer Titelgeschichte, Vanessa Veselka, stieg in den Achtzigern als junge Ausreißerin in den Truck</p>
--	--	--

eines Mannes, der später rechts ranfuhr, ein Messer zückte, sie auf den Rücksitz zwang – und dann doch noch laufen ließ. Jahrelang sprach Veselka nicht über den Vorfall. Mehr als drei Jahrzehnte später machte sie sich auf die Spurensuche, von der sie in diesem Heft erzählt. Es ist auch die Geschichte eines Mannes, dem zu begegnen für niemanden ein Glück war. Auch nicht für diejenigen, die

es überlebt haben.  
**Nations Without Nationalism**  
Knaur eBook  
A collection of cutting-edge reviews of many of the key recent medical and legal advances in forensic science. These critical surveys concentrate on common pathological entities likely to be encountered in daily forensic routine, as well as on specific pathological conditions rarely seen in

the autopsy room. Complementing rather than replacing the classic textbooks in forensic pathology, the authors explore new avenues for analyzing the pathology of burned bodies, traumatic brain injury, death by drug abuse, sudden cardiac death, sudden infant death and neonaticide, and fatalities resulting from kicking and trampling. Other areas of interest include accidental

autoerotic deaths, hypothermia fatalities, injuries from resuscitation procedures, the interpretation of alcohol levels in different specimens, and the potential forensic differential diagnoses and interpretation of iliopsoas muscle hemorrhage in the light of autopsy. *Forensic Pathology Reviews 5* Simon and Schuster The international award-

winning, bestselling phenomenon, now available in English for the first time. Tomorrow, the sun will rise for the first time in 40 days. Thirty minutes of daylight will herald the end of the polar night in Kautokeino, a small village in northern Norway, home to the indigenous Sami people. But in the last hours of darkness, a precious artifact is stolen: an ancient Sami drum. The most

important piece in the museum's collection, it was due to go on tour with a UN exhibition in a few short weeks. Hours later, a man is murdered. Mattis, one of the last Sami reindeer herders, is found dead in his gumpy. Are the two crimes connected? In a town fraught with tension-- between the indigenous Samis fighting to keep their culture alive, the ultra-Lutheran Scandinavian colonists concerned

with propagating their own religion, and the greedy geologists eager to mine the region's ore deposits-- it falls to two local police officers to solve the crimes. Klemet Nango, an experienced Sami officer, and Nina Nansen, his much younger partner from the south of Norway, must find the perpetrators before it's too late... THIS EDITION INCLUDES A READING GROUP GUIDE

Hachette UK  
A vanished child, a family in turmoil, and a fateful phone call that brings the torments of the past into the harrowing present . . . the New York Times bestselling author of *Someone Is Watching* weaves these spellbinding elements into a gripping novel of psychological suspense—a must-read for fans of Laura Lippman and Mary Higgins Clark. “I think my real name is Samantha. I think I’m your

daughter.” Caroline Shipley’s heart nearly stops when she hears those words from the voice on the other end of the phone. Instantly, she’s thrust fifteen years into the past, to a posh resort in Baja, Mexico—and the fateful night her world collapsed. The trip is supposed to be a celebration. Caroline’s husband, Hunter, convinces her to leave their two young

daughters, Michelle and Samantha, alone in their hotel suite while the couple enjoys an anniversary dinner in the restaurant downstairs. But returning afterward, Caroline and Hunter make a horrifying discovery: Two-year-old Samantha has vanished without a trace. What follows are days, weeks, and years of anguish for Caroline. She's tormented by media attention that

has branded her a cold, incompetent mother, while she struggles to save her marriage. Caroline also has to deal with the demands of her needy elder daughter, Michelle, who is driven to cope in dangerous ways. Through it all, Caroline desperately clings to the hope that Samantha will someday be found—only to be stung again and again by cruel reality. Plunged back into the still-

raw heartbreak of her daughter's disappearance, and the suspicions and inconsistencies surrounding a case long gone cold, Caroline doesn't know whom or what to believe. The only thing she can be sure of is that someone is fiercely determined to hide the truth of what happened to Samantha. Columbia  
University  
Press  
Underlying  
Julia Kristeva's  
latest work is  
the idea that  
otherness -  
whether it be  
ethnic,  
religious,  
social, or  
political -  
needs to be  
understood  
and accepted  
in order to  
guarantee  
social  
harmony.  
Nations  
Without  
Nationalism is  
an  
impassioned  
plea for  
tolerance and  
for  
commonality,  
aimed at a

world brimming over with racism and xenophobia. Responding to the rise of neo-Nazi groups in Germany and Eastern Europe and the continued popularity of the National Front in France, Kristeva turns to the origins of the nation-state to illustrate the problematic nature of nationalism and its complex configurations in subsequent centuries. For Kristeva, the key to

commonality can be found in Montesquieu's esprit general - his notion of the social body as a guaranteed hierarchy of private rights. Nations Without Nationalism also contains Kristeva's thoughts on Harlem Desir, the founder of the antiracist organization SOS Racisme; the links between psychoanalysis and nationalism; the historical nature of French national identity; the

relationship between esprit general and Volksgeist; Charles de Gaulle's complex ideas involving the "nation" and his dream of a unified Europe. In the tradition of Strangers to Ourselves, her most recent nonfiction work, Nations Without Nationalism reflects a passionate commitment to enlightenment and social justice. As ethnic strife persists in Europe and the United

States, Kristeva's humanistic message carries with it a special resonance and urgency.

**Lust** Picador  
In this new volume of the globally recognized Forensic Pathology Reviews, Dr. Michael Tsokos has gathered chapters from the top experts in the field to reveal both the applied and scientific areas of expertise along the broad

spectrum of forensics studies. Volume 5 piques the mind as leading forensic pathologists from the United States and around the world offer advanced insight into death caused environmental conditions, trauma, neuropathology, natural causes, and ballistics. The authors of this volume further their exploration as they impart research related to identification, serial murder,

histopathology, and age estimation.

While unveiling unsurpassed and cutting-edge knowledge, Forensic Pathology Reviews, Volume 5 will also inspire emerging forensic scientists to immerse themselves in innovative research.

**The Girl Who  
Wasn't**

**There** HMH  
In late October 2006, one of the most spectacular kidnapping cases of the younger past

had come to end, when Natascha Kampusch freed herself after being held captive in a hidden cellar (near Vienna, Austria) for more than eight years. Media companies from all over the world came to cover her life story, which has taken quite some twists since then. The result: two autobiographies, a feature film, several documentaries and hundreds of interviews – all within a

decade. "10 Years of Freedom" offers us an insight into the impact such a nightmarish captivity has on a young woman's life. It tells the story of a naive victim, that had to learn to cope with the real world after being locked away for her whole youth. The author spans a wide range of themes from her first days in freedom and the turbulent times after gaining it again to a

never-ending trauma, which she will have to deal with for the rest of her life. Natascha declares that she wasn't prepared to be a public figure after all, but was suddenly confronted with a heavy and controversial media coverage (including speculations by reporters regarding Stockholm syndrome and roleplaying, along with being labelled "cellar girl" and "sex slave"). Also,

wild conspiracy theories gained popularity, resulting in several trials and review boards (including police and FBI investigations) . Despite everything, she found certain ways to reconnect with her family and even founded/initiated several charity projects (e.g. the creation of a children's ward in Sri Lanka or the support of PETA, an organisation for animal rights). "Your book is remarkable. 10 Years of Freedom, I urge everyone to read it." - Piers Morgan, ITV "It's a very powerful read." - Huw Edwards, BBC "Very brave." - Emma Barnett, BBC **Crime** Walter de Gruyter GmbH & Co KG Die Geschlechter und ihr Kampf - das ist ein ewiges Thema. Auch in der Kriminalistik. Es geht dabei nicht nur um klassische Beziehungsstaten, begangen aus enttäuschter Liebe oder Eifersucht. Es geht oft auch um die Rollen, welche die Gesellschaft den Geschlechtern vorgibt. Vor allem um das, was diese Rollenbilder mit Menschen machen. Sie können bei denen, die sich darin gefangen fühlen, das Verlangen schüren, auszubrechen. Es kann denen, die sich an starre Regeln klammern, Angst machen, wenn Rollen ins

<p>Wanken geraten. Und es kann bei denen, die sich als Sieger der Rollenverteilung fühlen, zu Hass führen, wenn ihre Position infrage gestellt wird. Verlangen, Angst und Hass sind Triebfedern des Verbrechens. Darum ist der Kampf der Geschlechter bester Stoff für Krimis, wie Karin Slaughter unserem Kollegen Dirk van Versendaal erzählt hat. Sie hat selbst</p>	<p>die Macht von Männern und teilweise auch deren Aggression erlebt. Legitimiert durch Rollen. Auch um das zu benennen, finden sich in ihren Büchern einige der explizitesten Gewaltschilderungen der zeitgenössischen Thrillerszene. Die Rollen aufzulösen kann uns überfordern. Wie die Protagonistin unserer Titelgeschichte, die sich von allen Ketten befreien will, wobei ihr Verlangen</p>	<p>nach Freiheit einen gefährlichen Sog erzeugt. Rollen zu verteidigen kann Menschen mitleidlos machen. Wie im Fall des griechischen Serienmörders Papachronis, eines Frauenhassers, der in einer Zeit des Machismo trotz seiner brutalen Taten von manchen zum Volkshelden erkoren wurde. Zu welcher irrsinnigen Auswüchsenstarre Zuschreibungen führen</p>
---	---	--

können, zeigt auch unsere Fotostrecke aus Peru. Deren stille, ja stimmungsvolle Bilder erzählen umso furchtbarere Geschichten von Menschen, die nur aus einem Grund sterben mussten: weil sie in keine Rolle passten.

**Baby and Solo** Dell Monumental survey explores regional variations, virtues, and faults of city-states, discusses the fine arts, examines poesy and music, and presents perceptive accounts of enduring Greek achievements in philosophy, science, and oratory. 80 photographs, 25 black-and-white illustrations.

**Forensic Pathology Reviews Vol 4** U of Minnesota Press "An astounding and original thriller with a complex relationship between three women at its heart and an explosive conclusion."  
—B. A. Paris, New York Times bestselling author of Behind Closed Doors The next gripping psychological thriller by the author of How I Lost You, Jenny Blackhurst's #1 international bestseller, about a psychiatrist and patient relationship that turns not only toxic...but deadly. Karen, Eleanor, and Bea have been best friends since childhood. They know everything about each other's lives,

or at least they think they do. Now in their thirties, though their lives are beginning to diverge: Eleanor is a young wife and mother who is struggling to cope with her many responsibilities; Bea is happy being single—or so she lets people think; and Karen is a psychiatrist who, despite the secrets in her past, considers herself the anchor of the group. But when she

takes on a new patient with issues she just can't quite put her finger on, she begins to realize she may have put her dearest friends in danger. Because her patient knows more about these three women than anyone outside their circle possible could. Or should... The Emperor's Revenge Simon and Schuster Join Agent Pendergast in the heart of the South American jungle as he

investigates a string of murders that lead him to his wife's kidnappers -- and spark memories that may haunt him forever. After his wife, Helen, is brazenly abducted before his eyes, Special Agent Pendergast furiously pursues the kidnappers, chasing them across the country and into Mexico. But then, things go terribly, tragically wrong; the kidnappers escape; and a

shattered  
Pendergast  
retreats to his  
New York  
apartment  
and shuts out  
the world. But  
when a string  
of bizarre  
murders  
erupts across  
several  
Manhattan  
hotels-  
perpetrated  
by a boy who  
seems to have  
an almost  
psychic ability  
to elude  
capture-NYPD

Rechtsmedizin  
er Dr. Fred  
Abel arbeitet  
unter  
Hochdruck an

einem großen Fall: Ein winziger Einstich in der Kniekehle eines Toten verrät ihm, dass einer der gefährlichsten Killer der letzten Zeit weiterhin sein Unwesen treibt. Doch bevor Abel ihn stoppen kann, wird er in heikler Mission in den osteuropäischen Pseudostaat Transnistrien geschickt. Dort soll er zwei Mordopfer identifizieren, die in Kalkfässern gelagert wurden und	fast vollständig zersetzt sind. Plötzlich steht Abel im Fadenkreuz eines politischen Komplotts. Während einer mörderischen Verfolgungsjagd durch das transnistrische Grenzland muss er seine ganz besonderen Fähigkeiten einsetzen. Und gleichzeitig kämpft in Deutschland das jüngste Opfer des Psychopathen in einem Keller um sein Leben ... "Ein spektakulärer Thriller."	STERN Crime <i>Classical Literature on Screen</i> Penguin From the New York Times bestselling author of such "sizzling Stark novels" (RT Book Reviews) as <i>Release Me</i> and <i>Say My Name</i> comes a Stark International Novel featuring provocative bad boy Dallas Sykes—the first in a new trilogy in the S.I.N. series. It was wrong for us to be together, but it was even harder to be apart. The memory of
--	---	--

Dallas Sykes burns inside of me. Everyone knows him as a notorious playboy, a man for whom women and money are no object. But to me, he's still the one man I desperately crave—yet the one I can never have. Dallas knows me better than anyone else. We bear the same scars, the same darkness in our past. I thought I could move on by staying away, but now that we're drawn together once

more, I can't fight the force of our attraction or the temptation to make him mine. We've tried to maintain control, not letting ourselves give in to desire. And for so long we've told ourselves no—but now it's finally time to say yes. Praise for *Dirtiest Secret* “[A] high-octane contemporary, the first in [J. Kenner's] new Stark International Novel (S.I.N.) trilogy . . . Kenner

skillfully builds a top-notch thriller.”—Publishers Weekly “Fans of Kenner's steamy, decadent and daring plotlines will feel right at home in her new S.I.N. series and revel in the escapades of her tortured characters and their forbidden passion. As always, Kenner delivers a sensual and heady physical relationship, fraught with danger, forbidden love and high-

stakes complications. —RT Book Reviews “Strong writing propels an exciting tale of longing, danger, and forbidden desire. The ending’s twist will leave readers eager for the next installment.”—Library Journal “This book had a little bit of everything. Mystery, suspense, emotion and dirty, hot sex.”—Shamel ess Book Club “Kenner wrote Dallas in such a way that you are enthralled

with his character from the first page he graces. He’s sexy and extremely controlling but not quite what you think he is.”—Black Heart Reviews “Seduction and tangled emotions led the way in this first book of the Stark International Novels (S.I.N.) series. With a happy-for-now ending that had a twist at the end, I can’t wait to see what happens next in Jane and Dallas’s intriguing story.”—Harle

quin Junkie “It was literally like [eating] the most decadently sinful piece of chocolate, knowing that you really need to lose those last ten pounds. I do believe that I just found my newest guilty pleasure and his name is Dallas Sykes.”—Hook er Heels Book Blog Dirtiest Secret is intended for mature audiences. **The Collini Case** Amazon Crossing In The Long Take, Lutz Koepnick posits

extended shot durations as a powerful medium for exploring different modes of perception and attention in our fast-paced world of mediated stimulations. Grounding his inquiry in the long takes of international filmmakers such as Béla Tarr, Tsai Ming-liang, Abbas Kiarostami, Apichatpong Weerasethakul, and Michael Haneke, Koepnick reveals how their films evoke wondrous experiences of surprise, disruption, enchantment, and reorientation. He proceeds to show how the long take has come to thrive in diverse artistic practices across different media platforms: from the work of photographer Hiroshi Sugimoto to the screen-based installations of Sophie Calle and Tacita Dean, from experimental work by Francis Alÿs and Janet Cardiff to durational images in contemporary video games. Deeply informed by film and media theory, yet written in a fluid and often poetic style, *The Long Take* goes far beyond recent writing about slow cinema. In Koepnick's account, the long take serves as a critical hallmark of international art cinema in the twenty-first century. It invites viewers to probe the aesthetics of

moving images and to recalibrate their sense of time. Long takes unlock windows toward the new and unexpected amid the ever-mounting pressures of 24/7 self-management. *Zersetzt* Springer Science & Business Media stern CRIME 21/2018 - Der FahrerGruner + Jahr Magazine *All Dressed in White* Simon and Schuster The definitive Tolkien companion—a

indispensable guide to *The Hobbit*, *The Lord of the Rings*, and more, from the author of *The Road to Middle-earth*. This “highly erudite celebration and exploration of Tolkien’s works [is] enormous fun,” declared the *Houston Chronicle*, and Tom Shippey, a prominent medievalist and scholar of fantasy, “deepens your understanding” without “making you forget your initial, purely instinctive

response to Middle-earth and hobbits.” In a clear and accessible style, Shippey offers a new approach to Tolkien, to fantasy, and to the importance of language in literature. He breaks down *The Lord of the Rings* as a linguistic feast for the senses and as a response to the human instinct for myth. Elsewhere, he examines *The Hobbit*’s counterintuitive relationship to the heroic world of Middle-earth;

demonstrates the significance of The Silmarillion to Tolkien's canon; and takes an illuminating look at lesser-known works in connection with Tolkien's life. Furthermore, he ties all these strands together in a continuing tradition that traces its roots back through Grimms' Fairy Tales to Beowulf. "Shippey's commentary is the best so far in elucidating Tolkien's lovely myth," wrote Harper's Magazine. J.R.R. Tolkien: Author of the Century is "a triumph" (Chicago Sun-Times) that not only gives readers a deeper understanding of Tolkien and his work, but also serves as an entertaining introduction to some of the most influential novels ever written.
