When his wife's cousins seek refuge as illegal immigrants in New York, Eddie Carbone agrees to shelter them. Trouble begins when her niece is attracted to his glamorous younger brother, Rodolpho. 13 parts: 10 male, 3 female plus extras

The 1957 classic American musical West Side Story has been staged by countless community and school theater groups, but none more ambitious than the 2000 production by MacMurray College, a small school in Jacksonville, Illinois. Diane Brewer, the new drama head at the college, determined to add an extra

element to the usual demands of putting on a show by having deaf students perform half of the parts. Deaf Side Story presents a fascinating narrative of Brewer and the cast's efforts to mount this challenging play. Brewer turned to the Illinois School for the Deaf (ISD) to cast the Sharks, the Puerto Rican gang at odds with the Anglo Jets in this musical version of Romeo and Juliet set in the slums of New York. Hearing performers auditioned to be the Jets, and once Brewer had cast her hearing Tony and deaf Maria, then came the challenge of teaching them all to sing/sign and dance the riveting show numbers for which the musical is renowned. She also had to manage a series of sensitive issues, from ensuring the seamless incorporation of American Sign Language into the play to reassuring ISD administrators and students that the production would not be symbolic of any

conflict between Deaf and hearing people. Author Mark Rigney portrays superbly the progress of the production, including the frustrations and triumphs of the leads, the labyrinthine campus and community politics, and the inevitable clashes between the deaf high school cast members and their hearing college counterparts. His representations of the many individuals involved are real and distinguished. The ultimate success of the MacMurray production reverberates in Deaf Side Story as a keen depiction of how several distinct individuals from as many cultures could cooperate to perform a classic American art form brilliantly together.

Sweet Smell of Success Taylor & Francis

Lehman scathingly depicts the dark side of success through the twisted relationship of Sid Wallace, an ambitious publicist, and Harvey Hunsucker, a powerful and vindictive gossip columnist, fashioned after Walter Winchell. As scandals are manufactured and reputations ruined for sport, the story spirals downward toward one last, savage act of revenge. As brutally honest as Nathanael West's *The Day of the Locust*, *Sweet Smell of Success* is one of the most enduring and provocative stories in the literature of show business.

A landmark biography explores the crucial resonances among the life, work, and times of one of the most influential filmmakers of our age. When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner,

shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. *Everything Is Cinema* confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

Oozing with sophistication and wit, Stephen Sondheim and Hugh Wheeler's *A Little Night Music* (based on Ingmar Bergman's film *Smiles on a Summer Night*) is a passionate story of intertwined love affairs, regret and longing centred on elegant actress Desirée Armfeldt, and her family and flirtations. When Desirée performs in the town of her former lover, old passions rekindle and during a weekend in the country, the entangled romances of four couples are laid bare. With the magic of music on a summer's night, love's joys and complications play out in three-quarter time. Filled with beautiful iconic numbers, including 'Send in the Clowns' and 'A Weekend in the Country', *A Little Night Music* is a romantic musical by one of our greatest living composers. It opened on Broadway at the Shubert Theatre in

February 1973 in a production directed by Harold Prince, winning Best Musical at the New York Drama Critics' Circle Awards and the Tony Awards. The musical premiered in the West End at the Adelphi Theatre in April 1975. It has since enjoyed professional productions in the West End, by opera companies, in a 2009 Broadway revival, and elsewhere, and it is a popular choice for regional groups. It was adapted for film in 1977, with Harold Prince directing.

Although he published relatively little in his lifetime, Harvey Sacks's lectures and papers were influential in sociology and sociolinguistics and played a major role in the development of ethnomethodology and conversation analysis. The recent publication of Sacks's "Lectures on Conversation" has provided an opportunity for a wide-ranging reassessment of his contribution.

'This extraordinarily lucid book demonstrates that women from all walks of life get the short end of the stick because of their gender. From welfare mothers to corporate executives, Albelda and Tilly show and why the powers-that-be benefit from scapegoating and marginalizing women.' Professor Mimi Abramowitz, author, *Regulating the Lives of Women* A cogent

analysis of the economic and social realities for women in the United States, across class lines. In an age when the right wing manipulates the dialogue around women's issues to separate middle- and upper-class women from their poorer sisters this book's facts, figures, and analysis provide a much needed antidote.

Deaf Sharks, Hearing Jets, and a Classic American Musical Rowman & Littlefield

A captivating, richly illustrated full account of the making of the ground-breaking movie classic *West Side Story* (1961). A major hit on Broadway, on film *West Side Story* became immortal—a movie different from anything that had come before, but this cinematic victory came at a price. In this engrossing volume, film historian Richard Barrios recounts how the drama and rivalries seen onscreen played out to equal intensity behind-the-scenes, while still achieving extraordinary artistic feats. The making and impact of *West Side Story* has so far been recounted only in vestiges. In the pages of this book, the backstage tale comes to life along with insight on what has made the film a favorite across

six decades: its brilliant use of dance as staged by erstwhile co-director Jerome Robbins; a meaningful story, as set to Leonard Bernstein and Stephen Sondheim's soundtrack; the performances of a youthful ensemble cast featuring Natalie Wood, Rita Moreno, George Chakiris, and more; a film with Shakespearean roots (Romeo and Juliet) that is simultaneously timeless and current. *West Side Story* was a triumph that appeared to be very much of its time; over the years it has shown itself to be eternal.

A veteran film critic offers a lively, opinionated guide to thinking and talking about movies--from *Casablanca* to *Clueless*. Whether we are trying to impress a date after an art house film screening or discussing Oscar nominations among friends, we all need ways to look at and talk about movies. But with so much variety between an Alfred Hitchcock thriller and a Nora Ephron romantic comedy, how can everyday viewers determine what makes a good movie? In *Talking Pictures*, veteran film critic Ann Hornaday walks us through the production of a typical movie--from script and casting to final sound edit--and explains how to evaluate each piece of the process. How do we know if a film has been well-written, above and beyond snappy dialogue? What constitutes a great screen performance? What goes into praiseworthy cinematography, editing, and sound design? And what does a director really do? In a new epilogue, Hornaday addresses important questions of representation in film and the industry and how this can, and should, effect a movie-watching experience. Full of engaging anecdotes and interviews with actors and filmmakers, *Talking Pictures* will help us see movies in a whole new light--not just as fans, but as film critics in our own

right.

From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.

West Side Story Project Metropolitan Books

One of the Broadway musicals that can genuinely claim to have transformed the genre, *West Side Story* has been featured in many books on Broadway, but it has yet to be the focus of a scholarly monograph. Nigel Simeone begins by exploring the long process of creating *West Side Story*, including a discussion of Bernstein's sketches, early drafts of the score and script, as well as cut songs. The core of the book is a commentary on the music itself. *West Side Story* is one of the very few Broadway musicals for which there is a complete published orchestral score, as well as two different editions of the piano-vocal score. The survival of

the original copied orchestral score, and the reminiscences of Sid Ramin and Irwin Kostal, reveal details of the orchestration process, and the extent to which Bernstein was involved in this. Simeone's commentary considers: musical characteristics and compositional techniques used to mirror the drama (for example, the various uses of the tritone), motivic development, the use and reinvention of Broadway and other conventions, the creation of dramatic continuity in the score through the use of motifs and other devices, the unusual degree of dissonance and rhythmic complexity (at least for the time), and the integration of Latin-American dance forms (Mambo, Huapango and so on). Simeone also considers the reception of *West Side Story* in the contemporary press. The stir the show caused included the response that it was the angular, edgy score that made it a remarkable achievement. Not all reviews were uncritical. Finally, the book looks in detail at the making of the original Broadway cast recording, made in just one day, included on the accompanying CD.

GOOD MORNING AMERICA BUZZ PICK • The Pulitzer Prize-winning playwright and co-writer of *In the Heights* tells her lyrical story of coming of age against the backdrop of an ailing Philadelphia

barrio, with her sprawling Puerto Rican family as a collective muse. **LONGLISTED FOR THE ANDREW CARNEGIE MEDAL** • "Quiara Alegría Hudes is in her own league. Her sentences will take your breath away. How lucky we are to have her telling our stories."—Lin-Manuel Miranda, award-winning creator of *Hamilton* and *In the Heights* Quiara Alegría Hudes was the sharp-eyed girl on the stairs while her family danced their defiance in a tight North Philly kitchen. She was awed by her mother and aunts and cousins, but haunted by the unspoken, untold stories of the barrio—even as she tried to find her own voice in the sea of language around her, written and spoken, English and Spanish, bodies and books, Western art and sacred altars. Her family became her private pantheon, a gathering circle of powerful orisha-like women with tragic real-world wounds, and she vowed to tell their stories—but first she'd have to get off the stairs and join the dance. She'd have to find her language. Weaving together Hudes's love of music with the songs of her family, the lessons of North Philly with those of Yale, this is a multitythic dive into home, memory, and belonging—narrated by an obsessed girl who fought to become an artist so she could capture the world she loved in all its wild and delicate beauty.

"Splendid. . . . This is among the finest films ever made about American politics."—The New York Times "A brilliant, brawling epic. . . . Screenwriter Tony Kushner blows the dust off history by investing it with flesh, blood, and churning purpose. . . . A great American movie."—Rolling Stone A decade-long collaboration between three-time Academy Award winner Steven Spielberg and Pulitzer Prize winner Tony Kushner, the Academy Award-nominated screenplay of Lincoln is a revealing drama that focuses on the sixteenth president's tumultuous final months in office. Having just won re-election in a country divided, Abraham Lincoln pursues a course of action designed to end the war, unite the country, and abolish slavery. With the moral courage and fierce determination to succeed, his choices during this critical moment will change the fate of America and generations to come. Containing eight pages of color photos from the film and based in part on Doris Kearns Goodwin's critically acclaimed Team of Rivals: The Political Genius of Abraham Lincoln, Lincoln is now a major motion picture by DreamWorks starring three-time Academy Award winner Daniel Day-Lewis. Tony Kushner's plays

include Angels in America, Parts One and Two; A Bright Room Called Day; Slavs!; Homebody/Kabul; Caroline, or Change, a musical with composer Jeanine Tesori; and The Intelligent Homosexual's Guide to Capitalism and Socialism with a Key to the Scriptures. He wrote the screenplays for Mike Nichols's film of Angels in America and for Steven Spielberg's Munich. Kushner is the recipient of a Pulitzer Prize, two Tony Awards, three Obie Awards, two Evening Standard Awards, an Olivier Award, an Emmy Award, and two Oscar nominations, among other honors. In 2008 he was the first recipient of the Steinberg Distinguished Playwright Award.

Broadway musicals are one of America's most beloved art forms and play to millions of people each year. But what do these shows, which are often thought to be just frothy entertainment, really have to say about our country and who we are as a nation? The Great White Way is the first book to reveal the racial politics, content, and subtexts that have haunted musicals for almost one hundred years from Show Boat (1927) to The Scottsboro Boys (2011). Musical mirror their time periods and reflect the political and social issues of their day. Warren Hoffman investigates the thematic content of the Broadway musical and considers how musicals work on a structural level, allowing them to simultaneously present and hide their racial agendas in plain view of their audiences. While the musical is informed by the cultural contributions of African Americans and Jewish immigrants, Hoffman argues that ultimately the history of the American musical is the history of white identity in the United States. Presented chronologically, The Great White Way shows

how perceptions of race altered over time and how musicals dealt with those changes. Hoffman focuses first on shows leading up to and comprising the Golden Age of Broadway (1927–1960s), then turns his attention to the revivals and nostalgic vehicles that defined the final quarter of the twentieth century. He offers entirely new and surprising takes on shows from the American musical canon—Show Boat (1927), Oklahoma! (1943), Annie Get

Your Gun (1946), The Music Man (1957), West Side Story (1957), A Chorus Line (1975), and 42nd Street (1980), among others. New archival research on the creators who produced and wrote these shows, including Leonard Bernstein, Jerome Robbins, Stephen Sondheim, and Edward Kleban, will have theater fans and scholars rethinking forever how they view this popular American entertainment.
