*Lost Boy Sheet Music* Mel Bay Publications  
Take your blues mandolin playing to the next level with the *Mandolin Blues Book*. A collection of 101 blues riffs and solos ideal for all mandolinists looking to get a good grasp of jamming the blues. The book covers all the essential tools needed to play blues mandolin. Start by learning the 40 stylistic riffs and 25 one and two bar blues riffs in multiple keys, then move

on to the longer 12 bar blues rhythm riffs and extended solos. Most of the longer rhythm riffs and solos follow the standard 12 bar blues form, so they are readily applicable to the many mandolin playing styles, including country, rock, jazz, and bluegrass, to name a few. To further deepen your mandolin skills, study the major, minor and blues scales and arpeggios as well as the library of mandolin chords and blues chord progressions in all 12 keys. No book covers everything, but with some practice, you will be ready to take your mandolin, jam the blues with confidence, and show off your new skills. Audio and Video online:

**The Mighty Mandolin Chord Songbook** Alfred Music Publishing (Mandolin). Noted

mandolinist and teacher Rich Del Grosso has authored this excellent mandolin method that features great playable tunes in several styles (bluegrass, country, folk, blues) in standard music notation and tablature. The audio features play-along duets.

**Mandolin for Beginners** Alfred Music This encyclopedia is designed to provide mandolin players with a wide variety of chords in different voicings. This book is intended as both a starting point of learning chord voicings and patterns, as well as a dictionary of common mandolin chords. Each key section includes the first position scale for that key, as well as the chord formula and notes for

each chord. If you want to learn to be a bluegrass rhythm player it helps to have a guide or 'map' to take you through the initial learning stage. This book provides a small but powerful set of starter chords used in this style of music. Once these chords are learned, you'll be able to jam with other musicians in no time. These are the same chords used by greats like Bill Monroe, Doyle Lawson, David Grisman and hundreds of other bluegrass players in this genre. While there are only a few chords presented in the map section, they form the foundation of bluegrass mandolin and with them you can play literally thousands of songs in every key. Chords are presented by key.
