Seven Sermonious Speeches is the response to numerous request after I was blessed to deliver the Spoken Word. Requests came from various persons within the audience and pastors, respectively, of various congregations. "Please, please may I have a copy posthaste of your message to share with my church?" ... to share with my neighbors?" From subsequent praise reports and unsolicited comments, seemingly, numerous people have been tremendously blessed by these messages. After considerable editing and word processing, plus making and mailing innumerable copies, a voice was heard loud and clear, "Compile into a book seven of your speeches delivered within the last seven years to be a blessing to millions around the world." Herewith is the result of obeying that voice. To all who read these God-given messages, it is sincerely hoped that you will be marvelously blessed. *Seven Sermonious Speeches* Christian Faith Publishing, Inc.

A reminder from one of America's most trusted voices that after all else fails, Jesus is there. After two pressure-filled, life-changing years of professional exhaustion and personal turmoil, Anne Graham Lotz found herself with only one heart-cry, "Please, just give me Jesus." In this faith-inspiring book, she stares intently at the realities of life with her Savior. To those needing a fresh start, to those still searching for happiness, to those in need of forgiveness, to the suffering and the self-righteous alike, Jesus was, is, and will always be the answer.

Author J. Ellsworth Kalas believes there is much we can learn about our own walk with God from the people in the Bible. In this inspiring book he gives us meditations about sixteen men from Scripture, some of them well known, others not even named. Each of them, he tells us, can teach us something about ourselves and our relationship with God, "not only through their wisdom but sometimes through their errors and obvious humanness."

Life Changing In the beautiful collection of fictional southern style short stories, set in her hometown, Katherine Dye highlights many nooks and crannies of New Albany, Mississippi, and if you are a native, you will delight in reading about the places you often see. If not well, you will want to visit this lovely little artisan town and see for yourself the wonders of the pleasant and less complex southern way of life as depicted in Katherine's stories, paintings, and sketches. The beauty of her short stories is their attraction to the Word of God. Katherine, from a child, was encouraged to

memorize scripture verses; and those that became a lamp unto her feet and a light unto her path are the ones she has cleverly included. There is a verse for each letter of the alphabet, and she makes clear the need for a two-way conversation between God and his children, the grand and glorious balance of prayer and reading of the scriptures. The stories are designed for young teens, but if you are a bit older now, you may find yourself slipping back to childhood and teenage years, reminiscent of the days of The Old South. Many of the scriptures Katherine features are those we memorized as children. We are never too old to learn, but as Katherine explains in the story of Grandy and Jamie, it is much easier when we are youthful and our minds are clear and sharp, unencumbered by years of living and working and loving and playing. It feels good to slip back to those times when our ability to memorize was heightened by virtue of our youth, and the verses we so cherish are those we best remember from childhood. This collection of stories is timeless. Read and relish youthful thoughts.

INSTANT NEW YORK TIMES BESTSELLER NATIONAL BESTSELLER "An intimate window into the world of American evangelicalism. Fellow exvangelicals will find McCammon's story both startlingly familiar and immensely clarifying, while those looking in from the outside can find no better introduction to the subculture that has shaped the hopes and fears of millions of Americans." —Kristin Kobes Du Mez, New York Times bestselling author of *Jesus and John Wayne* The first definitive book that names the growing social movement of people leaving the church: the exvangelicals. Growing up in a deeply evangelical family in the Midwest in the '80s and '90s, Sarah McCammon was strictly taught to fear God, obey him, and not question the faith. Persistently worried that her gay grandfather would go to hell unless she could reach him, or that her Muslim friend would need to be converted, and that she, too, would go to hell if she did not believe fervently enough, McCammon was a rule-follower and—most of the time—a true believer. But through it all, she was increasingly plagued by fears and deep questions as the belief system she'd been carefully taught clashed with her expanding understanding of the outside world. After spending her early adult life striving to make sense of an unraveling worldview, by her 30s, she found herself face-to-face with it once again as she covered the Trump campaign for NPR, where she witnessed first-hand the power and influence that evangelical Christian beliefs held on the political right. Sarah also came to discover that she was not alone: she is among a rising generation of the children of evangelicalism who are growing up and fleeing the fold, who are thinking for themselves and deconstructing what feel like the "alternative facts" of their childhood. Rigorously reported and deeply personal, *The Exvangelicals* is the story of the people who make up this generational tipping point, including Sarah herself. Part memoir, part investigative journalism, this is the first definitive book that names and describes the post-evangelical movement: identifying its origins, telling the stories of its members, and examining its vast cultural, social, and political impact.

New York Times Bestseller “A touching series of essays in which Evans, with Chu’s invisible pen, explores how one might find a path forward in Christianity beyond conservative evangelicalism” - Eliza Griswold, *The New Yorker* “Evans died at 37, but a beautiful new book captures her brave outlook. . . . I could not help but notice the poetry in Evans’s prose. . . . What readers will find in these pages was someone deeply human: funny, irreverent, curious, wise, forgiving, nonjudgmental.” -Maggie Smith, *The Washington Post* A collection of original writings by Rachel Held Evans, whose reflections on faith and life continue to encourage, challenge, and influence. Rachel Held Evans is widely recognized for her theologically astute, profoundly honest, and beautifully personal books, which have guided, instructed, edified, and shaped Christians as they seek to live out a just and loving faith. At the time of her tragic death in 2019, Rachel was working on a new book about wholeheartedness. With the help of her close friend and author Jeff Chu, that work-in-progress has been woven together with some of her other unpublished writings into a rich collection of essays that ask candid questions about the stories we’ve been told—and the stories we tell—about our faith, our selves, and our world. This book is for the doubter and the dreamer, the seeker and the sojourner, those who long for a sense of spiritual wholeness as well as those who have been hurt by the Church but can’t seem to let go of the story of Jesus. Through theological reflection and personal recollection, Rachel wrestles with God’s grace and love, looks unsparingly at what the Church is and does, and explores universal human questions about becoming and belonging. An unforgettable, moving, and intimate book.

Do you want your children to be actively serving in the local church when they turn thirty and beyond? Why *The Stay* can help! Much has been written about younger adults and their departure from church involvement. Concerned parents and church leaders want to know what has caused them to depart. Instead of asking why young adults are leaving the church, Parr and Crites conducted a national research project of those who grew up in church and are still serving faithfully. They studied why they have stayed and the results are compelling. You will learn as a parent, pastor, or church leader specific actions that you can take to make a definitive difference in whether or not the fifteen-year-olds attending your church now are still attending and serving when they turn thirty. You will discover: fifteen factors that make a great difference in the likelihood that children and teens will remain in church as adults ten issues that make somewhat of a difference in lifetime involvement five surprises that do not make as much difference as you might think the greatest gap discovered in the ministry focus of a church actions you can take as a parent that greatly increase the likelihood your children will remain faithful to church when they are adults strategies church leaders can implement that increase the probability that children and youth-group members will serve in the church as adults Why *The Stay* is much more than numbers and data. Parr and Crites share from their personal experiences, and the information can help you be more effective in your parenting and church leadership.

Even though I can’t hear the trains every day like I did when I was growing up, I still live across the train tracks. When I was growing up, you had to cross the train tracks to get to my house; and even now in my twilight years, you have to cross the train tracks to get to my house. However, I never thought of living across the tracks as a negative thing like it is in the movies. I am sure it is because negativity was not a part of my life growing up. We were never harshly beaten or yelled at for the littlest thing like some children. We realized we were poor, but that didn’t define us because we were surrounded by love in our own home and in our community. We lived in a church community dedicated to educating children and working hard. No, we weren’t overly praised either. We didn’t get anything for good grades or for our birthdays. Yes, we were hungry sometimes, but we never starved because we trusted our parents to provide for us, and they always did. Simple peanut butter and cracker sandwiches could make eight little children on Crichton Hill in Minden, Louisiana, smile as if they didn’t have a care in the world--because to them, they didn’t. What we always had was hope. It was this realization that gave me the impetus to call my memoir *The Hope Train*. Hope because of all the prayers my mom sent to heaven on her kids’ behalf and the trains that passed by each day--and even provided passage for me as I was the first in my family to go to college, and the seven other Rabb children would board the train also.
