NASH BRAIDEN

Athenaeum and Literary Chronicle

Manchester University Press

In this second edition of *Beginning Theory*, the variety of approaches, theorists, and technical language is lucidly and expertly unraveled and explained, and allows readers to develop their own ideas once first principles have been grasped. Expanded and updated from the original edition first published in 1995, Peter Barry has incorporated all of the recent developments in literary theory, adding two new chapters covering the emergent Eco-criticism and the re-emerging Narratology.

Notes and Queries

The Bear by Anton Chekhov: The Bear is a comedic play by Anton Chekhov that explores themes of love, pride, and the absurdities of human behavior. Set in a provincial estate, the play revolves

around a humorous and contentious encounter between the widow, Popova, and the brash landowner, Smirnov. Through witty dialogue and farcical situations, Chekhov satirizes social conventions and delves into the complexities of human relationships. Key Points: Satire and Social Conventions: The Bear employs satire to mock social conventions and societal norms. Chekhov exposes the absurdities of human behavior, particularly within the context of courtship and romantic relationships. The play humorously challenges the rigid expectations placed upon individuals, revealing the follies and contradictions inherent in societal rules and expectations. Love and Pride: The Bear explores the themes of love and pride, juxtaposing them in the interactions between the main characters. Popova and Smirnov engage in a battle of wits and wills, each driven by their own stubborn pride. The play examines the complexities of love and the transformative power it can have on individuals, as well as the challenges that arise when pride stands in the way of genuine connection. Farce and Humor: The Bear is known for its comedic elements and farcical situations. Chekhov expertly weaves humor into the play through lively dialogue, mistaken identities, and exaggerated confrontations. The

comedic elements serve to entertain the audience while shedding light on the quirks and foibles of human nature. The play's humor adds levity to the exploration of deeper themes, making it an enjoyable and thought-provoking theatrical experience.
