EWING LAYLAH

Mahatma Gandhi - His Life, Writings, and Speeches Oxford University Press

Published in 1939, this work was presented to Mahatma Gandhi on his 70th birthday, October 22nd, 1939. This work is not only a remarkable tribute from notable men and women of diverse views, but an important estimate of the life and thought of Mahatma Gandhi.

Mahatma Gandhi Prabhat Prakashan

This compact three-volume set is the first authoritative collection of Gandhi's unabridged letters, articles, and books. Carefully sifted from the ninety-volume Collected Works of Gandhi, Iyer's comprehensive and balanced compendium does full justice to the subtlety, richness, and evolution of Gandhi's thought. Enriched by a helpful introduction elucidating Gandhi's crucial concepts and their varied applications as well as a useful glossary of terms and chronology of events, this series offers a fuller, more accurate appreciation of Gandhi's contribution to the 20th century and the future.

The Collected Works of Mahatma Gandhi (May-August 1924) Blue Mountain Arts, Inc.

This compelling biography traces the evolution of Mohandas K. Gandhi as he forged the philosophy of Satyagraha—from Indian words for "truth" and "firmness"—amid the brutal racism of South Africa and helped lead the struggle for Indian independence. But Satyagraha was a bigger concept even than the Indian subcontinent and the mighty British Empire. Readers will learn about the Mahatma—the Great soul in peasant's garb—often in his own words, as well as the philosophy of truth and nonviolence that would later inspire Nelson Mandela, Martin Luther King Jr., and other rebels with a cause for ages to come. Students will be guided through their reading with a glossary of important words, a timeline, and references for further reading on the topic.

Mahatma Gandhi: Testimonials of eminent Englishmen and American [! Penguin UK

A balanced selection of Gandhi's writings, taken from his letters, articles, and books, representing the complete cross-section of his thought.

Mahatma Gandhi Oxford University Press, USA

This comprehensive Gandhi reader provides an essential new

reference for scholars and students of his life and thought. It is the only text available that presents Gandhi's own writings, including excerpts from three of his books--An Autobiography: The Story of My Experiments with Truth, Satyagraha in South Africa, Hind Swaraj (Indian Home Rule)-a major pamphlet, Constructive Programme: Its Meaning and Place, and many journal articles and letters along with a biographical sketch of his life in historical context and recent essays by highly regarded scholars. The writers of these essays--hailing from the United States, Canada, Great Britain and India, with academic credentials in several different disciplines--examine his nonviolent campaigns, his development of programs to unify India, and his impact on the world in the second half of the twentieth century and the beginning of the twenty-first. Gandhi's Experiments with Truth provides an unparalleled range of scholarly material and perspectives on this enduring philosopher, peace activist, and spiritual guide.

The Death and Afterlife of Mahatma Gandhi Simon and Schuster

Dennis Dalton's classic account of Gandhi's political and intellectual development focuses on the leader's two signal triumphs: the civil disobedience movement (or salt satyagraha) of 1930 and the Calcutta fast of 1947. Dalton clearly demonstrates how Gandhi's lifelong career in national politics gave him the opportunity to develop and refine his ideals. He then concludes with a comparison of Gandhi's methods and the strategies of Martin Luther King Jr. and Malcolm X, drawing a fascinating juxtaposition that enriches the biography of all three figures and asserts Gandhi's relevance to the study of race and political leadership in America. Dalton situates Gandhi within the "clash of civilizations" debate, identifying the implications of his work on continuing nonviolent protests. He also extensively reviews Gandhian studies and adds a detailed chronology of events in Gandhi's life.

The Way to God Obscure Press

On the occasion of 150th Birth Anniversary of Mahatma Gandhi we are pleased to release his autobiography 'The Story of My Experiments with Truth'. When Gandhi started writing his autobiography riots broke out in Bombay. Then due to some series of events Gandhi ji was imprisoned and sent to Yeravda jail. He continued writing his autobiography in Yeravda jail and thereafter. The autobiography of Mahatma Gandhi is very inspirational. After reading it we come to know how a young fearful boy transformed into a strong and powerful man.

The Moral and Political Thought of Mahatma Gandhi Oxford University Press

Celebrates the life and work of India's "Great Soul," focusing on his non-violent struggle to end British imperial domination of India, and offering insight into why modern India has rejected Gandhi's nonviolent ideologies and joined the nuclear arms race.

Mahatma Gandhi Prabhat Prakashan

Who is responsible for the Mahatma's death? Just one single, but determined, fanatic, the whole ideology of Hindu nationalism, the ruling Congress-led government which failed to protect him, or a vast majority of Indians and their descendants who considered Gandhi irrelevant? Such questions mean that Gandhi, even after his tragic and brutal death, continues to haunt India - perhaps more effectively in his afterlife than when he was alive. The Death and Afterlife of Mahatma Gandhi is a groundbreaking and profound analysis of the assassination of the 'father of the nation' and its after-effects. Paranjape argues that such a catastrophic event during the very birth pangs of a new nation placed a huge burden of Oedipal guilt on Indians, and that this is the reason for the massive repression of the murder in India's political psyche. The enduring influence of Gandhi is analysed, including his

spectral presence in Indian cinema. The book culminates in Paranjape's reading of Gandhi's last six months in Delhi, where, from the very edge of the grave, he wrought what was perhaps his greatest miracle, the saving of Delhi and thus of India itself from internecine bloodshed. This evocative and moving meditation into the meaning of the Mahatma's death will be relevant to scholars of Indian political and cultural history, as well as those with an interest in Gandhi and contemporary India

The Story of My Experiments With Truth Columbia University Press

A collection of words and inspiration by Mahatma Gandhi, one of the 20th Century's most preeminent humanitarians. Featuring an introduction by Archbishop Desmond Tutu.

Gandhi: Selected Political Writings Oxford University Press, USA

The Material of this Autobiography, which Mahatma Gandhi has called The Story of My Experiments with Truth, was first dictated by him in his own mother-tongue to one of his fellow political prisoners during long imprisonment in the years 1922-24. It was afterward continued in a serial form, as a feature of his Gujarati paper, called Navajivan, and translated into English by his intimate friends, Mahadev Desai and Pyarelal Nair, receiving at the same time his own careful revision. Miss Slade, who is known in Mr. Gandhi's Asram as Mirabehn, also assisted in shaping its final English form. The whole series of short chapters has now been published by the Navajivan Press at Ahmedabad in two large volumes, containing over twelve hundred octavo pages. Another book of equal importance has been used, wherein Mahatma Gandhi describes personally his own (Soul-Force) in South Africa, and the translation has been made by Valji Govindji Desai. Its Indian publisher is Mr. S. Ganesan, Triplicane, Madras, India. When we turn to the three volumes and try to gain the clue to Mahatma Gandhi's estimate of human conduct, it will be found to entre in three cardinal virtues, current in all his writings. These are Truth, Loving-kindness, and inner purity. Since this book was compiled and edited the Indian situation has become very grave indeed.

The Moral and Political Writings of Mahatma Gandhi:

Truth and non-violence Lexington Books

"It is only India that knows how to honour greatness in rags" said a friend to me one day as we watched Mahatma Gandhi cleaving his way through the surging enthusiasm of a vast assembly at Lucknow last year. For, surely the sudden appearance of Saint Francis of Assisi in his tattered robe in the fashionable purlieu of London or Milan, Paris or Petrograd to-day were scarcely more disconcerting or incongruous than the presence of this strange man with his bare feet and coarse garments, his tranquil eyes, and calm, kind smile that disclaims even while it acknowledges a homage that emperors cannot buy. But India, though she shifts and enlarges her circumference age after age keeps true to her spiritual center and retains her spiritual vision undimmed and eager to acclaim her saints. Let us not follow the conventional mode of the world and wait for a man to be dead to canonize him; but rather let our critical judgment confirm the unerring instinct of the people that recognize in Mahatma Gandhi a lineal descendant of those great sons of compassion who became the servants of humanity-Gautama Buddha, Chaitanya, Ramanuja, Ramakrishna. He lacks, may be, the breadth and height and ecstasy of their mystical attainment: but he is not less than theirs in his intensity of love, his sincerity of service and a lofty simplicity of life which is the austere flower of renunciation and self-sacrifice." - Mrs. Sarojini Naidu.

Mahatma Gandhi : His Own Story Routledge

Although Gandhi's books were few, his innumerable articles and extensive correspondence eventually filled the pages of his ninety-volume Collected Works, published by the Indian

Government after his death. Drawn from the Collected Works, this second of three volumes presents Gandhi's seminal writings in a coherent and compact form. Volume II, which brings together Gandhi's most important writings on truth, non-violence, and human nature, offers readers a fuller and more discerning appreciation of this great man's contribution to 20th-century thought.

The Collected Works of Mahatma Gandhi: June-Nov. 1926

The Rosen Publishing Group, Inc

Based on the complete edition of his works, this new volume presents Gandhi's most important political writings arranged around the two central themes of his political teachings: satyagraha (the power of non-violence) and swaraj (freedom). Dennis Dalton's general Introduction and headnotes highlight the life of Gandhi, set the readings in historical context, and provide insight into the conceptual framework of Gandhi's political theory. Included are bibliography, glossary, and index.

[The Gift of Anger](#) Dissertations-G

Mahatma Gandhi became famous as the leader of the Indian independence movement, but he called himself "a man of God disguised as a politician." The Way to God demonstrates his enduring significance as a spiritual leader whose ideas offer

insight and solace to seekers of every practice and persuasion. Collecting many of his most significant writings, the book explores the deep religious roots of Gandhi's worldly accomplishments and reveals—in his own words—his intellectual, moral, and spiritual approaches to the divine. First published in India in 1971, the book is based on Gandhi's lifetime experiments with truth and reveals the heart of his teachings. Gandhi's aphoristic power, his ability to sum up complex ideas in a few authoritative strokes, shines through these pages. Individual chapters cover such topics as moral discipline, spiritual practice, spiritual experience, and much more. Gandhi's guiding principles of selflessness, humility, service, active yet nonviolent resistance, and vegetarianism make his writings as timely today as when these writings first appeared. A foreword by Gandhi's grandson Arun and an introduction by Michael Nagler add useful context. From the Trade Paperback edition.

[Mahatma Gandhi, His Life, Writings and Speeches](#) Createspace Independent Publishing Platform

This is the extended edition of Mahatma Gandhi's original and unabridged autobiography titled *The Story of My Experiments with Truth*, completed with a foreword from The Gandhi Research Foundation. *The Story of My Experiments with Truth* is the autobiography of Mohandas K. Gandhi, covering his life from early childhood through to 1921. It was written and published in his journal, *Navjivan* from 1925 to 1929. It was initiated at the insistence of Swami Anand and other close co-workers of Gandhi, who encouraged him to explain the background of his public campaigns. *The Story of My Experiments with Truth* is the personal account of the life of the man who freed India from colonization through the Satyagraha - nonviolent protest - movement. His early boyhood life, legal studies, purification, and ultimate salvation of his homeland is carefully recounted in this inspiring and critical work of insurmountable importance. In 1999, the book was designated as one of the "100 Best Spiritual Books of the 20th Century" by a committee of global spiritual and religious authorities.

Selected Writings of Mahatma Gandhi Enslow Publishing, LLC Ved Mehta's book on Gandhi (1977) is one of the great portraits of the political leader. Travelling the world to talk to Gandhi's family, friends and followers, drawing his daily life in exacting detail, Mehta gives us a nuanced and complex picture of the great man and brings him vividly alive.
