A laird's daughter kidnaps a Highlander—a nd loses her heart... in New York Times bestselling author Lynsay Sands' new historical romance Lady Evina Maclean has heard much about Rory Buchanan's skill as a healer. What she hasn't heard is how

good the brawny Highlander looks bathing in a waterfall. But Evina can't afford the distraction, for her ailing father urgently needs care. Only when she's rendered Buchanan unconscious and dragged him back to her family's castle does the truth emerge—it's not Rory she's kidnapped but his brother Conran. Other ladies try to ensnare Conran with flattery. Evina

hits him over the head with the hilt of her sword to save her kin—and Conran likes the spirited redhead all the more for it. He's learned enough from his brother to heal Evina's father, but there are other dangers swirling around the Maclean clan. And while the beautiful, independent lady has sworn not to marry, this wrong Highlander may be just the right man for her.

complex, Nero stops at nothing to get what he wants in life. But as time passes, even Nero begins to learn the lessons of life. Full color. *Island of a Thousand Springs* Houghton Mifflin Harcourt Bold new paths in life and love are forged in nineteenth-century New Zealand in the stirring final chapter of bestselling author Sarah Lark's multigenerational Fire Blossom Saga.

It's 1880 in the North Island town of Otaki, where Aroha lives contentedly with her mother, Linda- until a fateful tragedy leaves Aroha traumatized and plagued by a cursed guilt. For the long recovery ahead, Aroha is sent to Rata Station, a thriving sheep farm that Aroha's mother and grandmother once called home. Linda knows it's the perfect place for her daughter to heal, find hope, and

start a life she can call her own. On South Island, Aroha soon develops a bond with her relatives, who are looking toward the future, too. Aroha's cousin March is a vivacious, business-minded beauty who wants to take advantage of New Zealand's burgeoning industrial age. Robin is a delicate young man and an aspiring actor as fearful of his father's disapproval as he is desperate to run from it. And then

there's Aroha, who sees unexpected opportunity in the growing tourism trade beyond the continental plains. Through personal trials, professional compromises, great love, profound loss, and a struggle to survive, Aroha, March, and Robin will discover their true destinies. A country is in flux, and a generation of ambitious and resilient young dreamers is changing with it in this exhilarating conclusion to an epic saga.

New Zealand, 1893: William Martyn is better

educated and more cultivated than the other men breaking their backs searching for gold near Queenstown. William is the son of landed Irish nobility, and he comes to town ready to invest in the best equipment. On his search for supplies, he encounters spirited and beautiful young Elaine O'Keefe, who promptly falls in love with him. He is captivated by her charms until Kura, Elaine's half-Maori cousin,

comes to visit. William succumbs at once to Kura's exotic beauty and free-spiritedness, and tension develops not only between the two cousins but also between the colonial settlers and their Maori neighbors. *Neuseeland* Victoria University Press
A spellbinding new novel of contraband masterpieces, tragic love, and the unexpected legacies of forgotten crimes, Ayelet Waldman's

Love and Treasure weaves a tale around the fascinating, true history of the Hungarian Gold Train in the Second World War. In 1945 on the outskirts of Salzburg, victorious American soldiers capture a train filled with unspeakable riches: piles of fine gold watches; mountains of fur coats; crates filled with wedding rings, silver picture frames, family heirlooms, and Shabbat candlesticks

passed down through generations. Jack Wiseman, a tough, smart New York Jew, is the lieutenant charged with guarding this treasure—a responsibility that grows more complicated when he meets Ilona, a fierce, beautiful Hungarian who has lost everything in the ravages of the Holocaust. Seventy years later, amid the shadowy world of art dealers who profit off the sins of previous

generations, Jack gives a necklace to his granddaughter, Natalie Stein, and charges her with searching for an unknown woman—a woman whose portrait and fate come to haunt Natalie, a woman whose secret may help Natalie to understand the guilt her grandfather will take to his grave and to find a way out of the mess she has made of her own life. A story of brilliantly drawn

characters—a suave and shady art historian, a delusive and infatuated Freudian, a family of singing circus dwarfs fallen into the clutches of Josef Mengele, and desperate lovers facing choices that will tear them apart—Love and Treasure is Ayelet Waldman’s finest novel to date: a sad, funny, richly detailed work that poses hard questions about the value of precious things in a

time when life itself has no value, and about the slenderest of chains that can bind us to the griefs and passions of the past. This eBook edition includes a Reading Group Guide. Grissom, THE KITCHEN HOUSE, Alex Haley, ROOTS: THE SAGA OF AN AMERICAN FAMILY, and Sue Monk Kidd, THE INVENTION OF WINGS. *A Hope at the End of the World* Tyndale House Publishers, Inc. Here is the long-forgotten story of Begum Hazrat Mahal, queen of Awadh and the soul of the Indian revolt against the British, brought to vivid life by a writer whose own story reads like a

novel. Begum was an orphan and a poetess who captured the attentions of King Waiid Ali Shah of Awadh and became his fourth wife. As his wife, she incited and led a popular uprising that would eventually prove to be the first step toward Indian independence. Begum was the very incarnation of resistance: as chief of the army and the government in Lucknow, she fought battles on the field for two years; she was a freedom

fighter, a misunderstood mother, and an illicit lover. A remarkable woman who risked everything only to face the greatest betrayal of all. Begum is a fitting subject for Keniz Mourad, whose mother was a Turkish princess and father an Indian Raj. When Mourad's mother moved to Paris in the company of a eunuch and died shortly after, the eunuch entrusted the child to the care of

Catholic nuns. The nuns hid Mourad from her father, not wanting the child to be raised Muslim. Mourad only discovered her true identity and her parents' tragic fate in her twenties. Her story is the subject of an autobiographical novel, *Regards from the Dead Princess*, to be published by Europa in 2015. [Looking for JJ](#) Bloomsbury Publishing 'One of the greatest novels of the Second World War' The

Times 'A remarkable find' Antony Beevor 'A masterpiece' Mail on Sunday Stalingrad, November 1942. Lieutenant Breuer dreams of returning home for Christmas. But he and his fellow German soldiers will spend winter in a frozen hell – as snow, ice and relentless Soviet assaults reduce the once-mighty Sixth Army to a diseased and starving rabble. Breakout at

Stalingrad is a stark and terrifying portrait of the horrors of war, and a profoundly humane depiction of comradeship in adversity. The book itself has an extraordinary story behind it. Its author fought at Stalingrad and was imprisoned by the Soviets. In captivity, he wrote a novel based on his experiences, which the Soviets confiscated before releasing him. Gerlach resorted to

hypnosis to remember his narrative, and in 1957 it was published as *The Forsaken Army*. Fifty-five years later Carsten Gansel, an academic, came across the original manuscript of Gerlach's novel in a Moscow archive. This first translation into English of *Breakout at Stalingrad* includes the story of Gansel's sensational discovery. Stonefish Grand Central Publishing Every family

Die Tränen der Maori-Göttin Little, Brown
 From New York Times bestselling author of All the Wrong Places comes the suspenseful story of a seemingly casual bet among friends gone terrifyingly awry. This is how it starts. With a joke.

Two brothers—Will and Jeff—and their friend Tom are out one night at their favorite South Beach bar and decide to make a bet on who can be the first to seduce a mysterious-looking young woman drinking by herself. Pretty, dark-haired, and blue-eyed Suzy has an innocent, almost ordinary girl-next-door way about her. Little do they know the secrets she's hiding from the outside

world, particularly those having to do with the daily horror she experiences under the watchful eye of her abusive husband. Little do they know she has an agenda of her own. Little do they know their harmless bet is about to take on a life of its own, a life full of deadly consequences for all concerned. Fielding is continually praised for her "heart-pounding" (Booklist) brand of

storytelling, full of "chillingly satisfying	twists" (People). There's certainly no	going back once you've entered The Wild Zone.
