Maggie McCune was born
in India during the last
vestiges of the British Raj.
Her daughter, Emma,
whose passion for Africa

led her to aid work in
Sudan where she fell in
love with and married a
guerrilla commander of
the Sudan People's
Liberation Army, died in a
car accident when only 29
and expecting her first
baby. TILL THE SUN
GROWS COLD weaves
together their stories: the

bereaved mother trying to make sense of her daughter's brief, colourful existence through Emma's writing and diaries, and discovering much about herself as she revisits their shared and separate pasts.

 'A comfortable chair and a Mary Stewart: total heaven. I'd rather read her than most other authors.' Harriet Evans
 The rambling house called Thornyhold is like

something out of a fairy tale. Left to Gilly Ramsey by the cousin whose occasional visits brightened her childhood, the cottage, set deep in a wild wood, has come just in time to save her from a bleak future. With its reputation for magic and its resident black cat, Thornyhold offers Gilly more than just a new home. It offers her a chance to start over. The old house, with its tufts of rosy houseleek and the spreading gilt of the lichens, was beautiful. Even the prisoning hedges

were beautiful, protective with their rusty thorns, their bastions of holly and juniper, and at the corners, like towers, their thick columns of yews. "This classic work on the language, grammar, tales, history, and culture of the Dakota Indians is the result of many years of linguistic study and personal experience spent in Minnesota by Stephen R. Riggs, who arrived as a Presbyterian missionary in 1837 ... In Dakota grammar, Riggs presents three interrelating aspects of language and culture, beginning with a detailed description of the Santee dialect of the Dakota language and its grammar. The texts of the traditional stories ... are

each accompanied by full English translations. Riggs also provides an ethnographic overview of various aspects of Dakota culture and history that enhances the value of the book to all students of Dakota"--Back cover.

After her mother's death in 1857, Leyla's only links with her heritage and family are a letter and her last name—Pemberton. Resolved to seek out her

past, she travels from London to the brooding countryside mansion of Pemberton Hurst. Leyla longs to find a loving family, but more important, she needs to uncover the truth of her past. But the Pembertons seem strangely reluctant to discuss family history, and the house feels smothered by the weight of untold secrets. Increasingly torn between the safety of life with her sophisticated fiancé in London and a new, dangerous love, Leyla is no longer sure where to

turn and whom to trust. Then terror strikes. A murderer roams the corridors of Pemberton Hurst, and Leyla is suddenly thrown into a maelstrom of deceit, madness, and horror. With her life in jeopardy, Leyla must uncover the truth of her past before it destroys her.
