"Did you know that the biggest animal on

Earth, the blue whale, only eats some of

the smallest creatures in the ocean? That

humpback whales sing underwater songs with lots of verses? Or that orcas can live with their families for their whole lives and bowhead whales can live for more than 200 years? The World of Whales explores the special characteristics and reveals mind-blowing facts about these fantastic animals. Join our sub-aquatic expedition through the vast oceans of our planet." -- I'm Not Grumpy! Bright Matter Books Synopsis coming soon.....

The stunning first novel in a new speculative thriller trilogy from the bestselling author of SLATED. Tabby lives a transient life with her mum Cate, never sticking in one place long enough to make friends. Until one day, an accident changes everything. Cate is arrested and Tabby realises her life has been a lie: Cate is not her mother. As she adjusts to her new life, Tabby finds herself drawn to the ocean - the only place she feels happy - and enrolls at a swimming summer school to help her heal. But all is not as it seems. She and her new friends are cut off from the outside world and she's plagued by a repeating symbol of interlocking circles that follows her everywhere. As Tabby begins to learn the truth about what the circles mean, and uncovers the terrible lies she's been told about her past, a final twist awaits her - a secret hidden in her DNA...

Mika's heart is broken, until he sees Leah. A smart, beautiful, and brave girl, Leah has been deaf since birth. When Mika meets her for the first time, he feels

something electric. They cannot communicate much, so Mika decides to take a sign language course. His family and friends are skeptical, and Mika soon grows weary, too. The world of deaf people is so much different than his own. Can their two worlds intersect? There is also Sandra, Mika's ex-girlfriend, who he cannot seem to get over, but Mika cannot shake that Leah has captured his heart. Author Kathrin Schrocke tells the story of two teens and their tender, quirky, and extraordinary love.

One, Two, Three, Me Penguin Random House New Zealand Limited

A library works miracles! Fox thinks he has a little mouse just where he wants him, until Mouse says, "This is not a hunting area, but a library... You can only borrow things here." So begins the hilarity, as Mouse offers the fox a book so that he will get new ideas—besides wanting to eat mice. The new book works! Now Fox is thinking about eating chickens, until Chicken points out that chicken bones are dangerous. But when the chicken eating, fox-hunting-Farmer walks into the library, Fox and Chicken have to think fast and come up with a surprising solution that

just might save them both.

"Magical in every way." - Eoin Colfer, author of *Artemis Fowl* "Fans of Harry Potter or Percy Jackson can add Fionn Boyle as a generous and brave hero from the Emerald Isle." - School Library

Connection Fionn Boyle comes from a long line of brave seafarers, people with the ocean behind their eyes. But he can't help but fear the open sea. For years, Fionn's mother has told him stories of Arranmore Island, a strange place that seems to haunt her. Fionn has always wondered about this mysterious island, and from the day he arrives he starts noticing things that can't be explained. He can sense the island all around him, and it feels like the island is watching him, too. Once in a generation, Arranmore Island chooses a new Storm Keeper to wield its power and keep its magic safe from enemies. The time has come for his grandfather, a secretive and eccentric old man, to step down. But as Fionn and the other descendants of Arranmore's most powerful families fight to become the island's next champion, a more sinister magic is waking up, intent on rekindling a long-ago war and changing Fionn's life and the island's future forever.

"This book presents a unique collection of research studies on French Immersion conducted from the authors' base as a research team in British Columbia, Canada. It serves as an important resource for educators and policymakers interested in the impact of immersion on educational policy, student outcomes, second language curriculum, and teacher education." "Section I documents the authors' experiences in developing a systematic approach to evaluation and assessment of French immersion programs. Section II includes studies on important curricular and instructional considerations for immersion education, and Section III addresses teacher education and professional development, including in-depth case studies of immersion teacher education programs and immersion teachers' perspectives on their role and needs for support and improvement. A final chapter contains concluding comments and future

directions for immersion programs." "Immersion has grown significantly not only in Canada but also worldwide. This collection of research studies will be informative to those involved in intensive second language education internationally."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
