 It's Mother's Day, and T. Rex wants to plan something really special for his mama. He wants to DO something, not just give something. This year, T. Rex has the perfect gift idea that he knows Mama Rex is going to love sooo much. At least, he thinks she will. . . . In this sweet, funny story, Lois G. Grambling and Jack E. Davis demonstrate that sometimes less is more. [Mother's Day is Over](#) Warner Books (NY)
 A little boy offers advice about what not to give a mom on Mother's Day by providing examples of gifts that would be suitable for animal mothers.

Mother's Day Surprise Compendium Publishing & Communications

Sure to become a classic on female empowerment, a groundbreaking exploration of the personal, cultural, and global implications of intergenerational trauma created by patriarchy, how it is passed down from mothers to daughters, and how we can break this destructive cycle. Why do women keep themselves small and quiet? Why do they hold back professionally and personally? What fuels the uncertainty and lack of confidence so many women often feel? In this paradigm-shifting book, leading feminist thinker Bethany Webster identifies the source of women's trauma. She calls it the Mother Wound—the systemic disenfranchisement of women by the patriarchy—and reveals how this cycle is perpetuated by wounded mothers who unconsciously pass on damaging beliefs and behaviors to their

daughters. In her workshops, online courses, and talks, Webster has helped countless women re-examine their lives and their relationships with their mothers, giving them the vocabulary to voice their pain, and encouraging them to share their experiences. In this manifesto and self-help guide, she offers practical tools for identifying the manifestations of the Mother Wound in our daily life and strategies we can use to heal ourselves and prevent our daughters from enduring the same pain. In addition, she offers step-by-step advice on how to reconnect with our inner child, grieve the mother we didn't have, stop people-pleasing, and, ultimately, transform our heartache and anger into healing and self-love. Revealing how women are affected by the Mother Wound, even if they don't personally identify as survivors, *Discovering the Inner Mother* revolutionizes how we view

mother-daughter relationships and gives us the inspiration and guidance we need to improve our lives and ultimately create a more equitable society for all.

Happy Mother's Day! (Sesame Street)

Random House Books for Young Readers

All the myths of a joyful experience are put to rest as Radl tells the "real" side of motherhood. She admits to some good parts, but it is a job you can never resign from, even when the children are grown. Discovering the Inner Mother Open Road Media

Bestselling author/artist Nancy Tillman celebrates the ways in which the love between parents and children is forever. . . . I wanted you more than you'll ever know, so I sent love to follow wherever you go. . . . Love is the greatest gift we have to give our children. It's the one thing they can carry with them each and every day. If love could take shape it might look something like these heartfelt words and images from the inimitable Nancy Tillman. *Wherever You Are* is a book to share with your loved ones, no matter how near or far, young or old, they are.

When Maxine wakes up on the wrong side of the bed one morning, she wonders if the problem might be her mother. What if she could try out a new mom who doesn't make her brush her teeth or comb her hair? Enlisting Mom to help her with the search, Maxine interviews various prospects to be her new mother at the park, the toy store, and the zoo. Unfortunately, these other mothers present a host of new problems and concerns. Maybe her "old mother" was the best mother of all? For every child who's ever wondered if the grass is greener, *The Best Mother* affirms that there's nothing better than your own mother's love.

Mother's Day Penguin

"An amazing resource for anyone who desires to deepen their mother-daughter relationship in a biblical, healthy, and healed way." —Lysa TerKeurst, New York Times bestselling author and president of Proverbs 31 Ministries You can be restored even when your relationship is frayed Ever wonder why mothers and daughters can be so different and even seem to speak different languages? *Mended* gives you conversation starters to speak life into your relationship with your mother or daughter. Discover powerful words that usher in healing for wounded hearts and rebuild, restore, and reconcile your connection. Set new patterns going forward as you... find common ground and put your relationship ahead of your differences learn what to say when you don't know what to say grow closer when you do hard things together If you have a difficult history with your mother or daughter, you don't have to continue patterns of brokenness. No matter how worn you feel, you don't have to become unthreaded. God wants to mend your heart to His and to hers.

"Give your Mom the gift of a memory. Give her the gift of gratitude. Give her the gift of the stories you share, written in your own words. Whether you choose to complete this book in an afternoon or over the course of many days, by the time you're finished, it will be a keepsake a commemoration of her love, her hard work, and everything she means to you."

My Mum HarperCollins

Though one in four pregnancies ends in loss, miscarriage is shrouded in such secrecy and stigma that the woman who experiences it often feels deeply isolated, unsure how to process her grief. Her body seems to have betrayed her. Her confidence in the goodness of God is rattled. Her loved ones don't know what to say. Her heart is broken. She may feel guilty, ashamed, angry, depressed, confused, or alone. With vulnerability and tenderness, Adriel Booker shares her own experience of three consecutive miscarriages, as well as the stories of others. She tackles complex questions about faith and suffering with sensitivity and clarity, inviting women to a place of grace, honesty, and hope in the redemptive purposes of God without offering religious clichés and pat answers. She also shares specific, practical resources, such as ways to help guide children through grief, suggestions for memorializing your baby, and advice on pregnancy after loss, as well as a special section for dads and loved ones.

Happy Mother's Day, Mami! Little, Brown Books for Young Readers

Life gets interesting quickly for Margie Peterson when the stay-at-home mother-turned-private investigator finds her own contact information in a dead transvestite's phone.

All My Love on Mother's Day (Disney) Harper Collins

With such seminal movies as *The Exorcist* and *The French Connection*, Academy Award-winning director William Friedkin secured his place as a great filmmaker. A maverick from the start, Friedkin joined other young directors who ushered in Hollywood's second Golden Age during the 1970s. Now, in his long-awaited memoir, Friedkin provides a candid portrait of an extraordinary life and career. His own success story has the makings of classic American film. He was born in Chicago, the son of Russian immigrants. Immediately after high school, he found work in the mailroom of a local television

station, and patiently worked his way into the directing booth during the heyday of live TV. An award-winning documentary brought him attention as a talented new filmmaker, as well as an advocate for justice, and it caught the eye of producer David L. Wolper, who brought Friedkin to Los Angeles. There he moved from television (one of the last episodes of The Alfred Hitchcock Hour) to film (The Birthday Party, The Boys in the Band), displaying a versatile stylistic range. Released in 1971, The French Connection won five Academy Awards, including Best Picture and Best Director, and two years later, The Exorcist received ten Oscar nominations and catapulted Friedkin's career to stardom. Penned by the director himself, The Friedkin Connection takes listeners on a journey through the numerous chance encounters and unplanned occurrences that led a young man from a poor urban neighborhood to success in one of the most competitive industries and art forms in the world. Written with the narrative drive of one of

his finest films, The Friedkin Connection is a wonderfully engaging look at an artist and an industry that has transformed who we are ? and how we see ourselves.

When God Created Mothers Feiwel & Friends
