 2029-2047 ...The year is 2029, and nothing is as it should be. The  
 very essence of American life, the dollar, is under attack. In a

coordinated move by the rest of the world's governments, the dollar loses all its value. The American President declares that the States will default on all its loans—prices skyrocket,...The Mandibles: A Family, 2029-2047 by Lionel Shriver

The Mandibles: A Family, 2029-2047 is a 2016 novel, the thirteenth by American author Lionel Shriver. It was first published by HarperCollins in the United Kingdom in May 2016 through the company's Borough Press imprint and was published in the United States in June of the same year under their Harper imprint. Synopsis [ edit ]The Mandibles - Wikipedia

Only Florence's oddball teenage son, Willing, an economics autodidact, will save this formerly august American family from the streets.

The Mandibles is about money. Thus it is necessarily about bitterness, rivalry, and selfishness--but also about surreal generosity, sacrifice, and transformative adaptation to changing circumstances.

You either go with guns and cannibals, like pretty much everything written since 'Lucifers Hammer' or you try to give a less 'action movie' apocalypse and deal more with day to day stuff like 'Alas Babylon'.

Book review - The Mandibles: A Family, 2029-2047 | Notes ...It is 2029. The Mandibles have been counting on a sizable fortune filtering down when their 97-year-old patriarch dies. Yet America's soaring national debt has grown so enormous that it can never be repaid. Under siege from an upstart international currency, the dollar is in meltdown.
