[Epic and Romance Essays on Medieval Literature \(Classic Reprint\)](#) London Methuen 1896.

A fascinating look into the lives of women in Renaissance Florence, from the famous to the ordinary. Del Lungo provides a detailed account of the social and political structures that constrained and empowered these women, making this book an important addition to any history buff or Italian culture enthusiast's collection. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. [Children of the Ghetto](#) Boston ; New York ; London : Lamson, Wolffe ; Toronto : Copp, Clark
Pastoral Poetry & Pastoral Drama is an analysis of poems by W. W. Greg. Greg was one of the leading bibliographers and Shakespeare scholars of the 20th century, here presenting poems that idealize country life and the landscape they take place in. Excerpt: "Having at length arrived at what must be regarded as the main subject of this work, it will be my task in the remaining chapters to follow the growth of the pastoral drama in England down to the middle of the seventeenth century, and in so doing to gather up and weave into a connected web the loose threads of my discourse. Taking birth among the upland meadows of Sicily, the pastoral tradition first assumed its conventional garb in imperial Rome, and this it preserved among learned writers after its revival in the dawn of the Italian renaissance. With Arcadia for its local habitation it underwent a rebirth in the opening years of the sixteenth century in Sannazzaro's romance, and again towards the close in the drama of Tasso. It became chivalric in Spain and courtly in France, and finally reached this country in three main streams, the eclogue borrowed by Spenser from

Marot, the romance suggested to Sidney by Montemayor, and the drama imitated by Daniel from Tasso and Guarini. Once here, it blended variously with other influences and with native tradition to produce a body of dramatic work, which, ill-defined, spasmodic and occasional, nevertheless reveals on inspection a certain character of its own, and one moreover not precisely to be paralleled from the literary annals of any other European nation."

Elizabethan Drama Cambridge : University Press

This comprehensive history of English poetry offers a detailed exploration of the evolution of the English poetic tradition from its earliest origins to the Victorian era. Essential reading for literature scholars and poetry enthusiasts. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Excerpt from *Epic and Romance Essays on Medieval Literature* These essays are intended as a general description of some of the principal forms of narrative literature in the Middle Ages, and as a review of some of the more interesting works in each period. It is hardly necessary to say that the conclusion is one in which nothing is concluded, and that whole tracts of literature have been barely touched on - the English metrical romances, the Middle High German poems, the ballads, Northern and Southern - which would require to be considered in any systematic treatment of this part of history. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Shakespeare and Scotland is a timely collection of new essays in which leading scholars on both sides of the Atlantic address a neglected national context for an exemplary body of dramatic work too often viewed within a narrow English milieu or against a broad British backdrop. These essays explore, from a variety of critical perspectives, the playwright's place in Scotland and the place of Scotland in his work. From critical reception to dramatic and cinematic adaptation, the contributors engage with the complexity of Shakespeare's Scotland and Scotland's Shakespeare. The influence of Scotland on Shakespeare's writing, and later on his reception, is set alongside the dramatic effects that Shakespeare's work had on the development of Scottish literature, from the Globe to globalisation, and from Captain Jamy and King James to radical productions at the Citizens' Theatre in Glasgow.

Shakespeare and Scotland Manchester University Press

Shakespeare's Sonnets are as important and vital today as they were when first published four

hundred years ago. Perhaps no collection of verse before or since has so captured the imagination of readers and lovers; certainly no poem has come under such intense critical scrutiny, and presented the reader with such a bewildering number of alternative interpretations. In this illuminating and often irreverent guide, Don Paterson offers a fresh and direct approach to the Sonnets, asking what they can still mean to the twenty-first century reader. In a series of fascinating and highly entertaining commentaries placed alongside the poems themselves, Don Paterson discusses the meaning, technique, hidden structure and feverish narrative of the Sonnets, as well as the difficulties they present for the modern reader. Most importantly, however, he looks at what they tell us about William Shakespeare the lover - and what they might still tell us about ourselves. Full of energetic analysis, plain-English translations and challenging mini-essays on the craft of poetry - not to mention some wild speculation - this approachable handbook to the Sonnets offers an indispensable insight into our greatest Elizabethan writer by one of the leading poets of our own day.

In Archer Mayor's intriguing new Vermont-based mystery, *The Orphan's Guilt*, a straightforward traffic stop snowballs into a homicide investigation after Joe Gunther and his fellow investigators peel back layer upon layer of history and personal heartbreak to learn a decades-old hidden truth. John Rust is arrested for drunk driving by a Vermont state trooper. Looking to find mitigating circumstances, John's lawyer hires private eye Sally Kravitz to look into the recent death of John's younger brother, purportedly from a childhood brain injury years earlier. But what was the nature of that injury, and might its mechanism point more to murder than to natural causes? That debate brings in Joe Gunther and his team. Gunther's efforts quickly uncover an ancient tale of avarice,

betrayal, and vengeance that swirled around the Rust boys growing up. Their parents and the people they consorted with—forgotten, relentless, but now jolted to action by this simple set of circumstances—emerge with a destructive passion. All while the presumably innocent John Rust mysteriously vanishes with no explanation.

"Bishop Blougram's Apology" is a long poem by the English poet Robert Browning. It takes the form of a sermon spoken by Bishop Blougram to his son, Gerald, on the importance of religion in their daily lives. It also powerfully illustrates a sense of duty and morality that is seen as being more valuable than reason.
