I Am Number Four Harper Collins  
In this electrifying one-hundred-

page companion novella to the New York Times bestselling I Am Number Four series, discover what happened to Malcolm Goode after

the Mogadorian invasion began. When the Garde split up, heading off to New York City and Mexico, Malcolm decided to stay behind in

Ashwood Estates, the Mog's formerly hidden base located near Washington DC. He wanted to search the facility for anything that might help John Smith and the others stop the alien invasion. But once the spaceships descended, that plan went up in smoke. Before he gets a chance to come up with a plan B, armed soldiers storm the base. As one of the few humans who knows

anything about Loric and their war with the Mogadorians, Malcolm is an invaluable asset—and they've been tasked with safely escorting him to the president's secret bunker. With Mogs hot on their trail, though, it'll be easier said than done. Luckily, Malcolm has some backup in the form of a Chimæra. But even if he makes it to his destination, will Malcolm be able to help what's left of the

government find a way to defeat the Mogs? Or will he be too late?

*The Revenge of Seven* Harper Collins  
The fourth book of the #1 New York Times bestselling I Am Number Four series!

John Smith—Number Four—thought that things would change once he and Nine reunited with the others. But he was wrong. After facing off with the Mogadorian ruler and almost being killed, the Garde realize they are drastically unprepared. Now they're hiding out in Nine's Chicago penthouse, trying to figure out their next move. Even with the return of an old ally, these

superpowered teens aren't strong enough yet to take on an entire army. To defeat their enemy, the Garde must master their Legacies and learn to work together as a team. And when they receive a sign from Number Five—the last missing member of the Garde—they know they are close to all being together finally. But could it be a trap? Time is running out, and the only thing they know for

certain is that they have to get to Five before the Mogs do. Michael Bay, director of *Transformers*, raved: "Number Four is a hero for this generation." This epic young adult series is perfect for fans of action-packed science fiction like *The Fifth Wave* series by Rick Yancey, *The Maze Runner* series by James Dashner, and Orson Scott Card's *Ender's Game*. The battle for

Earth's survival wages on. Read the rest of the series: #5: *The Revenge of Seven*, #6: *The Fate of Ten*, and #7: *United as One*. Don't miss the first book in the brand-new I Am Number Four spin-off series: *Generation One*. [Letter from Birmingham Jail](#) HarperCollins In this thrilling 144-page companion novella to the New York Times bestselling I Am Number Four series, learn the fate

of Adam—the Mogadorian-turned-ally of the Garde who risked his life to save Sam. Adam helped Sam Goode and his father, Malcolm, escape the Mogadorian base in Dulce, New Mexico. Using the Legacy that One bestowed upon him, Adam sacrificed himself and brought the entire facility crumbling down on his head. Miraculously, Adam survives in one piece, and he also discovers something

incredible that the Mogadorians had been hiding from the Garde. Separated from his allies, Adam sets out on a quest to find the one thing the Garde have been missing all these years, the very thing that could turn the tide in this war. *The Lost Files* HarperCollins In the beginning we were nine. We left when we were very young, almost too young to remember. Almost. And now . . . Three

are gone. We are here to keep our race alive, which was almost entirely obliterated. We're just trying to survive. Six are left. But we are hunted, and the hunters won't stop until they've killed us all. They caught Number One in Malaysia. Number Two in England. And Number Three in Kenya. I am Number Four. I know that I am next. I Am Number Four: The Lost Files: Secret Histories

Harper Collins  
I Am Number Four: The Lost Files: Hidden Enemy is a collection of three action-packed novellas by bestselling author Pittacus Lore. Five's Legacy tells the story of Five's early years on Earth when he was just a young teen on the run, discovering his abilities and making the wrong kind of friends. Return to Paradise picks up in the aftermath of the Mog attack on

Ohio, and follows Mark James as he struggles between returning to a normal life and helping John Smith and the others. Five's Betrayal is the exhilarating continuation of Five's story, in which he joins the Mogadorian ranks and must demonstrate his allegiance to them by helping to destroy the other Lorien survivors. You know the truth about the Mogadorians' invasion of Earth and the

Garde who will do anything to defeat them—yet there is still so much to learn. The stories in *Hidden Enemy* will help you get the answers you seek, but they will not help you stop the coming war. Only the Garde can save our planet. joined forces with Number Six, and they are on the run. But they are not alone. Already John and Six have inspired Marina, Number Seven, who has been hiding in Spain.
