Based on the blockbuster movie starring Meryl Streep and Kevin Bacon. To help heal a marriage on the rocks, river-rafting expert Gail, her husband Tom, and their son embark on a white water adventure in Montana. Along the way, they encounter two inexperienced rafters supposedly looking for their friends downriver. Little do they know that the men are escaped convicts whose bid for freedom has a body

count. Things take a turn when the young family learns that they are now the captives of two armed killers, and it becomes clear that there is much more at stake than a marriage. Desperate to evade both the police and federal marshals, the men force the family down the river and into the mouth of a deadly class 5 white-water rapid. Careening towards mortal peril, Gail and Tom must bond together to save their family from the brutality of nature and the savageness of man. This high-stakes thriller is both a testament to the power of mother nature and a classic adventure story that is perfect for fans of

CJ Box and Craig Johnson. Denis O'Neill, the screenwriter for the movie *The River Wild*, brings the striking beauty of the film into his writing and ratchets up the danger that races forward to a breathtaking conclusion.

100 Ways to Motivate Others Modernista
This book presents a comprehensive study of nearly 100 of Kaaroor's short stories. Kaaroor Neelakanta Pillai is one among the Big Six of the 'new wave' in Malayalam literature which began in the mid-1940s. The Big Six and their immediate followers wrote about the common man, peasants, pavement-dwellers, fishermen, rickshaw-pullers, underpaid school teachers — their lives, aspirations and vulnerabilities. By treating Kaaroor's stories as case studies, the book takes a sociological approach to understanding the representation of a wide array of themes: romantic overtones, erotic pursuits, marital episodes, issues of family, lives of children, behavioural patterns, shades of greed, the idea of spirituality and politics in Malayalam literature. With its annotated transcreation and detailed commentary, this book brings

Kaaroor's works to the general reader, and will be useful to scholars and researchers of South Asian literature, English literature, linguistics, cultural studies, besides those interested in Malayalam literature and the Malayali/Indian diaspora across the world.

He was born a Kshatriya. He became a Brahmarishi. When Satyavati, wife of Rishi Ruchik, exchanges with her mother, Queen Ratna, the magic potion for bearing a child, they change not just their children's destiny, but also the history of mankind. Born of this mix up is Vishwamitra, the son of a Kshatriya, with the qualities of a Brahmin. The duality in his life soon begins to show as he strives to become a Brahmarishi—the ultimate, the most powerful of all Gurus. With the creation of the Gayatri Mantra he begins a tapasya that makes him second to none. He challenges the Gods and shakes the very foundation of the heavens. Vishwamitra is the powerful, riveting story of a brave but stubborn, haughty yet compassionate, visionary king of Aryavarta who not only acquires material

wealth through military conquests but also becomes one of the most well-known sages of all times.

The Train That Had Wings presents modern life in Kerala in terms of a shared but tragically compromised humanity. Mukundan dares to look beneath the routines and facades of everyday life in order to probe depth of sin, greed, and hypocrisy but also to rediscover what brings joy and hope. Sixteen short story translations and a critical introduction, offering examples of Mukundan's realistic, existentialist, psychedelic, and parabolic stories, show his range and talent for the very short story. If Hawthorne wrote "twice told tales," Mukundan writes half-told tales, stories that jump in the middle, stomp around for just a minute, and leap away almost before the reader can settle in. Half-told, but a powerful and infectious half.

NEW YORK TIMES, USA TODAY, and PUBLISHERS WEEKLY BESTSELLER "Full of valuable insights to guide you."—WILL SMITH "Thoughtful and life-affirming . . . a must-read."—TONY ROBBINS "This book will put you back in charge of your own life."—TOM BRADY A new perspective on the overused and misunderstood concept of "karma" that offers the key to happiness and enlightenment, from the world-renowned spiritual master Sadhguru. What is karma? Most people understand karma as a balance sheet of good and bad deeds, virtues and sins. The mechanism that decrees that we cannot evade the consequences of our own actions. In reality, karma has nothing to do with reward and punishment. Karma simply means action: your action, your responsibility. It isn't some external system of crime and punishment, but an internal cycle generated by you.

Accumulation of karma is determined only by your intention and the way you respond

to what is happening to you. Over time, it's possible to become ensnared by your own unconscious patterns of behavior. In Karma, Sadhguru seeks to put you back in the driver's seat, turning you from a terror-struck passenger to a confident driver navigating the course of your own destiny. By living consciously and fully inhabiting each moment, you can free yourself from the cycle. Karma is an exploration and a manual, restoring our understanding of karma to its original potential for freedom and empowerment instead of a source of entanglement. Through Sadhguru's teachings, you will learn how to live intelligently and joyfully in a challenging world.

This Poison Heart Taylor & Francis

Originally written in the First Century, A.D. by Asvaghosha. This may be the oldest known story of the complete life of Buddha, having been written in the first century AD. The author was an educated ecclesiastic Buddhist who traveled throughout India collecting stories and traditions relating to the Buddhas life. He was a famous preacher and musician who then wove them into a Sanskrit poem which he performed musically during his

travels. The people of India delighted in this magical tale whenever it was performed with the choir of musicians who traveled with him. It holds many facts that other biographies or stories of the Buddha don't have, which makes this work so important. The entire epic is preserved in this rare book, long out of print, which may have otherwise been lost to the western world.

**Named One of the New York Post's Best New Books to Read ** FIRE IN THE STRAW is the witty and deeply felt memoir of Nick Lyons, a man with an intrepid desire to

reinvent himself—which he does, over and over. Nick Lyons shape shifts from reluctant student and graduate of the Wharton School, to English Professor, to husband of a fiercely committed painter, to ghost writer, to famous fly fisherman and award-winning author, to father and then grandfather, to Executive Editor at a large book publishing company, and finally to founder and publisher of his own successful independent press.. Written with the same warm and earthy voice that has enthralled tens of thousands of fly-fishing readers, Nick weaves the disparate chapters of his life: from the moment his widowed mother drops him off at a grim boarding school at the age of five, where he spends three lonely and confusing years; to his love of basketball and pride playing for Penn; to the tumultuous period, in the army and after, when he found and was transformed by literature; to his marriage to Mari, his great love and anchor of his life. Suddenly, with a PhD in hand and four children, Nick embarks on a complex and thrilling ride, juggling family, fishing, teaching, writing, and publishing, the wolf always at his door. Against all odds, The Lyons Press survives, his

children prosper, his wife's art flourishes, and his books and articles make him a household name. Fire in the Straw is a love story, a confessional, and a beautiful big-hearted memoir.
