ELLISON VAUGHAN

With Love from Bliss Baker Books

The co-founder and longtime president of Pixar updates and expands his 2014 New York Times bestseller on creative leadership, reflecting on the management principles that built Pixar's singularly successful culture, and on all he learned during the past nine years that allowed Pixar to retain its creative culture while

continuing to evolve. "Might be the most thoughtful management book ever."—Fast Company For nearly thirty years, Pixar has dominated the world of animation, producing such beloved films as the Toy Story trilogy, Finding Nemo, The Incredibles, Up, and WALL-E, which have gone on to set box-office records and garner eighteen Academy Awards. The joyous storytelling, the inventive plots, the emotional authenticity: In some ways, Pixar movies are an object lesson in what creativity really is. Here, Catmull reveals the ideals and techniques that have made

Pixar so widely admired—and so profitable. As a young man, Ed Catmull had a dream: to make the first computer-animated movie. He nurtured that dream as a Ph.D. student, and then forged a partnership with George Lucas that led, indirectly, to his founding Pixar with Steve Jobs and John Lasseter in 1986. Nine years later, Toy Story was released, changing animation forever. The essential ingredient in that movie's success—and in the twenty-five movies that followed—was the unique environment that Catmull and his colleagues built at Pixar, based on

philosophies that protect the creative process and defy convention, such as: • Give a good idea to a mediocre team and they will screw it up. But give a mediocre idea to a great team and they will either fix it or come up with something better. • It's not the manager's job to prevent risks. It's the manager's job to make it safe for others to take them. • The cost of preventing errors is often far greater than the cost of fixing them. • A company's communication structure should not mirror its organizational structure. Everybody should be able to talk to anybody. Creativity, Inc. has been significantly expanded to illuminate the continuing development of the unique culture at Pixar. It features a new introduction, two entirely new chapters, four new chapter postscripts, and changes and updates throughout. Pursuing excellence isn't a one-off assignment but an ongoing, day-in, day-out, full-time job. And Creativity, Inc. explores how it is done.

Artificial Intelligence in Society

Random House

Government at a Glance Southeast Asia 2019 is the first edition in the Government at a Glance series for the region. It

provides the latest available data on public administrations in the 10 ASEAN member countries: Brunei Darussalam, Cambodia, Indonesia, Lao People's Democratic Republic, Malaysia, Myanmar, the Philippines, Singapore, Thailand and Viet Nam.

Turn Northward, Love Johns Hopkins University Press

A moving, candid, and sometimes hilarious account of an American adolescence
Solomon Gursky was Here Dell
The lives of the inhabitants of two towns, Truth and Bright Water, separated by a river running between Montana and an Ottawa Indian reservation, intertwine over the course of a summer as seen through the eyes of two young boys.

The Physiology of Nerve Cells Springer
The artificial intelligence (AI) landscape has evolved significantly from 1950 when Alan Turing first posed the question of whether machines can think. Today, AI is transforming societies and economies. It promises to generate productivity gains, improve well-being and help address global challenges, such as climate change, resource scarcity and health crises.

How I Got Cultured OECD Publishing

Two Scottish women, Mary Morrison and Sophia Galloway, emigrate to Canada for very different reasons. Yet they share a secret that will bind them together for the rest of their lives.

Funeral Games in Honor of Arthur Vincent Lourié Beacon Hill Press

One reckless man . . . One passionate woman. Enter the world of Mary Balogh—the glittering ballrooms and vast country estates of Regency-era England, where romance, with all its mystery, magic, and surprises, comes vibrantly alive. It was a perfect morning in May . . . Neville Wyatt, Earl of Kilbourne, awaited his bride at the altar—when a ragged beggar woman raced down the aisle instead. The cream of the ton saw him stare, shocked, then declare that this was his wife! One night of passion was all he remembered as he beheld Lily, the woman he'd wed, loved, and lost on the battlefield in Portugal. Now he said he'd honor his commitment to her—regardless of the gulf that lay between them. Then Lily spoke her mind . . . She said she wanted only to start a new life—wanted only a husband who truly loved her. She had to leave him to learn how to meet his world on her

terms. So Lily agreed to earn her keep as his aunt's companion and study the genteel arts. Soon she was the toast of the ton, every inch a countess fit for the earl, who vowed to prove to his remarkable wife that what he felt for her was far more than desire, that what he wanted from her was much more than . . . One Night for Love. *Psmith, Journalist* Simon and Schuster Combining a student-friendly presentation with cutting-edge digital resources, LISTENING TO WESTERN MUSIC equips you with the tools to actively listen to and inspire a lifelong appreciation for music. Known for his clear, conversational style, Professor Wright helps you immediately find connections to music by comparing pop and classical music concepts. His text is organized chronologically and discusses musical examples from each era in its social context -- describing the construction and culture of each piece. LISTENING TO WESTERN MUSIC is fully integrated with MindTap to better help you develop your listening skills and maximize your course success. Online resources include interactive exercises, streaming music, Active Listening Guides, chapter and critical thinking quizzes, iAudio

lectures, YouTube videos, Beat the Clock games, and more. You also can download all music directly to a music library. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. The Saxophone Five Star (ME) When Jackie Mittoo and Leroy Sibbles migrated from Jamaica to Toronto in the early 1970s, the musicians brought reggae with them, sparking the flames of one Canada's most vibrant music scenes. In *King Alpha's Song in a Strange Land*, professional reggae musician and scholar Jason Wilson tells the story of how the organic, transnational nature of reggae brought black and white youth together, opening up a cultural dialogue between Jamaican migrants and Canadians along Toronto's ethnic frontlines. This underground subculture rebelled against the status quo, eased the acculturation process, and made bands such as Messenjah and the Sattalites household names for a brief but important time. By looking at Canada's golden age of reggae from the perspective of both Jamaican migrants and white Torontonians, Wilson

reveals the power of music to break through the bonds of race and ease the hardships associated with transnational migration.

Hollywood's Indian OECD Publishing

In *Bittersweet Bliss*, Ruth Glover acquaints readers with two mesmerizing characters and the high emotional stakes on their journeys to find peace and joy. To her fellow townsfolk, Ellie Bonney seems to lead a contented and productive life, keeping house for her father. She is a devoted daughter, loyal friend, and-for the last nine years-steady companion to her patient suitor, Tom. But beneath the surface, Ellie's spirit seethes with an unresolved memory, a secret she wrestles with day and night. Schoolteacher Birdie Wharton has secrets of her own, having fled to the bush from a painful past. In truth, the eserved Birdie longs for love, but who would know this? When a secret admirer begins to send her letters, intrigue sparks Birdie's predictable life. Glover's popular Saskatchewan Saga introduces fiction fans to a warmly-wrought cast of hardy pioneers in the wild parklands of Canada. With her gift for concocting a memorable story, Glover once again keeps

readers glued to the pages with this fifth installment of dramas unfolding in Bliss, Saskatchewan.

Bittersweet Bliss University Press of Kentucky

Worth and Abbie Rooney leave their comfortable big city life for the promise of land and a new life in Saskatchewan at the turn of the century.

A Companion to Asian American Studies
Baker Books

Each novel in Ruth Glover's Saskatchewan Saga is filled with enchanting characters, surprising plots, and fascinating historical detail. Set in the late 1800s, the stories introduce Scottish and English emigrants who bravely journey to the wild Canadian frontier. In *Journey to Bliss*, Glover's third book in the saga, Tierney Caulder loses Robbie Dunbar, the man she loves, when he leaves Scotland for Canada. When Anne Fraser, her best friend, is attacked by a man her family will not fight against, the two girls share their fear of a hopeless future. That is, until the British Women's Emigration Society makes them an offer they can't refuse--freedom and independence working as domestics in the wilds of Canada. On their trip across the

sea, the two young women meet the frail Pearly Chapel, whose faith in God makes her a tower of strength in uncertain times. But will Pearly's prayers be enough to keep them safe? What will happen in their new homes? Will Tierney and Robbie ever be together again?

Mr Playboy National Council of Teachers
The real Hugh Hefner-the extraordinary inside story of an American icon

"Riveting... Watts packs in plenty of gasp-inducing passages."-Newark Star Ledger
"Like it or not, Hugh Hefner has affected all of us, so I treasured learning about how and why in the sober biography."-Chicago Sun Times
"This is a fun book. How could it not be? Watts aims to give a full account of the man, his magazine and their place in social history. Playboy is no longer the cultural force it used to be, but it made a stamp on society."-Associated Press
"In Steven Watts' exhaustive, illuminating biography *Mr. Playboy*, Hefner's ideal for living -- marked by his allegiances to Tarzan, Freud, Pepsi-Cola and jazz -- proves to be a kind of gloss on the Protestant work ethic."-Los Angeles Times
Gorgeous young women in revealing poses; extravagant mansion parties

packed with celebrities; a hot-tub grotto, elegant smoking jackets, and round rotating beds; the hedonistic pursuit of uninhibited sex. Put these images together and a single name springs to mind-Hugh Hefner. From his spectacular launch of Playboy magazine and the dizzying expansion of his leisure empire to his recent television hit *The Girls Next Door*, the publisher has attracted public attention and controversy for decades. But how did a man who is at once socially astute and morally unconventional, part Bill Gates and part Casanova, also evolve into a figure at the forefront of cultural change?In *Mr. Playboy*, historian and biographer Steven Watts argues that, in the process of becoming fabulously wealthy and famous, Hefner has profoundly altered American life and values. Granted unprecedented access to the man and his enterprise, Watts traces Hef's life and career from his midwestern, Methodist upbringing and the first publication of Playboy in 1953 through the turbulent sixties, self-indulgent seventies, reactionary eighties, and traditionalist nineties, up to the present. He reveals that Hefner, from the beginning, believed he

could overturn social norms and take America with him. This fascinating portrait illustrates four ways in which Hefner and Playboy stood at the center of several cultural upheavals that remade the postwar United States. The publisher played a crucial role in the sexual revolution that upended traditional notions of behavior and expectation regarding sex. He emerged as one of the most influential advocates of a rapidly developing consumer culture, flooding Playboy readers with images of material abundance and a leisurely lifestyle. He proved instrumental—with his influential magazine, syndicated television shows, fashionable nightclubs, swanky resorts, and movie and musical projects—in making popular culture into a dominant force in many people's lives. Ironically, Hefner also became a controversial force in the movement for women's rights. Although advocating women's sexual freedom and their liberation from traditional family constraints, the publisher became a whipping boy for feminists who viewed him as a prophet for a new kind of male domination. Throughout, Watts offers singular insights into the real man behind

the flamboyant public persona. He shows Hefner's personal dichotomies—the pleasure seeker and the workaholic, the consort of countless Playmates and the genuine romantic, the family man and the Gatsby-like host of lavish parties at his Chicago and Los Angeles mansions who enjoys well-publicized affairs with numerous Playmates, the fan of life's simple pleasures who hobnobs with the Hollywood elite. Punctuated throughout with descriptions and anecdotes of life at the Playboy Mansions, Mr. Playboy tells the compelling and uniquely American story of how one person with a provocative idea, a finger on the pulse of popular opinion, and a passion for his work altered the course of modern history. Spans from Hefner's childhood to the launch of Playboy magazine and the expansion of the Playboy empire to the present. Puts Hefner's life and work into the cultural context of American life from the mid-twentieth-century onwards. Contains over 50 B/W and color photos, including an actual fold-out centerfold. *Back Roads to Bliss (Saskatchewan Saga Book #6)* Collins Educational DigiCat Publishing presents to you this

In July 2020, the Investment Committee recommended to Council to invite Uruguay to become the 50th adherent to the OECD Declaration on International Investment and Multinational Enterprises. This OECD Investment Policy Review of Uruguay documents the progress made in recent years to align investment policies with the national development strategy in pursuit of the Sustainable Development Goals (SDGs).

Memory Speaks DigiCat

Eleven-year-old Jesse tries to find a way to free his new friend, a 7,000-pound killer whale named Willy, from a miserable

existence as the star attraction at an amusement park.

The Shining Light Cengage Learning

This book is a collection of essays designed for high school and college teachers who want to introduce non-Western and other non-canonical texts into their traditional literature courses. The essays in the book explore the kinds of visions encountered when teachers cluster Western texts with those outside the dominant Western tradition. Papers in the introductory section are: "World Literature in Context" (S. Lawall); "Facing Others, Facing Ourselves" (J. P. Hunter); and "Global Perspectives: A Thematic Approach" (S. W. Lott). Papers in the "Private Worlds" section are: "Colonial Encounters of an Autobiographical Kind: Bringing the Personal Voices of Sean O'Casey and Wole Soyinka to the Literature Classroom" (R. Ayling); "Mariama Ba's 'So Long a Letter' and Alice Walker's 'In Search of Our Mother's Gardens'" (D. Grimes); and "Private Worlds: A Bibliographic Essay" (S. Palmer). Papers in the "Hero's Quest" section are: "Heroic Visions in 'The Bhagavad Gita' and the Western Epic" (M. Foley); "Contending

with the Masculinist Traditions: 'Sundiata's Sogolon and the Wife of Bath" (S. Vance); "Soseki's 'Kokoro': The Voice of the Exile in Quest of a Modern Self" (P. Anderer); and "The Hero's Quest: A Bibliographic Essay" (E. Hughes and C. Gravlee). Papers in the section on "The Individual, the Family, and Society" are: "'The World Was All before Them': Coming of Age in Ngugi wa Thiong'o's 'Weep Not, Child' and Salinger's 'The Catcher in the Rye'" (S. Latham and S. Lott); "Cooper's Indians, Erdrich's Natives Americans" (M. A. McCay); and "The Individual, the Family, and Society: A Bibliographic Essay" (E. H. Rodgers). Papers in the section on "Intertextuality and Cultural Identity" are: "Crossing Cultural Bridges in Search of Drama" (A. Parkin); "Segregation in India: Forster's 'A Passage to India' and Anand's 'Untouchable'" (U. Ahlawat); "'The King Will Come': Laye Camara's Response to Kafka's World Vision" (P. Egejuru); "Carlos Fuentes's Tribute (and Reply) to Ambrose Bierce in 'The Old Gringo'" (E. Espadas); "African American Renderings of Traditional Texts" (N. Lester); "Politics and the Poet in Baraka's 'The Slave': Turning and Turning in Yeat's Gyres" (M. S. G.

Hawkins); and "Intertextuality and Cultural Identity: A Bibliographic Essay" (M. S. G. Hawkins). Papers in the section on "Approaches to Chinua Achebe's 'Things Fall Apart'" are: "Chinua Achebe: The Bicultural Novel and the Ethics of Reading" (B. Henricksen); "If the Shoe Fits: Teaching 'Beowulf' with Achebe's 'Things Fall Apart'" (L. Purdon and J. Wasserman); "An African Turnus: Heroic Response to Colonialism in Vergil's 'Aeneid' and Achebe's 'Things Fall Apart'" (N. McMillan); "The Center Holds: The Resilience of Ibo Culture in 'Things Fall Apart'" (N. Sarr); and "Approaches to 'Things Fall Apart': A Bibliographic Essay" (J. Lott and S. Lott). (RS)

Journey to Bliss Random House

Hannah Vaughn, Dovie Ivey, and the Carrolls are all at a crossroads in their lives that will test their fortitude and faith in God.

Listening to Western Music UBC Press
From an award-winning writer and linguist, a scientific and personal meditation on the phenomenon of language loss and the possibility of renewal. As a child Julie Sedivy left Czechoslovakia for Canada, and English soon took over her life. By early adulthood she spoke Czech rarely and

badly, and when her father died unexpectedly, she lost not only a beloved parent but also her firmest point of connection to her native language. As Sedivy realized, more is at stake here than the loss of language: there is also the loss of identity. Language is an important part of adaptation to a new culture, and immigrants everywhere face pressure to assimilate. Recognizing this tension, Sedivy set out to understand the science of language loss and the potential for renewal. In *Memory Speaks*, she takes on the psychological and social world of multilingualism, exploring the human brain's capacity to learn—and forget—languages at various stages of life. But while studies of multilingual experience provide resources for the teaching and preservation of languages, Sedivy finds that the challenges facing multilingual people are largely political. Countering the widespread view that linguistic pluralism splinters loyalties and communities, Sedivy argues that the struggle to remain connected to an ancestral language and culture is a site of common ground, as people from all backgrounds can recognize the crucial role

of language in forming a sense of self. Distinctive and timely, *Memory Speaks* combines a rich body of psychological research with a moving story at once personal and universally resonant. As citizens debate the merits of bilingual education, as the world's less dominant languages are driven to extinction, and as many people confront the pain of language loss, this is badly needed wisdom.

Global Perspectives on Teaching Literature
Fleming H. Revell Company

Funeral Games in Honor of Arthur Vincent
Lourié explores the varied aesthetic impulses and ever-evolving personal motivations of Russian composer Arthur Lourié. A St. Petersburg native allied with the Futurist movement and profoundly sympathetic to Silver Age decadence, Lourié was swept away by the Revolution; he surfaced as a Communist commissar of music before landing in Europe and America, where his career foundered. Making his way by serving others, he became Stravinsky's right-hand man, Serge Koussevitsky's ghostwriter, and philosopher Jacques Maritain's muse. Lourié left his mark on the poems of Anna

Akhmatova, on the neoclassical aesthetics of Stravinsky, on Eurasianism, and on Maritain's NeoThomist musings about music. Lourié serves as a flawless lens through which aspects of Silver Age Russia, early Bolshevik rule, and the cultural space of exile come into sharper focus. But this interdisciplinary collection of essays, edited by musicologists Klára Móricz and Simon Morrison, also looks at Lourié himself as an artist and intellectual in his own right. Much of the aesthetic and technical discussion concerns his grandly eulogistic opera *The Blackamoor of Peter the Great*, understood as both a belated Symbolist work and as a NeoThomist exercise. Despite the importance Lourié attached to the opera as his masterwork, *Blackamoor* has never been performed, its fate thus serving as an emblem of Lourié's own. Yet even if Lourié seems to have been destined to be but a footnote in the pages of music history, he looms large in studies of emigration and cultural memory. Here Lourié's life, like his last opera, is presented as a meditation on the circumstances and psychology of exile. Ultimately, these essays recover a lost realm of musical and aesthetic

possibilities-a Russia that Lourié, and the world, saw disappear.
