CHARLES FINLEY

Porn- a Love Story Quiver Books

In a tie-in to a one-man show that will be touring the United States in Fall 2010, a comedian offers a charming, funny memoir about first love, denial, sleepwalking and the perils and pitfalls of being ... himself.

We Did Porn: Memoir and Drawings Turner

In one month Jeremy Fink will turn thirteen. But does he have what it takes to be a teenager? He collects mutant candy, he won't venture more than four blocks from his apartment if he can help it, and he definitely doesn't like surprises. On the other hand, his best friend, Lizzy, isn't afraid of anything, even if that might get her into trouble now and then. Jeremy's summer takes an unexpected turn when a mysterious wooden box arrives in the mail. According to the writing on the box, it holds the meaning of life! Jeremy is supposed to open it on his thirteenth birthday. The problem is, the keys are missing, and the box is made so that only the keys will open it without destroying what's inside. Jeremy and Lizzy set off to find the keys, but when one of their efforts

goes very wrong, Jeremy starts to lose hope that he'll ever be able to open the box. But he soon discovers that when you're meeting people named Oswald Oswald and using a private limo to deliver unusual objects to strangers all over the city, there might be other ways of finding out the meaning of life. Lively characters, surprising twists, and thought-provoking ideas make Wendy Mass's latest novel an unforgettable read.

Intimate, Funny, Outrageous, Sexy, Instructional, and Shocking Tell-Alls from the Biggest Names in t Harper Collins

An award-winning, popular actress in the porn industry describes her unusual life and discusses her views on women and sexuality as well as offering an inside look into the porn industry and her relationships with other actors, including her husband.

The Hardest (Working) Man in Showbiz Ed Rosenthal

FLEX YOUR brain power like never before! From acclaimed author Dr. Gary Gruber, whose proven critical-thinking methods have sold more than seven million books, this collection of mind-bending brain teasers is sure to challenge even the most experienced problem solver. Inside are logic puzzles, riddles, maddening math problems, mental games, and more! A ship is twice as old as the ship's boiler was when the ship was as old as the boiler is. The ratio of the boiler's age now to the ship's age

now is what? What English word contains all the vowels, in alphabetical order? What is the three-digit number that can be made from the digits 2, 3, 5, and 7 where no two digits in the three-digit number are alike, and where the three-digit number is a multiple of each of the digits chosen? Stumped? Dr. Gruber reveals the fascinating explanations and detailed strategies for solving even the trickiest problems using his exclusive Gruber Method. **DISCLAIMER:** The brain teasers in this book may get you so wrapped up in critical thinking that you may not be able to do your regular work until you solve them! Any abrupt or gradual increase in creativity, intelligence, or motivation to get a better job suited to your newfound talents is strictly the reader's responsibility. For more than thirty years, Gary R. Gruber, PhD, has been recognized as a leading expert on the SAT, test-taking methods, and critical-thinking skills. His methods have been used by PBS, Sylvan Learning Centers, Grolier's Encyclopedia, and school districts throughout the country. Dr. Gruber's innovative problem-solving strategies make up the heart of the new MyMaxScore's online test prep (www.mymaxscore.com).

I Hope They Serve Beer In Hell St. Martin's Press

From the co-author of the #1 New York Times bestseller *Hamilton: The Revolution*, the stunning story of five American radicals fighting for their ideals as the country goes mad around them "Inspiring and entertaining."—David Brooks, *The New York Times* "It's not difficult to see why [Lin-Manuel] Miranda would have been attracted to [Jeremy] McCarter as a writing partner."—*The Wall Street Journal* "One of the exciting new nonfiction books this summer."—*Time* Where do we find our ideals? What does it mean to live for them—and to risk dying for them? For Americans during World War I, these weren't abstract questions. *Young Radicals* tells the story of five activists, intellectuals and troublemakers who agitated for freedom and equality in the hopeful years before the war, then fought to defend those values in a country pitching into violence and chaos. Based on six years of extensive archival research, Jeremy McCarter's dramatic narrative brings to life the exploits of Randolph Bourne, the bold social critic who strove for a dream of America that was decades ahead of its time; Max Eastman, the charismatic poet-propagandist of Greenwich Village, whose magazine *The Masses* fought the government for the right to oppose the war; Walter Lippmann, a boy wonder of socialism who forged a new path to seize new opportunities; Alice Paul, a suffragist leader who risked everything to win women the right to vote; and John Reed, the swashbuckling journalist and impresario who was an eyewitness to—and a key player in—the Russian Revolution. Each of these figures sensed a moment of unprecedented promise for American life—politically, socially, culturally—and struggled to bring it about, only to see a cataclysmic war and reactionary fervor sweep it away. A century later, we are still fighting for the ideals these five championed: peace, women's rights, economic equality, freedom of speech—all aspects of a vibrant American democracy. The story of their struggles brings new light and fresh inspiration to our own. Praise for *Young Radicals* "In this lively, if at times swooningly earnest, portrait of artists, activists, writers and intellectuals, McCarter chronicles a moment in American history when 'socialism, progressivism, modernism, and feminism all exploded at once.'"—*Newsday* "A brisk pace and sympathetic portraits make for an entertaining, well-researched history of a decade marked by ebullience, hope, and pain."—*Kirkus Reviews* "McCarter's prose is engaging, moving, and, at times, laugh-out-loud funny. Recommended for young radicals today who want to understand past attempts to change the world in the face of repression."—*Library Journal* (starred review)

The Tale of the Honest Bunny HarperCollins Entertainment

With laugh-out-loud funny parenting observations, the New York Times bestselling author and award-winning comedian delivers a book that is perfect for anyone who has ever raised a child, been a child, or refuses to stop acting like one. In 2016 comedian Mike Birbiglia and poet Jennifer Hope Stein took their fourteen-month-old daughter Oona to the Nantucket Film Festival. When the festival director picked them up at the airport she asked Mike if he would perform at the storytelling night. She said, "The theme of the stories is jealousy." Jen quipped, "You're jealous of Oona. You should talk about that." And so Mike began sharing some of his darkest and funniest thoughts about the decision to have a child. Jen and Mike revealed to each other their sides of what had gone down during Jen's pregnancy and that first year with their child. Over the next couple years, these stories evolved into a Broadway show, and the more Mike performed it the more he heard how it resonated—not just with parents but also people who resist all kinds of change. So he pored over his journals, dug deeper, and created this book: *The New One: Painfully True Stories From a Reluctant Dad*. Along with hilarious and poignant stories he has never shared before, these pages are sprinkled with poetry Jen wrote as she navigated the same rocky shores of new parenthood. So here it is. This book is an experiment—sort of like a family.

Dear Fatty Penguin

NATIONAL BESTSELLER "Magnificent." —*The New York Times* * "Beguiling, observant, and howlingly funny." —*San Francisco Chronicle* * "Spectacular." —*Star Tribune* (Minneapolis) * "Full of astonishments." —*The Boston Globe* Susan Orlean—the beloved *New Yorker* staff writer hailed as "a national treasure" by *The Washington Post* and the author of the New York Times bestseller *The Library Book*—gathers a lifetime of musings, meditations, and in-depth profiles about animals. "How we interact with animals has preoccupied philosophers, poets, and naturalists for ages," writes Susan Orlean. Since the age of six, when Orlean wrote and illustrated a book called *Herbert the Near-Sighted Pigeon*, she's been drawn to stories about how we live with animals, and how they abide by us. Now, in *On Animals*, she examines animal-human relationships through the compelling tales she has written over the course of her celebrated career. These stories consider a range of creatures—the household pets we dote on, the animals we raise to end up as meat on our plates, the creatures who could eat us for dinner, the various tamed and untamed animals we share our planet with who are central to human life. In her own backyard, Orlean discovers the delights of keeping chickens. In a different backyard, in New Jersey, she meets a woman who has twenty-three pet tigers—something none of her neighbors knew about until one of the tigers escapes. In Iceland, the world's most famous whale resists the efforts to set him free; in Morocco, the world's hardest-working donkeys find respite at a special clinic. We meet a show dog and a lost dog and a pigeon who knows exactly how to get home. Equal parts delightful and profound, enriched by Orlean's stylish prose and precise research, these stories celebrate the meaningful cross-species connections that grace our collective existence.

Traci Lords: Underneath It All Macmillan

"A humorous behind-the-scenes account of the pornographic film industry, as seen through the eyes of one of its writers."--

Provided by the publisher.

SecondWorld Warner Books (NY)

The crazy ass Swedish porn star strips down about naughty celebrity sex, the best kept industry secrets and how to take control of a pilot's joystick. "My Life As A pornstar" chronicles Puma's life from her horse-obsessed childhood in Sweden to her rise as one of the best known porn stars in the world. The book details Puma's many crazy experiences which include Hollywood

parties, wobbly helicopter sex (as seen on TMZ), drug adventures in Amsterdam, celebrity encounters and all the highs, and lows, of life and love and work in porn's fast lane. It also includes a chapter written by Puma's best friend, Penthouse Pet of the Year Nikki Benz, a "how to make it big in the porn industry" guide, reviews of porn colleges and letters from the fans. "I've already been getting frantic calls from celebs I know, scared I'm going to expose them. I hope they enjoy my book. I hope YOU enjoy my book," said Puma Swede. "I don't know what to think of this book. It's not a normal autobiography, it's certainly not literature. It's a tale where every page is covered with four letter words, swearing and body liquids" (review in Aftonbladet, Sweden's largest national newspaper)

An Instructional and Inspirational Karate Book by the World Champion Penguin

This is the hardback version. The intimate, uncensored erotobiography that is pure-as-Ivory Snow. The sexy girl next door who turned on the world talks openly in detail about her fantasies and what turns her on. Twenty-six pages of personal photos of the star of Behind the Green Door and The Resurrection of Eve. "Marilyn was a legend in porn before her time. She set the gold standard that all other actresses attempted to emulate." - Larry Flynt "Marilyn Chambers was by far a stunningly beautiful woman inside and out. Though I never worked with her on film I did work with her in other ways. She was sweet, engaging, thoughtful to her fans and just a real down to earth woman. I miss her very much." - Seka "With her starring role in Rabid, her Ivory Snow escapade, and her incredibly HOT performances in Adult with her naturally slender, muscular physique, Marilyn rose to fame quickly. She was the only actress in porn that hired her directors, they did not hire her. Marilyn hired you, you did not hire her. She owned her roles and was not hired help." - Ron Jeremy

A Porno Memoir Barnacle Book

This is the hardback version. Golden Goddesses vibrantly casts light upon twenty-five significant women involved in the erotic film industry during its Golden Era, between the years 1968-1985 when participation in adult productions was illegal. Profiling performers, directors, scriptwriters and costumers, Golden Goddesses is a palate of insights, intimacy, vulnerability and strength, as it immerses readers into the lives of these celebrated and audacious females. Featuring the author's own interviews with Marilyn Chambers, Seka, Kay Parker, Rhonda Jo Petty, Serena, Georgina Spelvin, Juliet Anderson, Candida Royale, Sharon Mitchell, Gloria Leonard, Annie Sprinkle, Ann Perry, Jody Maxwell, Barbara Mills, Veronica Hart, Kelly Nichols, Ginger Lynn, Kitten Natividad, Amber Lynn, Laurie Holmes, Christy Canyon, Julia St. Vincent, Roberta Findlay, Nina Hartley and Raven Touchstone, Golden Goddesses also includes film highlights and more than 300 photos. These fascinating women of classic adult film are presented with depth, sensitivity, and historical scope while capturing the quintessence of a rebellious spirit from days gone by.

The Misadventures of a Hollywood Geek Citadel

How does a girl go from being a shy, awkward bookworm to the biggest porn star in the world? In Sinner Takes All, Tera Patrick reveals all, including: her career as an international model; losing her virginity at fourteen to a thirtysomething photographer; learning oral sex techniques backstage at a Guns N' Roses concert; having an orgy with a team of firefighters; her unglamorous job in a nursing home; her first forays into the adult movie business; and how, with her husband's help, she launched her own multimillion-dollar empire. Along the way, she dishes on the emotional side of being Tera Patrick, writing candidly about her battles with depression and anxiety. She also discusses

finding true love and building a healthy marriage, achievements that many consider to be impossible in the world of porn. Featuring hundreds of photos, plus diary pages and scintillating sidebars, Sinner Takes All takes the tell-all to raunchy new heights.

The John Holmes Story Harper Collins

When the world's population is abruptly wiped out by an apocalyptic event predicted by Hitler's scientists seventy years earlier, ex-Navy SEAL Lincoln Miller teams up with a group of survivors to stop a brutal neo-Nazi repopulation plot.

Porn King BearManor Bare

The Ables, set in a world of secret superheroes who protect the world unknowingly, follows a Phillip, 12-year-old boy who finds out he has the power of telekinesis and is also blind. He is ecstatic to attend super hero school until he learns he has been placed in a special class for disabled kids with powers. Now, Philip and his friends -The Ables- must overcome more than villains in order to maximize their powers and identify the growing evil threatening humanity. The Ables is a fast-paced, captivating debut novel from Jeremy Scott, a bold new voice in fantasy and sci-fi, and already a widely popular storyteller as co-creator and narrator of CinemaSins, a YouTube channel that has amassed more than 8 million subscribers.

Fast Forward Ron JeremyThe Hardest (Working) Man in Showbiz Howard Stern's Highest Rated and Favorite Adult Film Star Guest with a record 19 appearances on his Radio Show! "We're talking about creating a brand-name from nothing, and where it normally takes years and years and years, within a year and a half Jasmin was a known brand name in porn." - CHARLIE FRY, FORMER MANAGER "Love her or hate her, there is only one Jasmin." - TOP50PORNSTARS.COM "Within the porn community especially, Jasmin will always hold a certain distinct notoriety. Jasmin was very smart with the gang-bang, because she was the first one to make it a career move. She saw how it had put Annabelle Chong into the lime light, and Jasmin did her own gangbang in a much more calculating way to launch herself into stardom - from the advertising to all the press she got out of it, because of the crowd that was there to witness it, to everything else it led to for her professionally. So everyone that went after her more or less followed the Jasmin St. Claire guidelines and technique, and the model she had set. What made Jasmin so special - and always will-is that when she did anything, whether it be porn, or wrestling, or whatever else, she stands out." - RON JEREMY "She's one of the most beautiful women I've ever seen. Obviously she's talented enough to succeed outside of porn, she had her wrestling career, and I think could have done anything she wanted." - MOTORHEAD FRONTMAN LEMMY KILMISTER

Jeremy Fink and the Meaning of Life Harper Collins

If Chins Could Kill: Confessions of a B Movie Actor Here we are together in the digital universe. Somehow, you've clicked yourself to this page. If you came here of your own free will and desire, you and I are going to get along just fine. Life is full of choices. Right now, yours is whether or not to download the autobiography of a mid-grade, kind of hammy actor. Am I supposed to know this guy? you think to yourself. No-and that's exactly the point. You can download a terabyte of books about famous actors and their high-falootin' shenanigans. I don't want to be a spoilsport, but we've all been down that road before. Scroll down to that Judy Garland biography. You know plenty about her already-great voice, troubled life. Scroll down a little further to the Charlton Heston book. Same deal. You know his story too-great voice, troubled toupee. The truth is that though you might not have a clue who I am-unless you watch cable very late at night-there are countless working stiffs like me out there, grinding away every day at the wheel of fortune. If Chins Could

Kill: Confessions of a B Movie Actor documents my time in blue-collar Hollywood, where movies are cheap, the hours are long, and the filmmaking process can be very personal. To keep up with the times, I've digitized Chins. It was originally published in hardcover/analog fifteen years ago, which is a vast amount of time in the evolution of books and technology, and it was time to get current. The advance of technology is great for a book like this, which is jammed full of pictures. When it came out originally, the photographs all had to be black and white and moderately sized on the page. Now, any photo that was originally taken in color can strut its stuff. Overall, the resolution of the images is off-the-charts better than the first go-around. This is one "sequel" that I'm happy to be a part of, since we could make so many technical improvements. The process was very similar to restoring an old movie. Since I knew that it was going to be reissued, I also had a look at the story being told and decided to condense, move, or clarify some chapters, all or in part. I also tried to add a hint of historical context, since it has been a decade and a half since Chins first came out. I hope you enjoy it. Regards, Bruce Campbell

John Holmes: A Life Measured in Inches (NEW 2nd EDITION)

Simon and Schuster

The true-life and deeply satiric odyssey of a punk-rock dropout turned porn empire overlord....

The Hardest Working Man in Showbiz Manic d Press

A hilarious and heartwarming memoir from one of Britain's best-loved comedians and Women's Prize longlisted author, Dawn French. Dawn French is one of the greatest comedy actresses of our time with a career that has spanned nearly four decades. Loved for her irreverent humour, Dawn has achieved massive mainstream success while

continuing to push boundaries and challenge stereotypes. Here, she describes the journey that would eventually establish her as a perhaps unlikely, but nevertheless genuine, national treasure. As part of the much loved duo French and Saunders, Dawn helped create a repertoire of brilliantly observed characters, impersonating everything from Madonna and Harry Potter to The Exorcist. Dawn's iconic role in the Vicar of Dibley showcased not only her talent but also her ability to take a controversial and topical issue and make it mainstream - and very funny. From her early years as an RAF child and her flat-sharing antics with Jennifer Saunders, to her outspoken views on sizism and her marriage to Lenny Henry, *Dear Fatty* chronicles the extraordinary and hilarious rise of a complex, dynamic and unstoppable woman.

Girlvert Bearmanor Adult

The moving, gripping, and tell-all autobiography of Traci Elizabeth Lords, a former child porn queen, electronica maven, and cult movie and TV star. At 14, Nora Kuzma ran away from home and ended up on the dirty streets of Hollywood. She fell in with a fast crowd, and her dreams of modelling soon landed her a spectacular centrefold in Penthouse Magazine, where at 15 she became internationally known as TRACI LORDS. From there she appeared in numerous adult films and magazines, denying her past and battling a deep addiction to cocaine and men. Three years later she got out. This is her memoir—a tale of loss, redemption, and ultimate survival as Traci Elizabeth Lords takes you into her secretive past, faces her demons, and shares her extraordinary journey of personal growth.
