Night is falling, bedtime is looming and
playtime is nearly over . . . but brave
King Jack is more than a match for
dragons and terrible beasties. This
magical make-believe adventure,
illustrated by picture book star Helen
Oxenbury, is the perfect bedtime tale for
little boys and brave children

everywhere.

The Books of Earthsea Pascual El
Dragón Descubre El

A New York Times Bestselling series
“Hilarious and charming. The most
lovable duo since Frog and Toad.” —NYT-
bestselling creator of the Dog Man and
Captain Underpants series, Dav Pilkey
Narwhal and Jelly are back in action for a
SUPER adventure! Join Super Narwhal
and sidekick Jelly Jolt as they take on
three SUPER new stories in this early
graphic novel series. Happy-go-lucky

Narwhal and no-nonsense Jelly find their inner superheroes in three new under-the-sea adventures. In the first story, Narwhal's superhero alter-ego is revealed, and Narwhal enlists Jelly to help figure out what their superpower is. Next, Narwhal helps a friend find his way back home. In the third story, Jelly is feeling blue and Narwhal comes to the rescue. Ben Clanton showcases the joys of friendship and the power of believing in yourself and others through this irresistible duo.

The Tarot of Durer Clavis

A powerful introduction to forced disappearances for readers 10 and up, with text in both English and Spanish. By a closed door, a child waits for his uncle, who is coming to stay. As he waits, he imagines all the fun things they'll do

when he arrives: his uncle can teach him how to block a penalty shot and the boy can show him how well he is doing in school. But his uncle never arrives. Page by page, the boy grows older sitting in the same position, waiting to show his uncle his degree, his son, and eventually, his granddaughter. And still, his uncle does not come. With short, impactful text, *My Uncle Is Coming Tomorrow* is dedicated to the forcibly disappeared who were never able to come home, and depicts the devastating impact on their loved ones who are left behind. An excellent resource for learning about the history of forced disappearances, this gentle but effective book includes an afterword that explains the act of "disappearing people" how it developed over the course of the

twentieth century as a tool of political terror, and how people continue to be disappeared today.

999 Tadpoles Tundra Books

In this deck of intense grace and powerful beauty, Gaudenzi pays tribute to the amazing style and skill of 16th century painter Albrecht Durer. By combining the symbolism of the Tarot with style of the Northern Renaissance, we get a refreshing representation of the Tarot archetypes. Gaudenzi does not slavishly copy Durer's style; his use of bright yet delicate colors ensures that the finished product will be pleasing to contemporary eyes. In addition to being faithful to traditional Tarot meanings, Gaudenzi incorporates an animal in each card, each one providing a symbolic message.

Revelation Orion

John Ratey, bestselling author and clinical professor of psychiatry at Harvard Medical School, lucidly explains the human brain's workings, and paves the way for a better understanding of how the brain affects who we are. Ratey provides insight into the basic structure and chemistry of the brain, and demonstrates how its systems shape our perceptions, emotions, and behavior. By giving us a greater understanding of how the brain responds to the guidance of its user, he provides us with knowledge that can enable us to improve our lives. In *A User's Guide to the Brain*, Ratey clearly and succinctly surveys what scientists now know about the brain and how we use it. He looks at the brain as a malleable organ capable of improvement

and change, like any muscle, and examines the way specific motor functions might be applied to overcome neural disorders ranging from everyday shyness to autism. Drawing on examples from his practice and from everyday life, Ratey illustrates that the most important lesson we can learn about our brains is how to use them to their maximum potential.

Where Snowflakes Fall Tundra Books

Diez emociones, diez EMIS para ayudarnos a entenderlas. Y por supuesto nuestro detective favorito: ¡El Inspector Drilo! Él nos ayudará a utilizar el EMOCIONÓMETRO que nosotros mismos podremos fabricar para hacer girar la rueda de las emociones. Y saber qué sentimos.

El Dragón que solo sabía escupir agua

Pascual El Dragón Descubre El To All the Boys I've Loved Before meets The Farewell in this incisive romantic comedy about a college student who hires a fake boyfriend to appease her traditional Taiwanese parents, to disastrous results, from the acclaimed author of American Panda. Chloe Wang is nervous to introduce her parents to her boyfriend, because the truth is, she hasn't met him yet either. She hired him from Rent for Your 'Rents, a company specializing in providing fake boyfriends trained to impress even the most traditional Asian parents. Drew Chan's passion is art, but after his parents cut him off for dropping out of college to pursue his dreams, he became a Rent for Your 'Rents employee to keep a roof over his head. Luckily, learning protocols

like “Type C parents prefer quiet, kind, zero-PDA gestures” comes naturally to him. When Chloe rents Drew, the mission is simple: convince her parents fake Drew is worthy of their approval so they'll stop pressuring her to accept a proposal from Hongbo, the wealthiest (and slimiest) young bachelor in their tight-knit Asian American community. But when Chloe starts to fall for the real Drew—who, unlike his fake persona, is definitely not 'rent-worthy—her carefully curated life begins to unravel. Can she figure out what she wants before she loses everything?

The Spiritual Exercises of Saint Ignatius of Loyola Houghton Mifflin Harcourt
Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai's first picture book, inspired by

her own childhood. Malala's first picture book will inspire young readers everywhere to find the magic all around them. As a child in Pakistan, Malala made a wish for a magic pencil. She would use it to make everyone happy, to erase the smell of garbage from her city, to sleep an extra hour in the morning. But as she grew older, Malala saw that there were more important things to wish for. She saw a world that needed fixing. And even if she never found a magic pencil, Malala realized that she could still work hard every day to make her wishes come true. This beautifully illustrated volume tells Malala's story for a younger audience and shows them the worldview that allowed Malala to hold on to hope even in the most difficult of times. "This is a wonderful read for

younger students that will also provide insight and encourage discussion about the wider world. ... The simplicity of Yousafzai's writing and the powerful message she sends, make this book inspirational for all." -- School Library Journal

Pascual El Dragón Descubre Asia

Wednesday Books

Libro infantil recomendado de 5 a 7 años, en letra ligada. Se puede utilizar para explicar los efectos del cambio climático a los niños. This volume presents an integrated epidemiologic, social, and economic analysis of the global epidemics of HIV among sex workers in low- and middle-income countries. The book provides a comprehensive review and synthesis of the available public health and social science data to characterize the nature, scope, and complexities of these epidemics. A community empowerment-based approach to HIV prevention, treatment, and care is outlined and demonstrated to be cost-effective across multiple settings, with a significant projected impact on HIV incidence among sex workers and transmission dynamics overall. The Global HIV

Epidemics among Sex Workers seeks to assist governments, public health implementing agencies, donors, and sex worker communities to better understand and respond to the epidemics among a population facing heightened social and structural vulnerabilities to HIV. The book combines a systematic review of the global epidemiology of HIV among sex workers and in-depth case studies of the epidemiology, policy and programmatic responses and surrounding social contexts for HIV prevention, care and treatment in eight countries. The authors employ mathematical modeling and cost-effectiveness analysis to assess the potential country-level impact of a community empowerment-based approach to HIV prevention, treatment,

and care among sex workers when taken to scale in four countries representing diverse sociopolitical contexts and HIV epidemics: Brazil, Kenya, Thailand, and Ukraine. In each setting, greater investment in prevention, treatment, and care for sex workers is shown to significantly reduce HIV. Together these findings underline the urgency of further global investment in comprehensive, human rights-based responses to HIV among sex workers.

Malala's Magic Pencil Pascual El Dragón Descubre El

Libro infantil recomendado de 3 a 6 años, en letra ligada. Se puede utilizar para explicar los efectos del plástico en el planeta y animar a formar parte de la solución. Pascual el dragón viaja a colección de libros en letra ligada «

Pascual El Dragón Descubre El

Nine year-old Sophie Scott embarks on a month-long mission to Antarctica with her father aboard an icebreaker and documents her adventure in the iceberg-strewn seas in a diary she fills with notes about the area's natural wonders.

15,000 first printing.

Simba the Lion Lo Scarabeo

Celebrating the 50th anniversary of the timeless and beloved A Wizard of Earthsea - '...reads like the retelling of a tale first told centuries ago' (David Mitchell) - comes this complete omnibus edition of the entire Earthsea chronicles, including over fifty illustrations illuminating Le Guin's vision of her classic saga. Contains the short story, 'The Daughter of Odren', published in print for the first time, and her last story 'Firelight'. Ursula K. Le Guin's Earthsea novels are some of the most acclaimed and awarded works in literature-they have received prestigious accolades such as the National Book Award, a Newbery Honor, the Nebula Award, and many more honors, commemorating their enduring place in the hearts and minds of readers and the literary world

alike. Now for the first time ever, they're all together in one volume-including the early short stories, Le Guin's "Earthsea Revisioned" Oxford lecture, and new Earthsea stories, never before printed. With a new introduction by Le Guin herself, this essential edition will also include over fifty illustrations by renowned artist Charles Vess, specially commissioned and selected by Le Guin, to bring her refined vision of Earthsea and its people to life in a totally new way. Stories include: 'A Wizard of Earthsea', 'The Tombs of Atuan', 'The Farthest Shore', 'Tehanu', 'Tales From Earthsea', 'The Other Wind', 'The Rule of Names', 'The Word of Unbinding', 'The Daughter of Odren', and 'Earthsea Revisioned: A Lecture at Oxford University' With stories as perennial and

universally beloved as *The Chronicles of Narnia* and *The Lord of The Rings*-but also unlike anything but themselves-this edition is perfect for those new to the world of Earthsea, as well as those who are well-acquainted with its enchanting magic: to know Earthsea is to love it. - 1,008 pages - 56 illustrations (including seven lavishly coloured plate sections) - maps of Earthsea - stunningly beautiful endpapers - Six novels - 4 short stories - An essay

Caesar Or Nothing New Directions Publishing

Kalak lives with his family in a part of the world where the nests are old, the roofs are all damaged, the earth is dry, and there is never enough food. One day, they decide to leave everything behind, and fly off to a new part of the world...

descubre América •Pascual el dragón descubre África •Pascual el dragón descubre Oceanía •Pascual el dragón descubre Europa La colección incrementa el nivel de complejidad de la historia en cada título, siendo la Antártida el título más sencillo y Europa el más complejo.

Pascual el Dragón Descubre América NubeOcho

New York Times bestselling authors Roshani Chokshi, Evelyn Skye, and Sandhya Menon craft a spellbinding novel about discovering the magic of true love on one fateful, magical night in Three Kisses, One Midnight. The town of Moon Ridge was founded 400 years ago and everyone born and raised there knows the legend of the young woman who perished at the stroke of twelve that

very same night, losing the life she was set to embark on with her dearest love. Every century since, one day a year, the Lady of Moon Ridge descends from the stars to walk among the townsfolk, conjuring an aura upon those willing to follow their hearts' desires. "To summon joy and love in another's soul For a connection that makes two people whole For laughter and a smile that one can never miss Sealed before midnight with a truehearted kiss." This year at Moon Ridge High, a group of friends known as The Coven will weave art, science, and magic during a masquerade ball unlike any other. Onny, True, and Ash believe everything is in alignment to bring them the affection, acceptance, and healing that can only come from romance—with a little help from Onny's grandmother's

love potion. But nothing is as simple as it first seems. And as midnight approaches, The Coven learn that it will take more than a spell to recognize those who offer their love and to embrace all the magic that follows.
