Best Ever Baby Tips J.A. Wright  
Following the violent death of his father, Gershwin Burr descends into a seemingly inescapable depression until, not-so-accidentally, he discovers a remedy for his condition: he steals a book and finds his mood has lightened. Before long, he's stealing indiscriminately while refining his skills as a professional thief and amassing a small fortune. Despite mounting pressure from his wife to go straight and

from his own tortured conscience, he can't find the desire or motivation to change. Uncertain about how to proceed, the matter is taken out of his hands when his secret is betrayed by someone whose identity is a mystery to him. Arrested, charged, convicted and jailed, his search for repentance and for the identity of the person responsible for his demise, leave him in a state of perpetual unrest. That is, until the final day of his sentence, when the answers he's been seeking are at last revealed to him. Beautifully written and evocative, this novel contrasts the reverberations of trauma with long-held, often misguided,

notions of who is, and is not, worthy of redemption.

A collection of three novels by Brian Prousky, now available in one volume! Auden Triller (Is A Killer): Simon and Auden Triller are twins with vastly different lives. Simon is accomplished, popular, and devoted to his unappreciative brother. Auden, on the other hand, wants nothing more than a simple life free from comparisons to his twin. As Auden's solitude leads to insanity, he loses his grip on reality, and his actions threaten to sever his bond with Simon just when he needs him most. God Might Forgive Gershwin Burr:

After his father's death, Gershwin Burr turns to stealing books as a remedy for his depression, but his thievery spirals out of control. Despite his wife's pleas to stop, he can't bring himself to quit until he's betrayed and arrested. Imprisoned and tormented by guilt, Gershwin seeks redemption and the identity of his betrayer in this beautifully written novel about trauma and redemption. *The Anna Geller Invention*: A young poet named Harvey Painter is visited by a fan named Anna Geller, who gives him a single poem before disappearing. Thirty years later, an investigative reporter discovers that Anna has secretly given her poems to people around the world, turning her into a literary sensation. Harvey is swept up in the frenzy and becomes infamous when his poem is stolen. This novel is a

tribute to poetry and a critique of celebrity culture.

The earth is being destroyed, and the mortal population decimated, all in an attempt for the old gods to become relevant again. Eons ago, Zeus and the gods captured the four demi-gods of the elements—air, earth, fire and water. Now the minor gods have been let loose and are being forced to wreak havoc on the planet. Meris, half-god of the water, doesn't enjoy throwing tsunamis and flooding coastal towns and villages, destroying islands and taking lives, but he and his brothers must do as they're told or risk being imprisoned again, possibly forever. Which none of them would survive a second time. The life of

a teacher isn't full of glamour and world travels, so when offered a free trip to Hawaii in exchange for Maid of Honor duties for her best friend, Roby McDaniel jumps at the chance. What was supposed to be an elegant dinner cruise full of wine and fine dining quickly ends in tragedy when a giant wave appears from out of nowhere and capsizes the boat. Roby manages to stay afloat, unable to comprehend the destruction happening in front of her eyes, but the giant rising out of the ocean? That she really has trouble wrapping her head around. Normally unseen by mortals unless he wills it, Meris is surprised when Roby calls out to him, and he cannot turn his back on the mortal begging to be saved. She's beautiful, brave, special, and meant for him. But after causing the

deaths of her friends, can he convince her he's not the heartless monster she thinks he is? With Poseidon missing, the remaining gods are biding their time until they can trap the Primordials again, but now they need to locate the god of the sea. They are certain that capturing and torturing the mortal women Meris and his brothers are protecting will give them the answers they seek.

The Lost Night Linda Mooney

For readers of Jodi Picoult, Heather Gudenkauf, and Elizabeth Flock comes a novel of secrets and suspense that challenges the ties that bind—while reigniting the hope of enduring love. Lainey Hollingsworth is the anchor in her home. In addition to managing her husband’s writing career, she oversees the daily operations of a chaotic family:

a rebellious teenage daughter, a stepson who blames her for ruining his life, and an adoptive father afflicted with Alzheimer’s. Lainey always had a volatile relationship with her mother, who never revealed the truth about Lainey’s biological father, or the reason she fled Italy for England when Lainey was an infant. As Lainey plans a trip to her mother’s homeland in search of answers, the familiar rhythm of life implodes when she receives a cryptic text message: Ask your husband about Julia. Suddenly caught between the ghosts of her past and a frighteningly unpredictable future, Lainey must face choices no woman would ever want to make.

Private investigator Harry Carson,54, and Nick Parker,29, hit it off from the very first time they met in spite of the gap in their ages. Parker, a former PM in the army, needed a job. Carson doubled the size of his detective agency when he made him a partner, feeling good about being the younger man's mentor, mainly in professional matters and occasionally also about woman issues, something the more experienced older man should know more about. But, you're never too old to screw up. Nick Parker comes to work one morning and finds a message

for his partner and mentor on the front porch. Carson's former lover is seated, back against the wall beside the front door, a bullet in her forehead and one in each knee. She was sexy and 30 younger than the 54 year old detective. She was also married to a mobster with a psychopathic father. From the beginning Carson knew their affair would not end well. Burying a dead body was just the beginning. Keywords: Murder, Affair, Adultery, Psychopath, Mafia, Kidnap, Justice, Bunglers, Detectives, Violence

Do the Spirits Speak to You? Nineteen-year-old Rory Fisher is all but orphaned and alone in the world. Her only remaining loved one is her Yavapai grandfather, a once proud Indian, who is stricken with a diseased mind and confined to a nursing home in Twin Falls, Idaho. In a rare moment of clarity the old

Yavapai suddenly informs his granddaughter that the Spirits have spoken to him and the message is clear. She must leave immediately, on this very day, back to the land of his people in the red-walled canyons of Arizona. The true purpose of the journey remains a mystery as Rory embarks on her quest to a place called Vortex Canyon, located in the wilderness just north of Sedona. She travels with only the promise of her grandfather; the promise that his Spirits will guide and protect her. But will the Spirits speak to Rory, a Caucasian girl adopted by an Indian family, and not of true Yavapai blood? Was the training her grandfather gave her as a child enough to reach out to the Spirit World in adulthood? Only Rory's Story will tell...

Jake and Chelsea's complete story is now available in one volume. Author's note: This collection contains the three novellas that make up Jake and Chelsea's story arc. If you've read *Isolated*, *Imperiled*, and *Entwined*, skip this one—you've already read it. If you haven't, read on! *Isolated Outfitter* Chelsea Bishop understands the Shenandoah Wilderness. She appreciates its beauty and its danger. So when a client and his guide vanish during a backcountry camping and rafting expedition, she knows she'll need an expert's help to find them ... just so long as that expert is anyone other than Jake West, the man who broke her heart a decade ago. Jake West sacrificed his personal happiness for the greater good a long time ago. The former pararescue

specialist lives to save others, and he's damn good at it, too. When the only woman he's ever loved walks into Potomac Private Services, he refuses to assign the matter to anyone else. Jake and Chelsea plunge into the wilderness together to find the missing men and land smack in the middle of a criminal conspiracy. When a storm rolls in, they're cut off from the outside world and in danger from ruthless criminals, the harsh landscape, and, maybe most of all, the memory of the passion they once shared. Imperiled Jake's long-buried feelings for Chelsea bubbled to the surface when they were trapped in the woods together, and, in the moment, she felt the same. But now that they're back to their ordinary lives, she wants to take things slowly. He'll proceed at any

speed she wants. The problem is, Chelsea's not returning his calls. She's not returning any calls, because she's been abducted. What Jake and Chelsea found in the woods stirred a hornet's nest, and now she's in grave danger. While Jake's trusted team and Chelsea's closest friends hunt for her, Chelsea plays a high-stakes game with her captor to stay alive. Entwined Chelsea survived abduction, hypothermia, and an attempt on her life. But the knowledge that she's still in danger haunts her. Jake is determined to protect her at all costs. Her abductor's behind bars, but she holds the key to a four-million-dollar puzzle, and there are people who will stop at nothing to get it. Jake promises Chelsea he'll stay by her side no matter what. But when he gets a lead, he has to

choose between honoring his commitment or hunting down the people who threaten her. Will he be forced to sacrifice their happiness to keep her safe?

Once he was known as the angel Remiel, but generations ago, Boston PI Remy Chandler chose to renounce Heaven and live on Earth, where he found a secure place among ordinary humans.... Remy Chandler has found a new love—and his best human friend is reluctantly coming to grips with Remy’s “unusual” abilities. He’s finally reached a kind of peace between his true angelic nature and the human persona he created for himself so long ago. But Heaven and the Legions of the Fallen still stand on the brink of war.

When one of Heaven’s greatest generals is murdered, it falls to Remy to discover who—or what—might be responsible, which could trigger a final conflict that would consume the Earth. The deeper he digs, the further he goes into a dark world of demonic assassins, secret brothels, and things unsettling even to a being who has lived for eternity. But it is not in his nature—angelic or human—to quit, no matter the personal price....
