A revived faith starts with a revived prayer life. This book will help you develop the faith and prayer life that God desires for you. What if your communication with God became as vibrant as the interaction between you and your best friend? What if God literally responded to your praise, your worship, and your requests? This is absolutely God's will for your prayer life! For many, prayer is only a matter of blessing their food, asking for help during a crisis, or whispering a need when they feel they are at the end of their rope. Unfortunately, this barely scratches the surface of the prayer life God wants to share with us. In *Prayer That Changes Everything*, Mary Colbert unpacks five principles to revolutionize readers' faith and help them experience the full dimension of the

relationship they can have with God through prayer. She challenges readers to: Recognize that faith is alive and must be in action Live with a faith that excites God Realize that faith is the substance of all things See the thing they want God to do as done and begin to praise Him for it; and know that love is the fuel Whether a new believer or a longtime Christian, each reader will find accessible, fresh insights into prayer and practical wisdom that will revitalize his or her prayer life and transform his or her relationship with God.

New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would

abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

#### *Hidden Power* Simon and Schuster

Chris Grosso invites us to sit in on conversations with beloved luminaries and bestselling authors such as Ram Dass, Lissa Rankin, Noah Levine, Gabor Mate, and Sharon Salzberg to discover why people return to self-defeating behaviors—drugs, alcohol, unhealthy eating, sex, media—and how they can recover, heal, and thrive. In his recovery from drugs and alcohol, Chris Grosso has stumbled, staggered, and started all over again. In an effort to understand why he relapses, and why many of us return to the myriad of other self-defeating behaviors despite our better judgment,

he went to bestselling authors, spiritual teachers, psychologists, doctors, and more, and asked them why we tend to repeat mistakes in our lives, even when we know these actions will harm us and the ones we love. In *Dead Set on Living*, Chris shares these intimate conversations and the practices that have taught him to be more loving, compassionate, and forgiving with himself as well as new meditation and healing techniques he learned through his journey. Unabashedly honest and inspiring, *Dead Set on Living* is essential reading for anyone seeking a path towards triumph over adversity, understanding the human condition, and rebuilding relationships after promises have been broken.

In this book from bestselling author Tricia Goyer, the stories of twenty-five notable people are presented along with the major prayer that changed their lives, and changed history. Following each historical example is a biblical story that ties to that person's life and actions, as well as ways you can use the power of prayer in your life as well. [Making Life Easy](#) CLC Publications

After nearly four decades of ministry, Andrew Wommack has discovered some important truths about prayer. His prayer life is much different than it was thirty years ago and the results have dramatically improved! You may be asking many of the same questions Andrew once did. Is prayer my Christian duty? Is prayer primarily about asking God to meet my needs and the needs of others? Is God's answer to my prayer based on the degree of my humility and sincerity? Is answered prayer a sovereign decision of God or do I have the ability to influence Him? Clear, scriptural answers to these questions and more could significantly change the way you pray. These principles may not be the only way to pray, but if you're not getting the results you desire, consider changing directions; maybe there is A Better Way to Pray.

*The Secret Prayer* TAN Books

The perfect gift for seekers, the curious, and the spiritually hungry, *The Little Book of Prayers* now has a stunning new cover and a more prayer book-like format. Gathered from holy books and prayer books, from songs and spirituals, spoken traditions and poets, it is an unexpectedly approachable collection of common and uncommon prayers from around the world. The entries, one per page or spread, are chosen for their depth of feeling, beauty of expression, spiritual intensity, and sense of the universal. The book is organized into broad categories of praise, entreaty, contemplation, mourning, and grace; and two indexes—one by authorship, and the other by topic—make it immediately accessible. There are familiar prayers, like the Lord’s Prayer and 23rd Psalm, which, placed in new context, shine with a renewed beauty and wisdom. You'll find prayers unfamiliar to many in the West, such as the “Opener” from the Koran or the four vows of the Bodhisattva, chanted every evening in Zen monasteries around the world. And the surprising—from the “Prayer of the Unknown Confederate Soldier” to the blues of Lightnin’ Hopkins to the poetry of Rumi. God help us to live slowly: To move simply: To look softly: To allow emptiness: To let the heart create for us. Amen. —Michael Leunig You, whose day it is, make it beautiful.
