Auden: Poems Vintage
The Everyman's Library
Pocket Poets hardcover
series is popular for its
compact size and
reasonable price which
does not compromise
content. Poems: Auden is
just another reminder of
his exhilarating lyric
power and his

understanding of love and
longing in all their sacred
and profane guises. One
of English poetry's great
20th century masters,
Poems: Auden is the short
collection of an exemplary
champion of human
wisdom in its encounter
with the mysteries of
experience.

As I Walked Out One
Evening Princeton
University Press
Between 1927 and his
death in 1973, W. H.

Auden endowed poetry in
the English language with
a new face. Or rather,
with several faces, since
his work ranged from the
political to the religious,
from the urbane to the
pastoral, from the
mandarin to the
invigoratingly plain-
spoken. This collection
presents all the poems
Auden wished to
preserve, in the texts that
received his final
approval. It includes the

full contents of his previous collected editions along with all the later volumes of his shorter poems. Together, these works display the astonishing range of Auden's voice and the breadth of his concerns, his deep knowledge of the traditions he inherited, and his ability to recast those traditions in modern times.

W. H. Auden in Context
Princeton University Press
The definitive study of Auden's poems from 1939 to 1973. "For a poet like myself, an autobiography

is redundant," W. H. Auden wrote to a friend, "since anything of importance that happens to one is immediately incorporated, however obscurely, in a poem." This book is the history of Auden's poems, and of the events that went into them, from the time he moved to the United States until his death, completing the story begun in Edward Mendelson's acclaimed *Early Auden*. Later Auden links the changes in Auden's intellectual, emotional, religious, and

erotic life with his shifting public roles--as representative of political causes, as researcher working with the U.S. Army in postwar Germany, as public moralist, as lecturer and teacher, and above all as poet. Mendelson deftly reveals how Auden converted the success and later wreckage of his relationship with Chester Kallman into the seemingly impersonal meditations of some of his long poems, and explores the ways his later poetry celebrates the human

body and represents it in verse. Throughout, he reveals the depth of Auden's struggles with himself and with the temptations of his growing fame, showing how these struggles gave shape to his imperishable art. This inner biography of a great poet and thinker has unusual breadth and intensity. An absorbing narrative of a varied, productive life, it will interest everyone who cares about literature.

My Italian Bulldozer

Columbia University Press
This volume brings

together specially commissioned essays by some of the world's leading experts on the life and work of W. H. Auden, one of the major English-speaking poets of the twentieth century. The volume's contributors include a prize-winning poet, Auden's literary executor and editor, and his most recent, widely acclaimed biographer. It offers fresh perspectives on his work from Auden critics, alongside specialists from such diverse fields as drama, ecological and travel

studies. It provides scholars, students and general readers with a comprehensive and authoritative account of Auden's life and works in clear and accessible English. Besides providing authoritative accounts of the key moments and dominant themes of his poetic development, the Companion examines his language, style and formal innovation, his prose and critical writing and his ideas about sexuality, religion, psychoanalysis, politics, landscape, ecology, and

globalisation. It also contains a comprehensive bibliography of writings about Auden.

Another Time Princeton University Press

This book is not a "survey" or a guide to all or even most of Auden's poetry, though it does follow the general outlines of Auden's development as a poet and thinker."--
BOOK JACKET.

The Oxford Book of Light Verse Cambridge University Press
Bestselling novelist Alexander McCall Smith's charming account of how

the poet W. H. Auden has helped guide his life—and how he might guide yours too When facing a moral dilemma, Isabel Dalhousie—Edinburgh philosopher, amateur detective, and title character of a series of novels by best-selling author Alexander McCall Smith—often refers to the great twentieth-century poet W. H. Auden. This is no accident: McCall Smith has long been fascinated by Auden. Indeed, the novelist, best known for his No. 1 Ladies Detective Agency series, calls the

poet not only the greatest literary discovery of his life but also the best of guides on how to live. In this book, McCall Smith has written a charming personal account about what Auden has done for him—and what he just might do for you. Part self-portrait, part literary appreciation, the book tells how McCall Smith first came across the poet's work in the 1970s, while teaching law in Belfast, a violently divided city where Auden's "September 1, 1939," a poem about the outbreak

of World War II, strongly resonated. McCall Smith goes on to reveal how his life has related to and been inspired by other Auden poems ever since. For example, he describes how he has found an invaluable reflection on life's transience in "As I Walked Out One Evening," while "The More Loving One" has provided an instructive meditation on unrequited love. McCall Smith shows how Auden can speak to us throughout life, suggesting how, despite difficulties and change,

we can celebrate understanding, acceptance, and love for others. An enchanting story about how art can help us live, this book will appeal to McCall Smith's fans and anyone curious about Auden. *The Girls at the Kingfisher Club* Princeton University Press

National Geographic Books

When Auden and MacNeice travelled in Iceland together in 1936, the verse, prose, letters and notes they recorded would appear the following year as 'Letters from Iceland'.

[W. H. Auden](#) Simon and Schuster

The essays in this collection were written as reviews, mainly for The

New York Review of Books and The New Yorker, on books by or about Alexander Pope, Vincent van Gogh, Thomas Mann, Virginia Woolf, Oscar Wilde, and A. E. Housman, or as introductions to editions of the classical Greek writers, the Protestant mystics, Shakespeare, Goethe, Kierkegaard, Tennyson, Grimm and Andersen, Poe, G. K. Chesterton, Paul Valéry, and others. Throughout, these prose pieces reveal the same wit and intelligence--as well as the vision--that

sparked the brilliance of Auden's poetry.

W. H. Auden's Book of Light Verse Princeton

University Press

W. H. Auden disapproved of literary biography. Or did he? The truth is far more equivocal than at first seems apparent. There is no denying he delivered himself of such unambiguous pronouncements as 'Biographies of writers are always superfluous and usually in bad taste.'; and that he asked for his friends to burn his letters at his death, but, against

that, Auden himself often reviewed literary biographies and normally with enthusiasm. Moreover he argued for biographies of writers such as Dryden, Trollope, Wagner and Gerard Manley Hopkins as their lives would tell us something about their art. Humphrey Carpenter himself nicely summarizes Auden's ambiguity on this question. 'Here (referring to literary biography), as so often in his life, Auden adopted a dogmatic attitude which did not reflect the full range of his

opinions, and which he sometimes flatly contradicted.' Although the biography was not authorized it did receive the co-operation of the Auden Estate which gave permission for letters and unpublished works to be quoted. The result is a biography that was widely praised on first publication in 1981 and which continues to hold its own. Now is the obvious time to reissue it with the character of Humphrey Carpenter playing an important role in Alan Bennett's The

Habit of Art. In his introduction Alan Bennett writes 'When I started writing the play I made much use of the biographies of both Auden and Britten written by Humphrey Carpenter and both are models of their kind. Indeed I was consulting his books so much that eventually Carpenter found his way into the play.' 'Carpenter is a model biographer - diligent, unspeculative, sympathetic, and extremely good at finding out what happened when and with whom . . .

admirably detailed and researched study.' John Bayley, *The Listener* 'an illuminating book; full of information, unobtrusively affectionate, it describes with unpretentious elegance the curve of a great poet's life and work' Frank Kermode, *Guardian* 'sharpens and usually lights up even the most canvassed parts of the Auden life and myth . . . a deeply interesting book about a deeply interesting life' Roy Fuller, *Sunday Times* ' . . . the story of a remarkable man told by one of the best living

biographers' David Cecil,
Book Choice

W.H. Auden Simon and
Schuster

For many years there
existed a general feeling
that the selection made
by Auden himself in 1968
was far from satisfactory.
It was too short to provide
a full introduction to such
a large body of work;
perhaps it was too
weighted in favour of the
later poetry; at the time it
was made some famous
poems, or portions of
poems were still under an
embargo imposed by
Auden himself which

remained in force until his
death. This edition
contains an introduction
which is an examination
of the nature of Auden's
genius and of his position
and stature in 20th-
century literature.

*The Complete Works of
W.H. Auden* Princeton
University Press

To help readers
understand Auden's work,
the poet and scholar John
Fuller examines all of
Auden's published poems,
plays, and libretti, leaving
out only some juvenilia. In
unprecedented detail, he
reviews the works'

publishing history,
paraphrases difficult
passages, and explains
allusions. He points out
interesting variants
(including material
abandoned in drafts),
identifies sources, looks at
verse forms, and offers
critical interpretations.
Along the way, he
presents a wealth of facts
about Auden's works and
life that are available in
no other publication.

The Age of Anxiety Faber & Faber

A new, beautifully illustrated translation of Felix Salten's celebrated novel *Bambi*-the original source of the beloved story. Most of us think we know the story of *Bambi*-but do we? The Original

Bambi is an all-new, illustrated translation of a literary classic that presents the story as it was meant to be told. Jack Zipes's introduction traces the history of the book's reception and explores the tensions that Salten experienced in his own life-as a hunter who also loved animals, and as an Austrian Jew who sought acceptance in Viennese society even as he faced persecution. With captivating drawings by award-winning artist Alenka Sottler, *The Original Bambi* captures

the rich emotional meaning of a celebrated story.

The Complete Works of W. H. Auden Anchor

"Dressed up in the thrill and sparkle of the Roaring Twenties, the classic fairy tale of 'The Twelve Dancing Princesses' has never been more engrossing or delightful. Valentine's fresh, original style and choice of setting make this a fairy tale reimagining not to be missed" (Library Journal, starred review). Jo, the firstborn, "The General" to her eleven sisters, is the

only thing the Hamilton girls have in place of a mother. She is the one who taught them how to dance, the one who gives the signal each night, as they slip out of the confines of their father's Manhattan townhouse and into the cabs that will take them to the speakeasy. Together they elude their distant and controlling father, until the day he decides to marry them all off. The girls, meanwhile, continue to dance, from Salon Renaud to the Swan and, finally, the Kingfisher, the

club they've come to call home. They dance until one night when they are caught in a raid, separated, and Jo is thrust face-to-face with someone from her past: a bootlegger named Tom whom she hasn't seen in almost ten years. Suddenly Jo must balance not only the needs of her father and eleven sisters, but her own as well. With *The Girls at the Kingfisher Club*, award-winning writer Genevieve Valentine takes her superb storytelling gifts to new heights, joining the

leagues of such Jazz Age depictees as Amor Towles and Paula McLain, and penning a dazzling tale about love, sisterhood, and freedom.

Everyman's Library
W. H. Auden (1907-73)
came to prominence in
the 1930s among a
generation of outspoken
poets that included his
friends Louis MacNeice,
Stephen Spender and C.
Day Lewis. But he was

also an intimate and
lyrical poet of great
originality, and a master
craftsman of some of the
most cherished and
influential poems of the
past century. Other
volumes in this series:
Betjemen, Eliot, Plath,

Hughes and Yeats.
