One More Before Goodbye Andrews McMeel Publishing

This is the anatomy of our being. This is our flesh, our muscles, our sinews and our limbs all tangled up beside each other. And this, is what they found when we left it all behind.

I Wrote This for You: Just the Words Andrews McMeel Publishing
 Algedonic is an aesthetic outlook on pain and pleasure. Complex emotions simplified into poetic interludes as only r.h. Sin can express. With his trademark of giving simplicity to some of the hardest of emotions, Sin reminds us all that there are often two sides to an emotional story and sometimes the pain transforms into something beautiful, something less problematic and maybe something that reignites a feeling of pleasure.

A Crowded Loneliness Andrews McMeel Publishing

Structured like an old-school mix-tape, *Stuff I've Been Feeling Lately* is Alicia Cook's lyric message to anyone who has dealt with addiction. "Side A" touches on all aspects of the human condition: life, death, love, trauma, and growth. "Side B" contains haunting black-out remixes of those poems.

Quadrantaria Andrews McMeel Publishing

r.h. Sin's final volume in the *Whiskey, Words, and a Shovel* series expands on the passion and vigor of his first two installments. His stanzas inspire strength through the raw, emotional energy and the vulnerability of his poems. Relationships, love, pain, and

fortitude are powerfully rendered in his poetry, and his message of perseverance in the face of emotional turmoil cuts to the heart of modern-day life. At roughly 300 pages, this culminating volume will be his lengthiest yet.

The Anatomy of Being Andrews McMeel Publishing

"When you're dumb enough for long enough, you're gonna meet someone too smart to love you, and they're gonna love you anyway, and it's gonna go so poorly," Neil Hilborn writes in his debut full-length collection, *OUR NUMBERED DAYS*. In 2013, Hilborn's poem "OCD" went viral, and has amassed over 11 million views to date. While this collection ruminates on love, heartbreak, and mental illness, these poems are anything but saccharine. Hilborn uses the same humor and self-deprecation that propelled "OCD" to success in order to make his unmatched vulnerability all the more powerful. Ultimately, Hilborn is a poet of the people: his work is accessible, honest, and entertaining; a revitalizing entry in contemporary poetry.

The Book of Healing Andrews McMeel Publishing

This second collection of poetry published by Ray is larger, bolder, and more intimate than ever before. *Quadrantaria* explores both sides of love; the breaking and reshaping of hearts.

The Truth of You Andrews McMeel Publishing

I Wrote This For You: Just The Words presents twice the number of entries with over 400 works from the internationally acclaimed poetry and photography project; including several new and never before seen poems. While focusing on the words from the project, new photography launches each section which speaks to the reader's journey through the world: Love Found, Being In Love, Love Lost, Hope, Despair, Living and Dying.

Named a Best Book by Entertainment Weekly, O Magazine, Goodreads, Southern Living, Outside Magazine, Oprah.com, HelloGiggles, Parade, Fodor's Travel, Sioux City Journal, Read it Forward, Medium.com, and NPR's All Things Considered. "A thunderclap of originality, here is a fresh voice and fresh take on one of the oldest stories we tell about ourselves as Americans and Westerners. It's riveting in all the right ways -- a damn good read that stayed with me long after closing the covers." - Timothy Egan, New York Times bestselling author of *The Worst Hard Time*
From a blazing new voice in fiction, a gritty and lyrical American epic about a young woman who disguises herself as a boy and heads west In the spring of 1885, seventeen-year-old Jessilyn Harney finds herself orphaned and alone on her family's homestead. Desperate to fend off starvation and predatory neighbors, she cuts off her hair, binds her chest, saddles her beloved mare, and sets off across the mountains to find her outlaw brother Noah and bring him home. A talented sharpshooter herself, Jess's quest lands her in the employ of the territory's violent, capricious Governor, whose militia is also hunting Noah--dead or alive. Wrestling with her brother's outlaw identity, and haunted by questions about her own, Jess must outmaneuver those who underestimate her, ultimately rising to become a hero in her own right. Told in Jess's wholly original and unforgettable voice, *Whiskey When We're Dry* is a stunning achievement, an epic as expansive as America itself--and a reckoning with the myths that are entwined with our history.

Born to Love, Cursed to Feel Revised Edition Andrews McMeel Publishing

This is the truth of you. Because you are all I see. Because you are all I breathe. Because when I cannot find you, I am lost. Because when I'm with you, I am found. Because you have the fire of the universe in you, and sometimes you forget. So this book is here to remind you. Dear You, I want you to know that I see you. I want you to know that even if no one else does, even if you are a ghost in this bookshop, or just the static floating across the screen of your computer, wherever you're reading this, I see you. I see you in the dark and I see you in the grey. I see you as a story, as words I have spoken or may yet speak. Maybe only in a memory or a dream. I see your hands and your arms and your body and your legs and your face and I see what you have been and what you will be. I see you and in looking at you, I want you to know that whoever you've had to be to survive all this, I will not look away. I want you to know that there's a space inside this book for you. So if you have the time and the inclination, you can sit here with me, just for a while. And perhaps between us, we can see everything that matters. -pleasefindthis
