The Marsupilami's Nest Europe Comics

Spirou and Fantasio are caught up in another amazing adventure, set in a real historical context. It's summer 1989, a few months before the fall of the Berlin Wall, and the evil Zantafio is trying to take over East Germany. When he kidnaps the Count of Champignac, our two heroes find out and try to rescue him. But to do that, they have to cross Europe's most heavily guarded border. East Germany's notorious Secret Police, the Stasi, are soon hot on their trail, and Fantasio is arrested. So Spirou now has to free his friend as well as foil Zantafio's diabolical scheme.

**The Folies Bergère** Cinebook

Spirou and Fantasio's friend, the Count of Champignac, asks them to join him in Australia, where he has heard that an ancient monolith is still standing. When they arrive, Champignac's colleague Walker Donahue informs them that Champignac has been abducted by local gangster Sam. The monolith they're after stands in the vicinity of an aboriginal mining village, which is constantly prey to white prospectors trying to steal indigenous resources. Spirou and Fantasio must save Champignac from Sam's clutches and help him find the legendary monolith while standing by the aboriginal people.

After a hold-up gone wrong, Slick finds himself deep in the red with local mafia boss Rex. But that's not the only thing setting them at odds: they also have their sights set on the same woman, the beguiling Caprice. She's engaged to Rex and headlines his club, where she thrills the nightly crowds. She's off-limits, but Slick has never been one for limits. And he has unfinished business with Caprice, who was once his own sweetheart before the war pulled them apart. After all these years, there's no love lost between them, but that doesn't mean the old spark isn't alive... And now, they're playing with fire. Taking inspiration from the Hollywood noir films of the 1950s, Enrico Marini delivers a gritty graphic novel combining crime, love, jealousy, and betrayal.
