Beacon Press

A global history of Jewish music from the biblical era to the present day, with chapters by leading international scholars.

A Sliver of Light

Houghton Mifflin
Harcourt

How could you and your family survive a nuclear war? From 1945 onwards, the Canadian government developed civil defence plans and encouraged citizens to join local survival corps. By the time of the Cuban

Missile Crisis, the civil defence program was widely mocked, and the public was still vastly unprepared for nuclear war. An exposé of the challenges of educating the public on the threat of nuclear annihilation, Give Me Shelter provides a well-grounded explanation of why Canada's civil defence strategy ultimately failed. It is essential reading for anyone interested in Canada's Cold War home front.

In the Service of the King

UBC Press
Joshua Eubanks and Paul Sims moved to Crown Heights, Brooklyn, for very different reasons. Joshua, a young black man, came with his

single mother to escape the crime and despair of Bedford-Stuyvesant. Paul left his life of privilege in Long Island to study Judaism with the Hasidic Lubavitch movement. They live in two different worlds separated by a few city blocks, but their hearts both yearn for Rachel Weissman, the daughter of a respected rabbi, who is torn between her aspiration to become a doctor and her obligation to obey the insular restrictions of her religion. As they establish lives in their respective communities, they are increasingly expected to take sides in growing tensions that would explode into the 1991 Crown Heights riots. Joshua: A Brooklyn Tale views

four decades through three lives. Andrew Kane's novel is a love story about loneliness, a reflection on the value of community that acknowledges that it takes a village to raise a mob, a tale of public dysfunction and personal demons, and an image of the frail beauty of humanity that somehow survives.

Optical Allusions

Dorrance Publishing
In *Optical Allusions: Screens, Paintings, and Poetry in Classical Japan* (ca. 800-1200), Joseph T. Sorensen illustrates how painted screens and other visual art objects contributed to the development of some of the essential characteristics of Japanese court poetry.

In any consenting and negotiated personal service relationship, there are hundreds of ways in which the servant can make the master's life easier, and the master can manage the servant most effectively. Why is it that we usually only hear about a few of these ways? From housework to driving to child care to personal care, nearly anyone who is in service (or who would like to be) has dozens of skills they already know that they can offer as a service, and there are countless more practical everyday skills they can learn. Real Service is a handbook for service-oriented submissives and the people they

serve, providing techniques to help a service relationship function smoothly, and suggestions for service that can be offered.

We are all born inside a fence. Not the same fence, but we all have our own variation of restrictions-passed-down-to-us. The narrative passed down to Christian women by patriarchal religion tells us not only that we are bad, but that we need someone outside ourselves to save us. We need a revolutionary new spirituality, and a revolutionary term to describe it: the queendom of God. Telling the stories of some of the strongest women in all of Scripture--like Delilah, Deborah, and Jael--as

well as some of the most brutalized--like the daughter of Jephthah--Thy Queendom Come offers a new path forward. In the queendom of God, we are no longer waiting on a rescuer. We realize we are ready to conceive and give birth to new life--a creative act between God and us, no masculine authority necessary. We can, as women, say yes to the divine annunciation, quite apart from any sinner's prayer, the blessing of priests, or an ordination by men. We can leave the narrow kingdom behind and embrace a more vibrant, just, and inspiring spiritual life in God's queendom. The Cambridge Companion to Jewish Music Berwick Court

Publishing Co
Gender roles are nowhere more prominent than in war. Yet contentious debates, and the scattering of scholarship across academic disciplines, have obscured understanding of how gender affects war and vice versa. In this authoritative and lively review of our state of knowledge, Joshua Goldstein assesses the possible explanations for the near-total exclusion of women from combat forces, through history and across cultures. Topics covered include the history of women who did fight and fought well, the complex role of testosterone in men's social behaviours, and the construction of masculinity and

femininity in the shadow of war. Goldstein concludes that killing in war does not come naturally for either gender, and that gender norms often shape men, women, and children to the needs of the war system. Illustrated with photographs, drawings, and graphics, and drawing from scholarship spanning six academic disciplines, this book provides a unique study of a fascinating issue.

Joshua Hebrew Union College Press
Winner NATIONAL JEWISH BOOK AWARDS in Contemporary Jewish Life & Practice Myra H. Kraft Memorial Award A crucial new lens on repentance, atonement, forgiveness, and repair from harm—from

personal transgressions to our culture's most painful and unresolved issues American culture focuses on letting go of grudges and redemption narratives instead of the perpetrator's obligations or recompense for harmed parties. As survivor communities have pointed out, these emphases have too often only caused more harm. But Danya Ruttenberg knew there was a better model, rooted in the work of the medieval philosopher Maimonides. For Maimonides, upon whose work Ruttenberg elaborates, forgiveness is much less important than the repair work to which the person who caused harm is obligated. The

word traditionally translated as repentance really means something more like return, and in this book, returning is a restoration, as much as is possible, to the victim, and, for the perpetrator of harm, a coming back, in humility and intentionality, to behaving as the person we might like to believe we are. Maimonides laid out 5 steps: naming and owning harm; starting to change/transformation; restitution and accepting consequences; apology; and making different choices. Applying this lens to both our personal relationships and some of the most significant and painful issues of our day, including

systemic racism and the legacy of enslavement, sexual violence and harassment in the wake of #MeToo, and Native American land rights, *On Repentance and Repair* helps us envision a way forward. Rooted in traditional Jewish concepts while doggedly accessible and available to people from any, or no, religious background, *On Repentance and Repair* is a book for anyone who cares about creating a country and culture that is more whole than the one in which we live, and for anyone who has been hurt or who is struggling to take responsibility for their mistakes. Joshua Harris's first book, written when he was only 21, turned the Christian singles scene upside down...and people are still talking. More than 800,000 copies later, *I Kissed Dating Goodbye*, with its inspiring call to sincere love, real purity, and purposeful singleness, remains the benchmark for books on Christian dating. Now, for the first time since its release, the national #1 bestseller has been expanded with new content and updated for new readers. Honest and practical, it challenges cultural assumptions about relationships and provides solid, biblical alternatives to society's norm. Clear, stylish typeset, with user-friendly links to

referenced Scripture.

The Civil Service

Chronicle University of Pennsylvania Press Historically, the book of Exodus treats of the deliverance of Israel from Egypt; but viewed doctrinally, it deals with redemption. Just as the first book of the Bible teaches that God elects unto salvation, so the second instructs us how God saves, namely, by redemption.

Redemption, then, is the dominant subject of Exodus. Following this, we are shown what we are redeemed for-worship, and this characterizes Leviticus, where we learn of the holy requirements of God and the gracious provisions He has made to meet these. In Numbers we have the walk and warfare of the wilderness, where we

have a typical representation of our experiences as we pass through this scene of sin and trial—our repeated and excuseless failures, and God's long-sufferance and faithfulness.

Hesitating Beauty

Cambridge University Press

This book introduces the psychoanalytic study of the Kabbalah as a serious discipline. It illustrates the applicability of psychodynamic concepts to Jewish mysticism and the "apocalyptic complex" and essays on specific incidents in the Bible and the Kabbalah.

A classic commentary in modern language ... this volume contains the wealth of exposition, metaphors, analogies, and illustrations that have set Matthew Henry's Commentary apart as one of the enduring legacies of faith—and presents them in the language of today. Passage by passage, its prayerful, penetrating reflections and rich insights into the very heart of God's Word are sure to challenge and inspire you. Ideal for personal devotions, Bible studies, and lesson and sermon preparations, The New Matthew Henry Commentary will enable you to rediscover this classic work—or discover it for the first time. Forever fresh and never failing

to render new pearls of wisdom, this beloved text is one that you will reach for often to obtain deeper understanding of and appreciation for the Scriptures.

Exposition of the Old and New Testament
NYU Press

Titles have always been conferred on persons both to identify their functions in society and to assign honorary status. In Egypt even more than in Mesopotamia, function-related and honorary titles were so valued that officials and functionaries of varying stations collected the titles accrued in their lifetime and preserved them in a titulary, the ancient equivalent of a resume. Israelites serving at the royal courts in Jerusalem and

Samaria or in local administrations also held title, but the sources suggest far fewer of them than their neighbors. Nili Fox analyzes the titles and roles of civil officials and functionaries in Israel and Judah during the monarchy, including key ministers of the central government, regional administrators, and palace attendants. The nineteen titles fall into three categories: status-related titles, function-related titles, and miscellaneous designations that could be held by a variety of officials. Fox sets these Israelite and Judahite titles in their ancient context through extensive study of Egyptian, Akkadian, and Ugaritic records. She also draws upon

the corpus of Hebrew epigraphic material, which allows her to explore economic components of state organization such as royal land grants, supply networks, and systems of accounting, which would be impossible to understand on the basis of the Hebrew Bible alone. Fox also treats the widely debated issue of whether Israelite state organization was influenced by foreign models and, if so, how much. The evidence of non-Hebrew sources offers little concrete material to substantiate theories that Israel modeled its government after a foreign prototype, and Fox offers a more finessed approach. Many features of Israelite administration

are best explained as basic elements of any monarchic structure in the ancient Near East that developed to satisfy the needs of an evolving local system. Other seemingly foreign features have a long tradition in Canaan and probably were naturally assimilated. Fox recognizes the interconnections between the cultures in the region but emphasizes the need to closely examine the Israelite system with internal evidence. *Lectures on the Growth and Development of the United States ...* Multnomah The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to

Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization
Introduction—covers issues pertaining to the whole book, including context, date,

authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes:
Pericope
Bibliography—a helpful resource containing the most important works that pertain to each particular pericope.
Translation—the author’s own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author’s notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words,

and problems of translation.

Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope.

Rhetorical or compositional features important to understanding the passage are also introduced here.

Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research.

Explanation—brings together all the results of the discussion in previous sections to

expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. **General Bibliography**—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Practical and achievable techniques to build Godly habits and enhance your walk with God A “Lifehack” describes any advice, shortcut, tip or skill that will help you get

things done more efficiently and effectively. The NIV Lifehacks Bible uses lifehacking methods to give you practical and achievable tools to integrate spiritual habits into your busy, technology-centric, 21st century life. With 365 articles covering 30 life-changing disciplines, not only does this Bible illuminate scriptural wisdom on spiritual practices, it provides practical tips and strategies for applying them every day. Featuring a foreword by author and theologian Kevin DeYoung, the NIV Lifehacks Bible is full of common-sense articles on foundational topics such as prayer, self-reflection, character formation, and fasting, as well as advice and

helpful tips for building habits around these disciplines. Features: Complete text of the accurate, readable, and clear New International Version (NIV) 4 Tips for Making Wise Decisions 6 Steps for Interpreting the Bible 7 Questions for Recognizing Intentional Sins 4 Tips for Finding Time to Pray *The New Matthew Henry Commentary* Cambridge University Press Breaking down the structure of the photograph as truth and the book as narrative, Joshua Lutz's second monograph, HESITATING BEAUTY, it is an intimate portrait unlike other photographic models. Rethinking how photographs and text can function, Lutz blends family archives,

interviews and letters with his own photographic practice seamlessly into a precious, fictitious experience of a life and family consumed by mental illness. Instead of showing us what it looks like, HESITATING BEAUTY is able to play with our own conceptions of reality to show us what it feels like. Joshua Lutz: ""Holding on so tightly to what I believed was sanity and being consumed by fear of depression and schizophrenia prevented me from being fully present to my mother's reality. The past few years, as she slipped away from the aggressive paranoia and depression of my youth to an almost calming sense of delusion, made it much easier

for me to rid the anger that veiled my life and attempt to find a place of empathy and compassion as I managed her care. In making this work and simultaneously falling deeper into her psychosis, I tried to imagine a time when the past, present, and future collided; a place where the weight of memory is heavier than reality.""

by the Rev. Samuel
Palmer** BRILL

In the aftermath of a civil war, former enemies are left living side by side—and often the enemy is a son-in-law, a godfather, an old schoolmate, or the community that lies just across the valley. Though the internal conflict in Peru at the end of the twentieth century was incited and organized by insurgent Senderistas, the violence and destruction were carried out not only by Peruvian armed forces but also by civilians. In the wake of war, any given Peruvian community may

consist of ex-Senderistas, current sympathizers, widows, orphans, army veterans—a volatile social landscape. These survivors, though fully aware of the potential danger posed by their neighbors, must nonetheless endeavor to live and labor alongside their intimate enemies. Drawing on years of research with communities in the highlands of Ayacucho, Kimberly Theidon explores how Peruvians are rebuilding both individual lives and collective existence following twenty years of armed conflict. *Intimate Enemies* recounts the stories and dialogues of Peruvian peasants and Theidon's own experiences to

encompass the broad and varied range of conciliatory practices: customary law before and after the war, the practice of *arrepentimiento* (publicly confessing one's actions and requesting pardon from one's peers), a differentiation between forgiveness and reconciliation, and the importance of storytelling to make sense of the past and recreate moral order. The micropolitics of reconciliation in these communities present an example of postwar coexistence that deeply complicates the way we understand transitional justice, moral sensibilities, and social life in the aftermath of war. Any effort to understand postconflict reconstruction must be

attuned to devastation as well as to human tenacity for life. *Real Service* Schilt Publishing
Three Americans captured by Iranian forces and held in captivity for years reveal, for the first time, the full story of their imprisonment and fight for freedom.

Thy Queendom

Come Lulu.com
Quantum of Riches By:
Maggie Payne Sir
Thomas Wallace of
Scotland inherited the
family clipper ship
business upon the
death of his parents
during a storm in the
South China Sea. He
was six years old.
Raised by his bachelor
Uncle Cameron
Wallace, he learned
everything about
sailing and navigation
as he sailed the five
oceans and seven
seas. As an adult, Sir
Thomas married and
fathered twin sons; his
wife died in childbirth.
The twins were raised
by their maternal
grandparents in
London. Sir Thomas
discovers a French
Land Grant, granted to
his grandfather prior to
the Louisiana
Purchase, and passed

down to future
generations. He sets
sail for America and
New Orleans. Finding
the land described in
the Land Grant,
covered with hundred-
year-old moss-covered
oak trees and fields of
purple irises, he travels
to Washington to lay
claim to the land. Sir
Thomas receives title
from the American
President, and decides
this will be his family
home. Deploring
slavery, Sir Thomas
names his home Three
Oaks Farm. The farm is
a reflection of a man's
worth and yet, Sir
Thomas has so little
time to cherish Three
Oaks. His surviving
heir, young Thomas,
marries and makes
Three Oaks his home
until tragedy comes
along and takes all he
loves away... or did it?
