Saa ya Ukombozi or The Hour of Emancipation is about heroic villagers of Githakwa led by mzee Njema. These villagers are able to stop corrupt government officials who wanted to sell their village to an investor after the discovery of precious stone in the area. Their resistance, does not only save their village but it also ends up bring about true and viable changes in their country of Mizengwe or Abracadabra. This is typically different from the adage whereby changes start in big cities. Githakwa villagers, heroically, boot down a very nugatory and stinking corrupt regime that has rfor long rbeen an anathema-cum-genie to them.

Mpango wa maendeleo wa mwaka ...

The idea for this book has grown out of an engagement with Mafia Island, Tanzania over the last forty-five years, during which time I have made seven research trips there, and published numerous articles and books. Some people on the island have become close friends, indeed quasi-kin, and I have been closely involved in their lives. One such person, whom I knew when he was an adolescent back in 1965, was Mikidadi Kichange, who treated me as his older sister for all the years of our friendship, until his untimely death in 2002. Apart from our meetings when I was in Tanzania, he shared through regular letters his education, training in forestry, national service, marriage and the birth of two daughters, the care of many children of relatives, his employment and his founding of an NGO for the betterment of the island. Although Mikidadi never managed to return to full-time

education as he had wished, he read widely in Swahili, English and Arabic. By the time of our last meeting in the summer of 2002, when we worked together for several months on Mafia, he had become a colleague and interlocutor, as well as a 'younger brother' and friend. Since his unexpected death in the autumn of 2002 at the age of 49 I have considered how he might be remembered by the writing of a book about his life which would also illustrate the profound changes which have taken place on Mafia Island, and in Tanzania more widely since independence. I would call this work biographical history, as well as historical biography in which the lives of ordinary people reveal their struggles, constraints, and, as in this case, an extraordinary ability to overcome their circumstances.

Nguzo za kilimo

Kitabu cha Usawiri wa ualbino katika fasihi ya Kiswahili kinachunguza changamoto zinazowakabili watu wenye ualbino nchini Tanzania, ambapo wanakabiliwa na athari za mionzi ya jua na matatizo ya kuona. Utafiti unaonesha umuhimu wa elimu katika kubadilisha mtazamo hasi dhidi ya ualbino na kujenga jamii inayojumuisha kila mtu. Aidha, kitabu kinajadili jinsi gani ualbino unavyoonekana katika jamii na fasihi, na kinaonyesha kwamba mitazamo inabadilika pale watu wenye ualbino wanapotambuliwa kwa mchango wao katika jamii. Kuna mifano katika fasihi ambapo wahusika wenye ualbino wanathaminiwa na kukubalika, hali inayochangia kupunguza unyanyapaa na kuendeleza ukubalifu wa kijamii.
