EUGENE ENRIQUE

The Giving Tree Harper Collins
#1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food,

grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR).
• CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle

Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would

become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

The Invisible Life of Addie LaRue

Pineapple PressInc
An album-by-album

celebration of the life and music of Mac Miller through oral histories, intimate reflections, and critical examinations of his enduring work. “One of my most vivid memories of him is the way he would look at you while he was playing you a song. He tried to look you right in the eyes to see how you were feeling about it.” —Will Kalson, friend and first manager

Following Mac Miller’s tragic passing in 2018, Donna-Claire Chesman dedicated a year to chronicling his work through the unique lens of her relationship to the music and Mac’s singular relationship to his fans. Like many who’d been following him since he’d started releasing mixtapes at eighteen years old, she felt as if she’d come of

age alongside the rapidly evolving artist, with his music being crucial to her personal development. “I want people to remember his humanity as they’re listening to the music, to realize how much bravery and courage it takes to be that honest, be that self-aware, and be that real about things going on internally. He let us witness that entire journey. He never hid that.” —Kehlani, friend and musician. The project evolved to include intimate interviews with many of Mac’s closest friends and collaborators, from his Most Dope Family in Pittsburgh to the producers and musicians who assisted him in making his everlasting music, including Big Jerm, Rex Arrow, Wiz Khalifa,

Benjy Grinberg, Just Blaze, Josh Berg, Syd, Thundercat, and more. These voices, along with the author's commentary, provide a vivid and poignant portrait of this astonishing artist—one who had just released a series of increasingly complex albums, demonstrating what a musical force he was and how heartbreaking it was to lose him. "As I'm reading the lyrics, it's crazy. It's him telling us that he hopes we can always respect him. I feel like this is a message from him, spiritually. A lot of the time, his music was like little letters and messages to his friends, family, and people he loved, to remind them of who he really was." —Quentin Cuff, best friend and tour manager

My Life Wellred Books
From American master Richard Ford, a memoir: his first work of nonfiction, a stirring narrative of memory and parental love How is it that we come to consider our parents as people with rich and intense lives that include but also exclude us? Richard Ford's parents—Edna, a feisty, pretty Catholic-school girl with a difficult past; and Parker, a sweet-natured, soft-spoken traveling salesman—were rural Arkansans born at the turn of the twentieth century. Married in 1928, they lived "alone together" on the road, traveling throughout the South. Eventually they had one child, born late, in 1944. For Ford, the questions of what his parents

dreamed of, how they loved each other and loved him become a striking portrait of American life in the mid-century. Between Them is his vivid image of where his life began and where his parents' lives found their greatest satisfaction. Bringing his celebrated candor, wit, and intelligence to this most intimate and mysterious of landscapes—our parents' lives—the award-winning storyteller and creator of the iconic Frank Bascombe delivers an unforgettable exploration of memory, intimacy, and love. My Side of the Mountain (Puffin Modern Classics) Tor Books

Two leading spiritual psychologists offer a “life-changing book”

that will help you awaken to your innate spiritual power and most authentic self (Jack Canfield, co-author of the *Chicken Soup for the Soul*)

What if you discovered—not as a concept, but rather as a profound inner knowing born from the crucible of your own experience—that the essence of your very nature is, has always been, and always will be, the presence of love? That awareness would change everything. Your consciousness would be transformed, and you would move forward into a Soul-Centered life—your unique and beautiful life of meaning, purpose, and fulfillment. The book you hold in your hands is a vehicle for

fostering just such an epiphany through the use of the empowering tools of Spiritual Psychology in your everyday life. As co-directors of the University of Santa Monica, the Worldwide Center for the Study and Practice of Spiritual Psychology, Drs. Ron and Mary Hulnick have had many years of experience in applying these principles and practices in their own lives as well as supporting thousands of students in doing the same. Their intention is nothing less than providing you with inspiration, practical tools, encouragement, and opportunities for learning how to live into the Spiritual Context—the awareness that you are

a Soul and that your life serves spiritual purpose. As you read and engage with this book, you'll learn practical ways for waking up more fully into the awareness of the loving being that you are. You will be remembering the Light within—remembering your essential nature. Can you imagine walking through this world in a consciousness that is Awake to Love? Wouldn't that be amazing Grace? Opportunities for just such experiences are available to you, and this book will be your guide through this process.

The old saying goes, "To the man with a hammer, everything looks like a nail." But

anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. The Great Mental Models: General Thinking Concepts is the first book in The Great Mental Models series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most

versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history's brightest

minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. AUTHOR HOME Ottawa, Ontario, Canada

Building a Second

Brain HarperCollins

Since My Life was first published it has been regarded as a unique political, literary and human document. Written in the first year of Trotsky's exile in Turkey, it contains the earliest authoritative account of the rise of Stalinism and the expulsion of the Left

Opposition, who heroically fought for the ideas and traditions of Lenin. Trotsky's exile is the culmination of a narrative which moves from his childhood, his education in the "universities" of Tsarist prisons, Siberia and then foreign exile - to his involvement in the European revolutionary movement and his central role in the tempestuous 1905 revolution and the Bolshevik victory in October 1917 and the civil war which followed. The work concludes with his deportation and exile. With an introduction by Alan Woods and a preface by Trotsky's grandson, Vsievobod Volkov.

Remembering Diana

Simon and Schuster
Celia Sánchez is the

missing actor of the Cuban Revolution. Although not as well known in the English-speaking world as Fidel Castro and Che Guevara, Sánchez played a pivotal role in launching the revolution and administering the revolutionary state. She joined the clandestine 26th of July Movement and went on to choose the landing site of the Granma and fight with the rebels in the Sierra Maestra. She collected the documents that would form the official archives of the revolution, and, after its victory, launched numerous projects that enriched the lives of many Cubans, from parks to literacy programs to helping develop the Cohiba cigar brand. All the

while, she maintained a close relationship with Fidel Castro that lasted until her death in 1980. The product of ten years of original research, this biography draws on interviews with Sánchez's friends, family, and comrades in the rebel army, along with countless letters and documents. Biographer Nancy Stout was initially barred from the official archives, but, in a remarkable twist, was granted access by Fidel Castro himself, impressed as he was with Stout's project and aware that Sánchez deserved a worthy biography. This is the extraordinary story of an extraordinary woman who exemplified the very best values of the Cuban Revolution:

selfless dedication to the people, courage in the face of grave danger, and the desire to transform society.

You Must Remember this Knopf

NATIONAL BESTSELLER

On the twenty-fifth anniversary of Kurt Cobain's death comes a new perspective on one of the most compelling icons of our time. In early 1991, top music manager Danny Goldberg agreed to take on Nirvana, a critically acclaimed new band from the underground music scene in Seattle. He had no idea that the band's leader, Kurt Cobain, would become a pop-culture icon with a legacy arguably at the level of that of John Lennon, Michael Jackson, or Elvis Presley. Danny worked with Kurt from 1990 to

1994, the most impactful period of Kurt's life. This key time saw the stratospheric success of Nevermind, which turned Nirvana into the most successful rock band in the world and made punk and grunge household terms; Kurt's meeting and marriage to the brilliant but mercurial Courtney Love and their relationship that became a lightning rod for critics; the birth of their daughter, Frances Bean; and, finally, Kurt's public struggles with addiction, which ended in a devastating suicide that would alter the course of rock history. Throughout, Danny stood by Kurt's side as manager, and close friend. Drawing on Goldberg's own memories of Kurt, files that previously have

not been made public, and interviews with, among others, Kurt's close family, friends, and former bandmates, *Serving the Servants* sheds an entirely new light on these critical years. Casting aside the common obsession with the angst and depression that seemingly drove Kurt, *Serving the Servants* is an exploration of his brilliance in every aspect of rock and roll, his compassion, his ambition, and the legacy he wrought—one that has lasted decades longer than his career did. Danny Goldberg explores what it is about Kurt Cobain that still resonates today, even with a generation who wasn't alive until after Kurt's death. In the process, he provides a portrait of

an icon unlike any that has come before. *The Great Mental Models: General Thinking Concepts* Open Road Media "Highly entertaining." —Adam Gopnik, *The New Yorker* "Funny, curious, erudite, and full of useful details about ancient techniques of training memory." —The Boston Globe The blockbuster phenomenon that charts an amazing journey of the mind while revolutionizing our concept of memory An instant bestseller that is poised to become a classic, *Moonwalking with Einstein* recounts Joshua Foer's yearlong quest to improve his memory under the tutelage of top "mental athletes." He draws on cutting-edge research,

a surprising cultural history of remembering, and venerable tricks of the mentalist's trade to transform our understanding of human memory. From the United States Memory Championship to deep within the author's own mind, this is an electrifying work of journalism that reminds us that, in every way that matters, we are the sum of our memories.

"This will cast a spell

on fans of Cheryl Strayed and Glennon Doyle." - Publishers Weekly
Between Two Kingdoms meets Wild. In this heart wrenching and inspirational memoir a woman and her mother, who is suffering from dementia, embark on a road trip through national parks, revisiting the memories, and the mountains, that made them who they are. Steph Jagger lost her mother before she lost her. Her mother, stricken with an incurable disease that slowly erases all sense of self, struggles to remember her favorite drink, her favorite song, and—perhaps most heartbreaking of all—Steph herself. Steph watches as the woman who loved and raised her slips away

before getting the chance to tell her story, and so Steph makes a promise: her mother will walk it and she will write it. Too aware of her mother's waning memory, Steph proposes that the two take a camping trip out to Montana—which her mother, on the urging of Steph's father, agrees to embark upon. An adventure full of horseback riding, hiking, and "tenting" out West quickly turns into one woman's reflection on childhood, motherhood, personhood—and what it means to love someone who doesn't quite remember the person she spent her lifetime becoming. A staggeringly beautiful examination of how stories are passed down through generations and from

Mother Nature, Everything Left to Remember brings us the wisdom of who our memories make us under the constellations of the vast Montana sky. The Hidden Pleasures of Life Thomas Dunne Books
He stayed to talk that day for some time. Eventually Lucila left the room. Then we turned to more personal matters, the disagreement completely forgotten. I confessed that I had been deeply moved by what he had written in the book! Che Guevara's first wife, Hilda Gadea, was with him during a tumultuous period in his life, the period which turned him from an intellectual theorist to a dedicated revolutionist. After 5

years of marriage and the birth of their daughter, Hildita, Hilda Gadea paints an intimate and extraordinary portrait of this legendary figure; one who is a romantic wanderer, a philosopher and doting suitor and father. Ernesto Guevara and Hilda Gadea met in Guatemala as members of the political-exile community. Later they were forced to flee Mexico, where their friendship grew stronger and where, stimulated by the intelligence and knowledge of Hilda, Che's vista's broadened and his convictions hardened. Hilda's account of their life together in Mexico is filled with joy but at times is terribly strained. They found it

difficult to make a living and Che suffered from severe asthmatic attacks. Nevertheless the excitement of involvement with the Castros and other Cuban refugees infuses every page. Gradually the character of this great leader is revealed by the woman who knew him best, providing a vital key to a comprehension of Che's legendary qualities.

Crying in H Mart

Crown Archetype
Che Guevara's widow remembers a great revolutionary romance tragically cut short by Che's assassination in Bolivia. With a new introduction to be announced soon. When Aleida March first met Che Guevara, she was a twenty-year-old combatant from the provinces of Cuba, he

an already legendary revolutionary and larger-than-life leader. And yet there was another, more human side to Che, one Aleida was given special access to, first as his trusted compañera and later as the love of his life. With great immediacy and poignancy, Aleida recounts the story of their epic romance—their fitful courtship against the backdrop of the Cuban revolutionary war, their marriage at the war's end and the birth of their four children, up through Che's tragic assassination in Bolivia less than ten years later. Featuring excerpts from their letters, nearly one hundred never-before-seen photographs from their private collection, and a moving short

story Che wrote for Aleida, here is an intimate look at the man behind the legend and the tenacious, courageous woman who knew him best—a story of passionate love, wrenching sacrifice, and unwavering heroism.

[I Remember Nothing](#)
Seven Stories Press
The definitive account of Whitney Houston's astonishing life, ground-breaking career, and tragic death — complete with

never-before-seen photographs — from the only one who truly knows the story behind the headlines: her mother, Cissy Houston. Cissy has said little publicly about Whitney's heart-breaking death. Now, for the first time, she opens up and shares the unbelievable story of her daughter's life, as well as her own, and addresses Whitney's brightest and darkest moments. A legendary Grammy Award-winning gospel singer in her own right, Cissy Houston shows how the lessons from her own musical journey helped to shape Whitney's career — from teaching Whitney to use her voice, to keeping her level-headed throughout her meteoric rise to fame.

With candor and respect, she sets the record straight about Whitney, exploring both her turbulent marriage and her misunderstood struggles with drug abuse. Cissy goes behind the tabloid headlines to show fans around the world the true, human side of a strong, successful — yet flawed — musical icon who died much too young.

In a time when children were meant to be seen and not heard, along came Coco, a small French orphan with an eye for style, a talent for sewing, and a big imagination. Coco grew up in an orphanage run by very strict nuns, but

she wasn't very good at following rules. At a time when girls were told to brush their hair 100 times until their arms were sore, Coco promised herself that one day she would snip away her locks so that she wouldn't have to be so fussy—girls needed time for other things, and they needed some of the comforts that boys enjoyed. Why shouldn't girls have pockets? And why did they have to wear corsets all the time? An exploration of Coco's early life and a celebration of her creativity, *Along Came Coco* †shows the ways in which Coco Chanel's imaginative spirit led her to grow into one of the world's most beloved fashion icons. *Vintage*
As *The Giving Tree* turns fifty, this timeless

classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy.

But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half, Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and

Runny Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!
