Adventures on the Island Ladybird Books

'Each story is a perfectly formed jewel . . . vivid characterization, ingenious plotting and intelligent structuring amount to a most engaging read as we put the jigsaw of these lives back together'

LIZ NUGENT An Irish vagrant with a strange ability wanders Kew Gardens. She knows that the fine weather is going to break and the impending rain casts her mind back to a riverbank where a shady fisherman once asked for her help. The same fisherman, years later, runs into a childhood friend and becomes intrigued by his wife. She in turn is charmed by his boldness and his confidence. One day she goes out for a walk and never returns. In another time, in another place, a photographer notices two ghostly figures - of a man and a woman - on pictures developed from his vintage lens. The images become clearer with each roll

of film, but his dogged investigation of the mystery could cost him dearly. So spool out the lives in *Catchlights*: the past contains the present and future; shallow and deep acts of cruelty, love, selfishness and kindness reverberate for years.
