Mummy's Curse, The: Discovering King Tut's Tomb National Geographic Books

When Sam finds a peculiar statue in a rubbish bin, little does he know that it will be the cause of the strange and sinister events that happen on the 15th Hampstead Cubs' camping weekend.

The House on Hackman's Hill Scholastic Australia

The most penetrating study of the curse ever conducted, *The Mummy's Curse* uncovers forgotten nineteenth-century fiction and poetry, revolutionizes the study of mummy horror films, and reveals the prejudices embedded in children's toys. Examining original surveys and field observations of museum visitors demonstrate that media stereotypes - to which museums inadvertently contribute - promote vilification of mummies, which can invalidate demands for their removal from display.

Jasmine Day shows that the curse's structure and meaning has changed over time, as public attitudes toward archaeology and the Middle East were transformed by events such as the discovery of Tutankhamun's tomb. The riddle of the 'curse of the pharaohs' is finally solved via a radical anthropological treatment of the legend as a cultural concept rather than a physical phenomenon. A must for anyone interested in this ancient and mystifying legend.

Lot No. 249 Skylark

The discovery and excavation of Tutankhamun's tomb is one of the most famous archeological finds in history. But compelling evidence suggests the story we know is a sham—Howard Carter and Lord Carnavon actually discovered Tutankhamun's tomb several years before they told the world they did, looted it, re-sealed it, then led the world's media back to the site to claim their place in history. This book tells the story of the skullduggery that went on in the Valley of the Kings and how the famous Mummy's Curse, far from being something mystical, could well have been a systematic way of getting rid of those who were about to blow the cover on the secret of the find, and the secrets of the tomb.

The Mummy's Curse Frances Lincoln Children's Books

The Junior Monster Scouts face off against a tricky sphinx in the hilarious sixth chapter book of the

Junior Monster Scouts series! The Junior Monster Scouts are going to host an exchange scout, a mummy staying at Castle Dracula for the summer. The Mummy's Curse Scholastic Paperbacks

The Aldens help the Greenfield Museum set up a new exhibit about ancient Egypt! The main attraction is a 4,000-year-old mummy. But when it arrives, one thing after another goes wrong for the museum. Has it been struck by a curse from the ancient mummy?

The Dummy Meets the Mummy! (Goosebumps SlappyWorld #8) Routledge

The most penetrating study of the curse ever conducted, *The Mummy's Curse* uncovers forgotten writings, examines original surveys and field observations of museum visitors, revolutionizes the study of mummy horror films and shows that the curse's structure, meaning and interpretation was changed by events such as the discovery of Tutankhamun's tomb.

The Curse of the Egyptian Mummy Random House Books for Young Readers

From multiple award-winning author Candace Fleming and Caldecott Medalist Matthew Cordell comes the true story of a woman who always got what she wanted: Isabella Stewart Gardner. A New England Book Award Finalist For years, the indomitable Isabella Stewart Gardner searched the world for magnificent artwork and filled her home with a truly unique collection, with the aim of turning it into a museum, which she established in 1903. Isabella always did things her own way. One day she'd wear baseball gear to the symphony, the next, she'd be seen strolling down the street with zoo lions. It was no surprise that she was very particular about how she arranged her exhibits. They were not organized historically, stylistically, or by artist. Instead, they were arranged based on the connections Isabella felt toward the art, a connection she hoped to encourage in her visitors. For years, her museum delighted generations of Bostonians and visitors with the collections arranged exactly as she wanted. But in 1990, a spectacular burglary occurred when two thieves disguised as police officers stole thirteen paintings, valued at \$500 million, including a Rembrandt and a Vermeer. They have yet to be recovered, though a \$10 million reward is still being offered for their safe return. Author Candace Fleming perfectly captures Isabella's inimitable personality and drive, accompanied by exuberant illustrations by Matthew Cordell. A Junior Library Guild Gold Standard Selection A CCBC Choice

The Curse of the Nile Routledge

When the pharaohs of Egypt died, they were mummified and buried in pyramids and tombs with all their riches. But as centuries passed, the tombs were looted and the pharaohs' gold stolen. Then Howard Carter found the greatest Egyptian treasure trove of all—the tomb of King Tut's mummy! But did the amazing treasure come with a deadly curse?

The Mummy (Valancourt 20th Century Classics) Lindhardt og Ringhof

Smith, a University of Oxford athlete, witnesses strange things. Edward, a student in Egyptology, collects ancient artefacts, a mummy as well. Not only does he collect them, but Smith suspects that Edward is trying to reanimate the mummy. His suspicions grow bigger when he sees the mummy disappear and then reappear. Will Smith confront Edward and what will follow after that? Is it actually possible to reanimate an artefact or it is simply fruit of imagination? Who will make it out alive - Smith, Edward, or the mummy? "Lot No. 249" holds the answers. Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock

Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.

The Curse of King Tut's Mummy (Totally True Adventures) Scholastic Inc.

Introducing THE MUMMY. Gabe just got lost — in a pyramid. One minute, his crazy cousin Sari was right ahead of him in the pyramid tunnel. The next minute, she'd disappeared. But Gabe isn't alone. Someone else is in the pyramid, too. Someone. Or some thing. Gabe doesn't believe in the curse of the mummy's tomb. But that doesn't mean the curse isn't real. Does it? Now with all-new bonus materials including a Q & A with the author and more!

The Mummy's Curse Scholastic Inc.

Members of an Egyptian expedition fall victim to an ancient mummy's curse in this thrilling Veronica Speedwell novel from the New York Times bestselling author of the Lady Julia Grey mysteries. London, 1888. As colorful and unfettered as the butterflies she collects, Victorian adventuress Veronica Speedwell can't resist the allure of an exotic mystery—particularly one involving her enigmatic colleague, Stoker. His former expedition partner has vanished from an archaeological dig with a priceless diadem unearthed from the newly discovered tomb of an Egyptian princess. This disappearance is just the latest in a string of unfortunate events that have plagued the controversial expedition, and rumors abound that the curse of the vengeful princess has been unleashed as the shadowy figure of Anubis himself stalks the streets of London. But the perils of an ancient curse are not the only challenges Veronica must face as sordid details and malevolent enemies emerge from Stoker's past. Caught in a tangle of conspiracies and threats—and thrust into the public eye by an enterprising new foe—Veronica must separate facts from fantasy to unravel a web of duplicity that threatens to cost Stoker everything...
