A classic tale by Newbery Medalist Kate DiCamillo, America's beloved storyteller. One summer's day, ten-year-old India Opal Buloni goes down to the local supermarket for some groceries – and comes home with a dog. But Winn-Dixie is no ordinary dog. It's because of Winn-Dixie that Opal begins to make friends. And it's because of Winn-Dixie that she finally dares to ask her father about her mother, who left when Opal was three. In fact, as Opal admits, just about everything that happens that summer is because of Winn-Dixie. Featuring a new cover illustration by E. B. Lewis.

"The Widows kept me on the edge of my seat. Montgomery is a masterful storyteller." —Lee Martin, author of Pulitzer Prize-Finalist *The Bright Forever* Inspired by the true story of Ohio's first female sheriff, Jess Montgomery's powerful, lyrical debut is the story of two women who take on murder and corruption at the heart of their community. Kinship, Ohio, 1924: When Lily Ross learns that her husband, Daniel, the town's widely respected sheriff, has been killed while transporting a prisoner in an apparent accident, she vows to seek the truth about his death. Hours after his funeral, a stranger appears at her door. Marvena Whitcomb, a coal miner's widow, is unaware that Daniel has died and begs to speak with him about her missing daughter. From miles away but worlds apart, Lily's and Marvena's lives collide as they realize that Daniel was perhaps not the man that either of them believed him to be. *BONUS CONTENT: This edition of *The Widows* includes a new introduction from the author and a discussion guide "The Widows is a gripping, beautifully written novel about two women avenging the murder of the man they both loved."—Hallie Ephron, *New York Times* bestselling author of *You'll Never Know, Dear* "Jess Montgomery's gorgeous writing can be just as dark and terrifying as a subterranean cave when the candle is snuffed out, but her prose can just as easily lead you to the surface for a gasp of air and a glimpse of blinding, beautiful sunlight. This is a powerful novel: a tale of loss, greed, and violence, and the story of two powerful women who refuse to stand down."—Wiley Cash, *New York Times* bestselling author of *The Last Ballad*, *A Land More Kind than Home*, and *This Dark Road to Mercy* "[A] flinty, heartfelt mystery that sings of hawks and history, of coal mines and the urgent fight for social justice."—Julia Keller, Pulitzer Prize-winning author of *Bone on Bone*

 "A Diary From Dixie" is a Civil War diary which paints a "vivid picture of a society in the throes of its life-and-death struggle." The author described the war from within her upper-class circles of Southern planter society, but encompassed all classes in her book. Literary critics have praised Chesnut's diary. The influential writer Edmund Wilson termed it "a work of art", "masterpiece" of the genre and the most important work by a Confederate author.

Dixie Hemingway was a County deputy when a tragic accident happened and now she is a pet-sitter. But when she finds a man drowned in a cat's water bowl, she is drawn into a tangled web of danger and secrets.

[Dixie's Daughters](#) Greenwood

NOW A MAJOR MOTION PICTURE—The #1 *New York Times* bestselling worldwide sensation with more than 18 million copies sold, hailed by *The New York Times Book Review* as "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature." *New York Times Readers Pick: 100 Best Books of the 21st Century* For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called

Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the *Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

 Wall Street Journal's Five Best Books on the Confederates' Lost Cause Southern Association for Women Historians Julia Cherry Spruill Prize Even without the right to vote, members of the United Daughters of the Confederacy proved to have enormous social and political influence throughout the South—all in the name of preserving Confederate culture. Karen Cox traces the history of the UDC, an organization founded in 1894 to vindicate the Confederate generation and honor the Lost Cause. In this edition, with a new preface, Cox acknowledges the deadly riots in Charlottesville, Virginia, showing why myths surrounding the Confederacy continue to endure. The Daughters, as UDC members were popularly known, were daughters of the Confederate generation. While southern women had long been leaders in efforts to memorialize the Confederacy, UDC members made the Lost Cause a movement about vindication as well as memorialization. They erected monuments, monitored history for "truthfulness," and sought to educate coming generations of white southerners about an idyllic past and a just cause—states' rights. Soldiers' and widows' homes, perpetuation of the mythology of the antebellum South, and pro-southern textbooks in the region's white public schools were all integral to their mission of creating the New South in the image of the Old. UDC members aspired to transform military defeat into a political and cultural victory, in which states' rights and white supremacy remained intact. To the extent they were successful, the Daughters helped to preserve and perpetuate an agenda for the New South that included maintaining the social status quo. Placing the organization's activities in the context of the postwar and Progressive-Era South, Cox describes in detail the UDC's origins and early development, its efforts to collect and preserve manuscripts and artifacts and to build monuments, and its later role in the peace movement and World War I. This remarkable history of the organization presents a portrait of two generations of southern women whose efforts helped shape the social and political culture of the New South. It also offers a new historical perspective on the subject of Confederate memory and the role southern women played in its development.

A Year in the South is about four ordinary people in an extraordinary time. They lived in the South during 1865 -- a year that saw war, disunion, and slavery give way to peace, reconstruction, and emancipation. One was a slave determined to gain freedom, one a widow battling poverty and despair, one a man of God and planter's son grappling with spiritual and worldly troubles, and one a former Confederate soldier seeking a new life. Between January and December 1865 they witnessed,

from very different vantage points, the death of the Old South and the birth of the New South. Civil War historian Stephen V. Ash reconstructs their daily lives, their fears and hopes, and their frustrations and triumphs in vivid detail, telling a dramatic story of real people in a time of great upheaval and offering a fresh perspective on a pivotal moment in history.

Journal of the House of Representatives of the United States Mercier Press Ltd

At the conclusion of The Last Confederate, almost twenty-four thousand Union and Confederate soldiers had fallen on the field of battle at Sharpsburg, making it the bloodiest day of American history. Among the casualties for the South was Captain Vance Wickham, husband of Belle Wickham. She was a daughter of Sky and Rebekah Winslow, and now the tragedy of war makes its dreaded call upon the Winslow family. In *The Dixie Widow*, Belle Wickham's sorrow turns to anger and bitterness, then finally to blind hatred for the North. She declares in steely voice, "I live for only one purpose: to see the Union destroyed," and vows to remain a widow until the Yankees are whipped. Belle is persuaded to travel to her Winslow relatives in the Washington, D.C. area and spy for the Confederacy--at the risk of her own life. Taken into the home of her grandfather, Captain Whitfield Winslow, she is in a strategic position to secure secret information to pass to the South. But an even greater tragedy awaits the Winslow family. Book 9 in *The House of Winslow*.

The Moon by Night (Cheney and Shiloh: The Inheritance Book #2) Scarecrow Press

The first official White House videographer chronicles his time capturing behind-the-scenes moments of the president and his administration from the early months of the 2008 campaign and through the first two and a half years of the Obama administration. Arun Chaudhary had a unique perspective on the president of the United States. "I'm sort of like President Obama's wedding videographer," he explains, "if every day was a wedding with the same groom but a constantly rotating set of hysterical guests." Some of the moments Chaudhary captures are small, like the president throwing warm-up pitches deep inside Busch Stadium in St. Louis before the All-Star game. Some are intensely emotional, as when Obama comforts a grieving teenager whose father had died in a devastating tornado. And some are just plain bizarre—like getting thrown out of the Indian parliament by his belt, or being trapped in a White House bathroom while Obama conducts a YouTube town hall on the other side of the door. Film and politics have been intertwined ever since the first Edison reels rattled in projection halls a century ago. But with the advent of new technologies and a new public that is hungry for images of their leaders, Chaudhary has been in the right place at the right time to participate in the interplay of film and politics at the very highest level. His entertaining and eye-opening book—which includes stories and images of key players such as Barack and Michelle Obama, Joe Biden, and Hillary Clinton, among others—gives readers a unique view of their government and their president in these historic and challenging times.

A Widow's Curse Grand Central Publishing

More than 140 entries in this book depict events which have had lasting national significance in opening opportunities in the struggle for equal civil rights and opportunities for women. The impact of many of the included events was initially felt on a local level; but in time it created repercussions that spread across the country. These stories show women assuming roles of providers and heads of households, and their leadership, exerted in and outside the home, would often manifest in the community at large and, in turn, in the nation and in the world. The book is divided into four parts: OneThe Seeds Are planted; Two19th CenturyThe Movement Takes Root; Three20th CenturyReaching for the Sunlight; Four21st CenturyComing into Full Bloom. The book begins with Anne Hutchinson and Mary Dyer and ends with Condoleezza Rice, Nan

Whistlin' Dixie in a Nor'Easter is the story of a sweet Southern belle who leaves her beloved

Memphis, Tennessee to follow her husband's dream of becoming the proprietor of a quaint Vermont inn. Leelee Satterfield seemed to have it all: a gorgeous husband, two adorable daughters, and roots in the sunny city of Memphis, Tennessee. So when her husband gets the idea to uproot the family to run a quaint Vermont inn, Leelee is devastated...and her three best friends are outraged. But she's loved Baker Satterfield since the tenth grade, how can she not indulge his dream? Plus, the glossy photos of bright autumn trees and smiling children in ski suits push her over the edge...after all, how much trouble can it really be? But Leelee discovers pretty fast that there's a truckload of things nobody tells you about Vermont until you live there: such as mud season, vampire flies, and the danger of ice sheets careening off roofs. Not to mention when her beloved Yorkie decides to pick New Year's Eve to go to doggie heaven-she encounters one more New England oddity: frozen ground means you can't bury your dead in the winter. And that Yankee idiosyncrasy just won't do. The inn they've bought also has its host of problems: an odor that no amount of potpourri can erase, tacky décor, and a staff of peculiar Vermonters whose personalities are as unique as the hippopotamus collection gracing the fireplace mantle. The whole operation is managed by Helga, a stern German woman who takes special delight in bullying Leelee for her southern gentility. Needless to say, it doesn't take long for Leelee to start wondering when to drag out the moving boxes again. But when an unexpected hardship takes Leelee by surprise, she finds herself left alone with an inn to run, a mortgage to pay, and two daughters to raise. But this Southern belle won't be run out of town so easily. Drawing on the Southern grit and inner strength she didn't know she had, Leelee decides to turn around the Inn, her attitude and her life. In doing so, she makes friends with her neighbors, finds a little romance, and realizes there's a lot more in common with Vermont than she first thought. In this moving and comedic debut, Lisa Patton paints a hilarious portrait of life in Vermont as seen through the eyes of a southern belle readers won't soon forget. A charming fish-out-of-water tale of one woman who learns to stand up for herself-in sandals and snow boots-against the odds.

American Historical Fiction Macmillan

This guide identifies both in-print and out-of-print works of fiction featuring continuing themes, plots or characters in which there is a sense of development and passage of time. Entries are arranged alphabetically by author and are accompanied by bibliographic information.

The Widow of the South Penguin

A further collection of John B. Keane's highly successful letters. This book includes Letters of a Civic Guard, Letters of an Irish Publican, Letters of a Country Postman and Letters to the Brain. Four very different people in four very different circumstances and the thread that binds them is John B. Keane's skill at recognising the follies and weaknesses of men and women. The letter writers and their correspondents prove to be fine examples of this.
