What is the ultimate goal of the gospel from God's perspective? What fruit is He seeking from the sowing of His Word into the earth? In the parable of the wheat and the tares, Jesus foretold of a great harvest, which would mark the end of the age. He explained that the good seed, brought forth of the sowing of the Son of man, were the sons of the kingdom. From creation on, God has patiently waited for this harvest of His kingdom sons. Even so, much sowing remains to be done. Yet it is vital that the right seed be sown, because the seed sown will bring forth after its own kind, be it wheat or tares. The Word that God sowed into the earth was not religious principle and doctrine. Rather, it was His Son, the Lord Jesus Christ. God sowed eternal life in the seed of His Son in order to raise up subsequent generations of sons who also would partake of His life and nature. All those who receive Him are given the authority to become sons of God and rightful heirs of His kingdom. Seed of the Harvest is a prophetic call to the destiny of kingdom sonship and communion with God in Spirit and truth. Dr. Eric W. Lucas is a trustee of Cornerstone Fellowship Church in Frederick Md. Eric also leads the Jesus Bible Fellowship in Ellicott City, Md., where he lives with his wife Linda, and four children, Eric, David, Bethany and Ruthie.

EMPOWERED If you want to know who you are in Christ and why you are empowered? Read this book. What are you empowered to do? Jesus was the seed of the woman. You are the seed of Jesus Christ because every born-again believer was born out of Him. He died to give you new life. One seed gave rise to hundreds and thousands of more seeds. If we truly love the Seed of the woman, then we will enthusiastically and willingly obey His mandate. Did Christ delegate His authority to just a few? Is this mandate given to every believer? Did He create every human being upon this earth? Does He love every human being and want them to come to the knowledge of Christ? Read this book. It will not only motivate, increase your faith, help you to live out Jesus Christ, make you faithful but also help you live a prosperous and a victorious life. This book will show how you are living below your expectation. There is a miracle in every seed! You are empowered to sow that seed. THE SEED IS THE WORD. Life! What is life? Life is encapsulated in a seed. The seed is the Word. Words, Words, Words! Powerful words! This must find an abiding place in the heart of the "would be believers." The Holy Spirit hovers over the man. The Spirit and the Word work together. The Spirit

helps to break up the fallow ground of the heart, causing furrows. The Word brings conviction which engenders repentance. The hearing ear causes the word to be embedded in the furrows of the heart. The "rain" of the Spirit helps the seed in the heart to germinate. The angelic host, sing hallelujah! A child is born into the Kingdom of God. What a joyous moment! Birthing always brings with it great rejoicing and joy unspeakable. Why did Jesus take those thirty nine stripes on His back? His flesh on His back was torn causing bleeding and gaping furrows. The seeds that fell into these furrows birthed the first fruits of His ministry. The Seed of the woman, who was scourged, broken and bruised did not go through this agony and pain in vain. His death on the cross birthed hundreds and millions of souls. Being born out of Jesus Christ is real life! Abundant life! Eternal life! THE SEED FAITH Faith! What is faith? " Oh faithless and perverse generation..." Everyone has a measure of faith. How does this measure of "faith" translate to " faith that moves mountains." Faith is seed. The seed is the Word. Faith grows as the Word is heard. Faith flourishes and matures to bear fruit. How does this happen? The increase comes by hearing and hearing again the Word. Whether one is hearing the Word from the lips of others or listening to ones own voice or meditating on the Word or reading silently, the inner ear is listening to the Word. As this word enters the heart it becomes the Rhema Word. Living out the Word helps faith to grow. "For without faith it is impossible to please God" (Hebrews 11 : 6) Obedience flows out of our faith in God. The Spirit of the Word has the "dunamis" power to increase our spiritual faith. Faith is like the electrifying power as we surrender in

homage to our Creator God. Abraham is a very good example of such a faith He obeyed God without question. No wonder that he is referred to as the "Friend of God." He walked with God and he sensitized his ear to hearing from God. God is not asking for big faith but faith the size of a seed. If your faith is a seed it will germinate and grow. When faith matures it will bear fruit, some thirtyfold, some sixty fold and others hundred fold. So faith is a fruit that God loves in everyone of us. " If you have faith as a mustard seed you will say to this mountain, " move from here to there, it will move and nothing will be impossible for you." Matthew 17: 18 – 20

In Genesis 1, God spoke of making (hu)man in his image and after his likeness. In Genesis 2, God formed (hu)man off the dust of the ground and breathe into his nostrils the breath of life. Just as in the beginning, God spoke his word and it became to pass. But when it came to the earth, God spoke that it would bring forth fruit from whatever was planted in it, and whatever grew from what was planted, the seed of it was in the fruit of what would grow. God planted his word and his Spirit in us from the very beginning. But another seed was planted—the seed of disobedience. So now we have to choose what words we will receive to grow in us to produce whatever type of fruit, for the seed is in that fruit. So in receiving the Word of God as planting seeds, you are now the by-product of the first fruits. His seed is within to produce

after his kind.

Jesus said, "...for this cause I came". He came to die for our sins. If Jesus had not done what He was sent to do, then He could not set captivity free. In other words, Jesus said I go to prepare a place for you. Anif I go to prepare a place for you, I will come again, and get you so you will be with me always. Accept a corn of wheat falls to the ground and dies it remains alone. You see, if Jesus had not died to atone our sins, we would remain unfit for the Kingdom. Because no whoremonger, adulterer, fornicator, drunkard, nor idolater will see Heaven. No, absolutely no sinner will see the Kingdom of God. Jesus said I must go first and make ready a place for you in my Father's house where there are many mansions. And after I have accomplished that, I will come back for you and take you back with me and we will spend eternity together. Jesus is the seed that fell from the Master's hand. The sower, who is the father and the husbandman, sows the seed which is the Word of God. The word then becomes flesh and dwells amongst us and we behold the only begotten Son of God full of glory whose name is the word of God. A seed alone in your hand will only stay a seed. But if you sow that seed, plant that seed. You will then see that seed produce and bring forth a harvest that will give birth to a multitude of seeds. And now that seed that was alone in your hand is no longer alone. It is surrounded by a family of other seeds just like itself. Accept the seed falls to the ground and dies it will remain alone. Jesus, who is the seed's purpose for falling to the earth, was to die. He didn't come to earth to go back to heaven alone. He's coming back to get this Church who will be without spot

or wrinkle.

What happens to seed when planted in fertile soil? In a natural sense when a farmer plants seed in fertile soil, he expects his crop to yield fruit according to the seed planted. The soil was chosen by the farmer as was the seed. When a farmer plants he expects the seed to germinate and grow and eventually produce fruit. Fruit that could be counted for some hundred, some sixty, and some thirty. God who we can say is the farmer has chosen the soil and called it "good ground" meaning as a believer "I was predestined". "He predestined us to be adapted as His sons through Jesus Christ, in accordance with His pleasure and will" Ephesians 1:5 (KJV). Similar It was the pleasure and will of plant seed, in his chosen soil, expecting to yield fruit. So, Jesus chooses the same analogy for those who are called, choosing to plant his "word" on the fertile soil "me" and every other believer. The book will contain how the word of God which is seed has grown and will continue to grow as it bears more fruit. Even as the farmer expects to yield fruit because of his investment "labor" so does Father God expect for every believer to yield him a return, and the return is fruiting some hundred, and some sixty, and some thirty. The Father in Faith expects His children to produce what He hopes for, meaning He expects us to bear fruit. The evidence not seen by His children, however seen by God the Father. Faith is the substance of things hoped for the evidence of things not seen Hebrews 11:1 (KJV). The seed planted in choice soil will produce fruit. This author being "good ground" received the seed, heard the word of God and understood it which bear fruit

and brings forth some a hundred, some sixty some thirty Matthew 13: 23 (KJV). The book contains the evidence of seed being planted in good ground. Margaret Majors is a teacher, a wife, mother, grandmother, and great grandmother. Her ongoing learning is equivalent to the progression of life. Keep in Step with the Spirit (second edition) Whitaker House

When He came to earth, Jesus Christ was rejected in every quarter in which He stepped. The Creator was rejected by His own creation. "He came to His own and His own received Him not," said John. For this reason, Jesus Christ had "no where to lay His head." There was one exception, however. A little village just outside of Jerusalem named Bethany. Bethany was the only place on earth where Jesus was completely received. God's Favorite Place on Earth is a retelling of Jesus' many visits to Bethany and a relaying of the message it holds

for us today. Frank Viola presents a beautifully crafted narrative from the viewpoint of Lazarus, one of the people who lived in Bethany with his two sisters. This incomparable story not only brings the Gospel narratives to life, but it addresses the struggle against doubt, discouragement, fear, guilt, rejection, and spiritual apathy that challenges countless Christians today. In profoundly moving prose, *God's Favorite Place on Earth* will captivate your heart with its beauty, charm, and depth. In this book you will discover how to live as a "Bethany" in our world today, being set free to love and follow Jesus like never before.

Seed of the Harvest Living Stream Ministry

Based on Kurt Bennett's popular-ish blog *God Running*, *Love Like Jesus* begins with the story of how after a life of regular church attendance and Bible study, Bennett was challenged by a pastor to study Jesus. That led to an obsessive seven-year deep dive. After pouring over Jesus' every interaction with another human being, he realized he was doing a much better job of studying Jesus' words than he was following Jesus' words and example. The honest and fearless revelations of Bennett's own moral failures affirm he wrote this book for himself as much as for others. *Love Like Jesus* examines a variety of stories, examples, and research, including: -Specific examples of how Jesus communicated God's love to others. -How Jesus demonstrated all five of Gary Chapman's love languages (and how you can too). -The story of how Billy Graham extended Christ's extraordinary love and grace toward a man who misrepresented Jesus to millions. -How to respond to critics the way Jesus did. -How to love unlovable people the way Jesus did. -How to survive a life of loving like Jesus (or how not to become a Christian doormat). - How Jesus didn't love everyone the same (and why you shouldn't either). -How Jesus guarded his heart by taking care of himself--he even napped--and why you

should do the same. -How Jesus loved his betrayer Judas, even to the very end. With genuine unfiltered honesty, Love Like Jesus shows you how to live a life according to God's definition of success: A life of loving God well, and loving the people around you well too. A life of loving like Jesus.

What does living for Jesus look like in the everyday stuff of life? Many Christians have unwittingly embraced the idea that "church" is a once-a-week event rather than a community of Spirit-empowered people; that "ministry" is what pastors do on Sundays rather than the 24/7 calling of all believers; and that "discipleship" is a program rather than the normal state of every follower of Jesus. Drawing on his experience as a pastor and church planter, Jeff Vanderstelt wants us to see that there's more—much more—to the Christian life than sitting in a pew once a week. God has called his people to something bigger: a view of the Christian life that encompasses the ordinary, the extraordinary, and everything in between. Packed full of biblical teaching, compelling stories, and real-world advice, this book will remind you that Jesus is filling the world with his presence through the everyday lives of everyday people... People just like you.

Five Laws of the Dying Seed

CFCINDIA Bangalore

We all know that life can be hard, and working in the garden and trying to grow a garden is hard work. In our lives, if we want to grow spiritually closer to God, it takes work and effort in each of our hearts. The truth that God gives us is from his Word. It is the seeds that we need to plant in our lives and be willing to accept. The seed has to have water so

it can grow. We need the active working of God in our lives so the truth can come alive in our lives. As we grow, we need be close to Gods will in our lives, in the light of His will for our lives, so we can continue to grow for him. As God prepares us to do his work, we must be rooted in the foundational truths that God has for us in his Word. Like a garden, we have to be aware of the dangers that come in and can contaminate our effectiveness for God. All the steps that we need to take so that we might be fruitful for God, to have a final product that is worthy before God when one day we meet him. I hope that you will take the journey and see that you too can have a beautiful garden for God.

Receive Your Miracle Now Zondervan Witness Lee speaks of the church in The Practical Expression of the Church, not only from the viewpoint of God's eternal purpose, which is the church triumphant and universal, but also from the viewpoint of the believers' experience and enjoyment of the riches of Christ, which produces a local expression of the church, an expression that displays the oneness of the Body of Christ and brings in God's commanded blessing (Psalm 133).

The Seed That Fell from the Master's Hand NavPress

Learning to Love what Father Loves Other seeds fell on good soil, and yielded grain—some a hundred times as much as was sown, some sixty times as much, and some thirty (Matthew 13:8 AMP). Nourishing the Seed is the result of well-known Bible teacher and author Bob Mumford's spiritual walk with the Lord. You will come alongside his unfolding journey over the past 55 years of learning to love what God loves. Like his book Mysterious Seed—Maturing in

Father's Love, he passes along to you the bag of seed that the Father gave him. Nourishing the Seed helps you: Understand Agape love as the mysterious Kingdom Seed that must be cultivated and nourished to grow and produce fruit in your life. Address the issues that keep that nourishment from happening. A Teacher Called Nicodemus Charisma Media

Sandra Mosley introduces the birth of a seed. This is the story of her life and her faith in God, her early childhood and becoming an unwed teenage mother with two children, the heartbreaks she endured the pain, and the suffering that she went through as a young adult. This book brings to life the power of prayer and faith in God and the miracles that he will do if you only believe and have mustard-seed faith. After reading the story, hopefully, it will show how through all obstacles, there is the promise that God said, "I will never leave you nor forsake you." He can bring you from the deepest, darkest moment of your life

and bring comfort to you. When you have lost loved ones in your life and you feel you cannot go on, this is where the power of prayer helps comfort you. As you continue the story, you will see God will send you a comforter to keep you, and you will also witness the miracles. With three cancers and the sudden death of her husband, you will see where the faith of a mustard seed kept her strong and wise. The love that she has for God is so powerful that she wants the world to know the joy that she feels in her spiritual walk with the Lord. The story will show that God has a plan for all of our lives. We must be able to accept and trust in him. Listen for that small, still voice that gives us directions. We will also continue to read to train our children to know God, read the scriptures, and follow the way of the Lord. He gives us so much, and he asks very little of us. May the blessings of the Lord be with all the readers.
