Storm Warning Penguin
 New York Times bestselling author Nora Roberts weaves scandal, celebrity secrets, and murder into an explosive novel of Hollywood almost too wicked not to be true: the story of a legendary actress who knows too much—and the woman she’s chosen to reveal it all. . . . Eve Benedict is the kind of subject who could make any biographer’s career. Last of the movie goddesses, she has two Oscars, four ex-husbands, and a legion of lovers, both famous and infamous. Now she is ready to write a tell-all memoir that has even Hollywood’s richest and most powerful worried. Julia Summers never dreamed of being chosen to tell Eve’s story. But even if it means transplanting herself and her ten-year-old son from their quiet life in Connecticut to the withering limelight of Beverly Hills, it’s an opportunity too great to pass up. But Julia never imagined how far someone would go to keep Eve Benedict’s book

from being published . . . until she discovers just how dark Eve's secrets are. And the one man Julia hopes she can trust—Eve's stepson, Paul Winthrop—may have the most to gain if his stepmother's story is never told . . . and if Julia's life ends before she can write a word of the truth. "Roberts does a beautiful job weaving together the movie star's titillating tales and the love story that develops."—USA Today

Hidden Riches St.

Martin's Paperbacks
From Nora Roberts comes the #1 New York Times bestseller *Shelter in Place* (June 2018)—a powerful tale of heart, heroism...and propulsive suspense. It was a typical evening at a mall outside Portland, Maine. Three teenage friends waited for the movie to start. A boy flirted with the girl selling sunglasses. Mothers and children shopped together, and the manager at video game store tended to customers. Then the shooters arrived. The chaos and carnage lasted only eight minutes before the killers were taken down. But for those who lived through it, the effects would last forever. In the years that followed, one would dedicate himself to a law enforcement career. Another would close herself off, trying to bury the memory of huddling in a ladies' room, helplessly clutching her cell phone—until she finally found a way to pour her emotions into her art. But one person wasn't satisfied with the shockingly high death toll at the DownEast

Mall. And as the survivors slowly heal, find shelter, and rebuild, they will discover that another conspirator is lying in wait--and this time, there might be nowhere safe to hide.
