bestselling author of
the epic Year One
returns with *Of Blood
and Bone*, a new tale of
terror and magick in a
brand new world. They
look like an everyday
family living an
ordinary life. But
beyond the edges of
this peaceful farm,
unimaginable forces of
light and dark have
been unleashed. Fallon
Swift, approaching her

thirteenth birthday, barely knows the world that existed before—the city where her parents lived, now in ruins and reclaimed by nature since the Doom sickened and killed billions. Traveling anywhere is a danger, as vicious gangs of Raiders and fanatics called Purity Warriors search for their next victim. Those like Fallon, in possession of gifts, are hunted—and the time is coming when her true nature, her identity as The One, can no longer be hidden. In a mysterious shelter in the forest, her training is about to begin under the guidance of Mallick, whose skills have been honed over centuries. She will learn the old ways of healing; study and spar; encounter faeries and elves and

shifters; and find powers within herself she never imagined. And when the time is right, she will take up the sword, and fight. For until she grows into the woman she was born to be, the world outside will never be whole again. Hidden Riches Penguin #1 New York Times bestselling author Nora Roberts exposes a proud family's deadly secrets in this passionate tale of two Napa Valley rivals... PR executive Sophia Giambelli loves her job and has never worried about competition. For three generations, her family's wines have been world-renowned for their quality. But things are about to change at Villa Giambelli. Tereza, the matriarch, has announced a merger

with the MacMillan family's winery—and Sophia will be assuming a new role. As a savvy businesswoman, Sophia knows she must be prepared for anything...but she isn't prepared for Tyler MacMillan. They've been ordered to work together very closely, to facilitate the merger. Sophia must teach Ty the finer points of marketing—and Ty, in turn, shows her how to get down and dirty, to use the sun, rain, and earth to coax the sweetest grapes from the vineyard. As they toil together, both in and out of the fields, Sophia is torn between a powerful attraction and a professional rivalry. At the end of the season, the course of the company's

future—and the legacy of the villa—may take an entirely new direction. And when acts of sabotage threaten both the family business and the family itself, Sophia's quest will be not only for dominance, but also for survival.

reuniting her with her loved ones. Cate's ordeal, though, was far from over. First came the discovery of a shocking betrayal that would send someone she'd trusted to prison.
