STEIN MORA

Fashion Sketchbook McGraw-Hill Companies

An accessible guide to creating and sewing doll's clothes for budding designers and crafty kids

Fashion Illustration & Design Lark Books (NC)

Young Children, Pedagogy and the Arts is an innovative text that describes practices and research that cross all five strands of the arts—visual, drama, music, dance, and media—and illuminates ways of understanding children and their arts practices that go beyond the common traditions. The book: - Offers practical and rich illustrations of teachers' and children's work based on international research that integrates theory with practice; - Brings a critical lens to arts education; - Includes summaries, reflective questions, and recommended further readings with every chapter. Young Children, Pedagogy and the Arts provides a more nuanced understanding of the arts through an exploration of specific instances in which committed teachers and researchers are discovering what contemporary multimodal tools offer to young children. Chapters contain examples of 'doing' the arts in the early years, new ways of teaching, and how to use emerging technologies to develop multiliteracies, equity, agency, social and cultural capital, and enhance the learning and engagement of marginalized children.

Sewing Clothes for Barbie National Geographic Books

A charming young ballerina and eight beautiful costumes from favorite ballets, including "The Nutcracker, Firebird, Sleeping Beauty, Petrouchka," "Don Quixote, " and more."

Essentials Fashion Sketchbook Quarry Books

The Fashion Business Manual is everything you need to start building your fashion brand. It takes you step by step through building a brand from startup to retailing, using illustrations to break down complex business information into an easy-to-read visual format - making it a dynamic resource for fashion students, entrepreneurs and people in the fashion industry.

Barbie Harry N. Abrams

Sketch Your Style is a fully interactive guided sketchbook for anyone who loves fashion and loves to doodle, sketch, and draw. Inside, you'll find step-by-step instructions for drawing and personalizing figures, and more than 50 inspirational exercises and prompts that will help you bring your creative vision to life. From exploring periods in fashion history and fun trends to the work of influential designers, each exercise is introduced with lively visuals and followed by pages where you can try out your own ideas. Some pages are blank, while others have printed templates, such as figure croquis or fabric swatches, as guides.

Fashion Design Workshop Chris Hart Books

This accessible guide provides a stimulating introduction to teaching this new and exciting topic, offering practical and helpful advice on classroom approaches and clear reference to critical and theoretical writing. It links the study of video games to the key concepts, includes detailed case

studies of a range of video games, and summarises recent educational research. As with all the guides in this series, this title is supported by additional student materials on dedicated password accessible web pages.

The Fashion Business Manual Independently Published

Versace's chief illustrator teaches us how to draw, halfway between fashion sketch and illustration, in a non-classical and non-stereotypical way.

Stitch Love: Sweet Creatures Big and Small Penguin

As legions of people collect vintage 11 1/2-inch fashion dolls, more and more people are looking and desiring to clothe their dolls in vintage costumes. Such original costumes can cost a fortune. Author Mari DeWitt has drafted patterns so that anyone who loves dolls, clothes, and self-expression can recreate a classic wardrobe for their 11 -inch fashion dolls. This book contains 14 full-sized pattern projects to create clothes and accessories for complete vintage ensembles. The author provides and shows the reader step-by-step sewing techniques and illustrations that will enable anyone to create these classic designs.

Fashion Designer's Handbook for Adobe Illustrator Penguin

From the clothes to the pose, here's everything you need to create fierce fashion illustrations.

Create fabulous fashion moments! Drawing on 20+ years of fashion illustrating experience, Jennifer Lilya uses acrylic paint and black ink to show you how to draw the clothes, poses and attitudes behind runway-worthy art. Follow her expert tips, techniques and step-by-step illustrations to draw girls that rock the look, from flirty and fun to strong and sexy. Illustrated with tons of gorgeous examples, this guide covers everything from assembling your tools and mixing skin tones to the secrets behind natural looking poses and proper fabric drape. Jennifer uses acrylic paint and black ink to create her happy illustrations, and shows you how, too. But you can follow along with markers, pencils or whatever you like! Find out how to: • Draw standing and walking poses full of attitude and movement. • Use highlights, shadows and line quality to liven up your illustrations. • Evoke a variety of facial expressions using loose indications of eyes, lips and noses. • Create the look of batik, plaid, leather, lace, tweed and other fabrics. • Pull it all together into complete fashion illustrations. Pulsing with style, color and energy, this super-sassy guide will help you move your fashion art forward. Give your girls the spirit and spunk they need to enchant the crowd as they cruise the runway, hit the town or strike a pose.

How To Draw Like a Fashion Designer Routledge

A legendary fashion designer for Barbie shares the story of her adventures working behind-the-scenes at Mattel, and spotlights the creations that transformed the world's most famous doll into a style icon in this beautifully designed book—published in commemoration of Barbie's sixtieth anniversary—illustrated with 100 full-color photographs, including many never-before-seen images of rare and one-of-a-kind pieces from the author's private archive. Dressing Barbie is a dazzling celebration of the clothes that made America's favorite doll, and the incredible woman behind them. For thirty-five years, Carol Spencer enjoyed an unparalleled reign as a Barbie fashion designer,

creating some of Barbie's most iconic looks from the early 1960s until the late 1990s. Barbie's wide-ranging wardrobe—including princess gowns and daisy-print rompers, flirty sundresses and smart pantsuits—combined fashion trends and haute couture with a liberal dose of fantasy. In *Dressing Barbie*, the successful and prolific designer reminisces about her time at Mattel working with legendary figures such as Ruth Handler, Barbie's creator, and Charlotte Johnson, the original Barbie designer, and talks about her best and most beloved clothing designs from each decade. But Carol's most impressive creation is her own life. As Handler famously said, "Barbie always represented the fact that a girl has choices"—a credo Carol epitomized. In *Dressing Barbie*, she talks candidly about how she broke free of the constraints of the late 1950s to pursue a dazzling career and an independent life for herself. Over the course of her successful and prolific career, Carol won many accolades. She was the first designer to have her signature on the doll, the first to go on a signing tour, the first to design a limited-edition Barbie Doll for collectors, and the designer of the biggest selling Barbie of all time. Now, Carol is the first member of the inner circle to take fans behind the pink curtain, revealing the fashion world of Barbie, the quintessential California girl, as never before.

Sewing For Dummies CICO Books

Draw and color creations, choose materials, and learn to design through drawing your own fashion. Whether your child wants to design the next big outfit for New York fashion week, or they just want to learn about textiles and fabrics, *How to Be a Fashion Designer* helps kids enjoy experimenting with new ideas. Bright illustrations mixed with fun photography show kids how to choose gorgeous colors, design dress shapes, customize t-shirts, and add sparkle to their accessories using simple, easy-to-follow design tasks and practical projects. Using inspiration from the natural world, everyday life, and their own imagination, children can design outfits from scratch and learn how to put together the clothes and accessories they already own in fun, stylish ways. This nonfiction fashion book for children is perfect for 7-9-year-olds and brings a unique approach to STEAM learning by combining art and design with practical, hands-on making.

Every page will spark creativity.

Fashion Design for Kids Fashionary

Take an enthralling and richly illustrated trip through the official real-world story of the Barbie™ doll—from groundbreaking toy to beacon of female empowerment. Created in partnership with Mattel to celebrate Barbie doll's 65th anniversary and featuring rare images from their archives, *Barbie: Her Inspiration, History, and Legacy* is a stunning tribute to the beloved pop culture icon that has echoed the taste, style, and events of every decade she has experienced. Recall the joy of opening a brand-new Barbie box with this sumptuously designed book chronicling every step in the beloved doll's journey, from entrepreneurial pioneer Ruth Handler's creation of Barbie in 1959 to the record-breaking film in 2023, and beyond, including: *The Birth of Barbie* - Learn how Ruth Handler came up with the idea of a doll that allowed little girls to play at being women, then overcame a parade of challenges—including disbelief from her male colleagues that mothers would buy their daughters an adult doll with full-grown breasts—and persevered to create the wildly successful Barbie doll and prove her doubters wrong. *Breaking Boundaries* - Follow the path that Barbie took from teenage fashion model to over 200 different careers, including trailblazing roles like astronaut in 1965, beating the first American woman, Sally Ride, into space by nearly 20 years, to surgeon in 1973, at a time when the total number of women physicians in the US was around 5 percent, to other male-dominated roles like Marine Corps sergeant, a business executive, and President of the United States. *Reflecting Diversity* - See how a doll that started with a choice of either blonde or brunette hair now boasts 35 skin tones, 97 hair styles, and 9 body types, with those numbers growing each year. *Barbie in Fashion and Art* - Explore how the fashion and art worlds have influenced and been influenced by Barbie, from limited edition Barbie fashions from premiere designers like Christian Dior and Michael Kors to a portrait of Barbie by Andy Warhol. *Barbie in Pop Culture* - Discover all the ways that Barbie has influenced pop culture, from Barbie bloggers and collectors to how her movie smashed records as the highest-grossing domestic release in history, granting its female director, Greta Gerwig, the prize for the highest-grossing film directed by a woman. *Barbie: Her Inspiration, History, and Legacy* reveals how Barbie is more than a toy—she is an ideal that lives forever, encouraging girls to persist through to become whatever they dream to be.

Fashion Design Studio National Geographic Books

From Yolanda Gampp, host of the massively popular, award-winning YouTube sensation "How to Cake It," comes an inspiring "cakebook" with irresistible new recipes and visual instructions for creating spectacular novelty cakes for all skill levels. On her entertaining YouTube Channel, "How to Cake It," Yolanda Gampp creates mind-blowing cakes in every shape imaginable. From a watermelon to a human heart to food-shaped cakes such as burgers and pizzas—Yolanda's creations are fun and realistic. Now, Yolanda brings her friendly, offbeat charm and caking expertise to this colorful cakebook filled with imaginative cakes to make at home. *How to Cake It: A Cakebook*

includes directions for making twenty-one jaw-dropping cakes that are gorgeous and delicious, including a few fan favorites with a fresh twist, and mind-blowing new creations. Yolanda shares her coveted recipes and pro tips, taking you step-by-step from easy, kid-friendly cakes (no carving necessary and simple fondant work) to more difficult designs (minimal carving and fondant detail) to aspirational cakes (carving, painting and gum-paste work). Whatever the celebration, Yolanda has the perfect creation, including her never before seen Candy Apple Cake, Party Hat, Rainbow Grilled Cheese Cake, Toy Bulldozer Cake and even a Golden Pyramid Cake, which features a secret treasure chamber! Written in her inspiring, encouraging voice and filled with clear, easy-to-follow instructions and vibrant photos, *How to Cake It: A Cakebook* will turn beginners into confident cake creators, and confident bakers into caking superstars!

There are also templates for shoes and hats in the back of the journal, plus helpful industry terms and descriptions, size equivalent information, measuring tips, descriptions of basic garments, and more.

[Gertie's New Fashion Sketchbook](#) Peter Pauper Press

Object Lessons is a series of short, beautifully designed books about the hidden lives of ordinary things. The haunted doll has long been a trope in horror movies, but like many fears, there is some truth at its heart. Dolls are possessed-by our aspirations. They're commonly used as a tool to teach mothering to young girls, but more often they are avatars of the idealized feminine self. (The word "doll" even acts as shorthand for a desirable woman.) They instruct girls what to strive for in society, reinforcing dominant patriarchal, heteronormative, white views around class, bodies, history, and celebrity, in insidious ways. Girls' dolls occupy the opposite space of boys' action figures, which represent masculinity, authority, warfare, and conflict. By analyzing dolls from 17th century Japanese Hinamatsuri festivals, to the '80s American Girl Dolls, and even to today's bitmoji, "Doll" reveals how the objects society encourages us to play with as girls shape the women we become. *Object Lessons* is published in partnership with an essay series in *The Atlantic*.
