## **BARRERA MATTEO**

---

The Thousand Demon Tree Healthy City  
Aji's Quest is the true story of a young Quoll who wants to become a great master of the game of Go. Enthusiastic, cheeky, a little impatient, but certainly not hindered by any prior knowledge, Aji allows himself to be sent by Master Tenuki on a quest to the top of mountain Moyo. Getting there is not so easy, though. Aji must cross dangerous cliffs, conquer the guardians of

the mountain, and face dangers and obstacles at every turn. Beware the wrath of the clams! Aji's Quest is fast-paced, seemingly chaotic, drawn entirely in style with the written story. Basic knowledge of go is recommended to better enjoy the book.

**The Coward** Michael Joseph  
World-renowned folklorist Maria Tatar reveals an astonishing but long-buried history of heroines, taking us from Cassandra and Scheherazade to Nancy Drew and Wonder Woman. The Heroine with 1,001 Faces dismantles the cult of

warrior heroes, revealing a secret history of heroinism at the very heart of our collective cultural imagination. Maria Tatar, a leading authority on fairy tales and folklore, explores how heroines, rarely wielding a sword and often deprived of a pen, have flown beneath the radar even as they have been bent on redemptive missions. Deploying the domestic crafts and using words as weapons, they have found ways to survive assaults and rescue others from harm, all while repairing the fraying edges in the fabric of their social worlds. Like the tongueless Philomela, who

spins the tale of her rape into a tapestry, or Arachne, who portrays the misdeeds of the gods, they have discovered instruments for securing fairness in the storytelling circles where so-called women's work—spinning, mending, and weaving—is carried out. Tatar challenges the canonical models of heroism in Joseph Campbell's *The Hero with a Thousand Faces*, with their male-centric emphases on achieving glory and immortality. Finding the women missing from his account and defining their own heroic trajectories is no easy task, for Campbell created the playbook for Hollywood directors. Audiences around the world have willingly surrendered to the lure of quest narratives and charismatic heroes. Whether in the form of Frodo, Luke Skywalker, or Harry Potter, Campbell's archetypal hero has dominated more than the box office. In a broad-ranging volume that moves with ease from the local to the global, Tatar demonstrates how our new heroines wear their curiosity as a badge of honor rather than a mark of shame, and how their "mischief making" evidences compassion and concern. From Bluebeard's wife to Nancy Drew, and from

Jane Eyre to Janie Crawford, women have long crafted stories to broadcast offenses in the pursuit of social justice. Girls, too, have now precociously stepped up to the plate, with Hermione Granger, Katniss Everdeen, and Starr Carter as trickster figures enacting their own forms of extrajudicial justice. Their quests may not take the traditional form of a "hero's journey," but they reveal the value of courage, defiance, and, above all, care. "By turns dazzling and chilling" (Ruth Franklin), *The Heroine with 1,001 Faces* creates a luminous arc that takes us from ancient times to the present day. It casts an unusually wide net, expanding the canon and thinking capaciously in global terms, breaking down the boundaries of genre, and displaying a sovereign command of cultural context. This, then, is a historic volume that informs our present and its newfound investment in empathy and social justice like no other work of recent cultural history.

**The Virgin's Promise** Penguin UK  
Quest narratives are as old as Western culture. In stories like *The Odyssey*, *The Lord of the Rings*, *Star Wars* and *Harry Potter*, men set out on journeys, fight

battles and become heroes. Women traditionally feature in such stories as damsels in need of rescue or as the prizes at the end of heroic quests. These narratives perpetuate predominant gender roles by casting men as active and women as passive. Focusing on stories in which popular teenage heroines--Buffy Summers, Katniss Everdeen and Disney's Princess Merida--embark on daring journeys, this book explores what happens when traditional gender roles and narrative patterns are subverted. The author examines representations of these characters across various media--film, television, novels, posters, merchandise, fan fiction and fan art, and online memes--that model concepts of heroism and girlhood inspired by feminist ideas. *In Quest of the Hero* Harper Collins  
A breathtaking new novel from the Stella Prize-winning author of *The Strays*. Shortlisted for the 2022 ABIA Literary Fiction Book of the Year.

**The End of Healing** Penguin  
Text juxtaposed with various single page illustrations.

**Heroes** Simon and Schuster  
Who will take up the mantle and slay the

evil in the Frozen North, saving all from death and destruction? Not Kell Kressia, he's done his part... Kell Kressia is a legend, a celebrity, a hero. Aged just seventeen he set out on an epic quest with a band of wizened fighters to slay the Ice Lich and save the world, but only he returned victorious. The Lich was dead, the ice receded and the Five Kingdoms were safe. Ten years have passed Kell lives a quiet farmer's life, while stories about his heroism are told in every tavern across the length and breadth of the land. But now a new terror has arisen in the north. Beyond the frozen circle, north of the Frostrunner clans, something has taken up residence in the Lich's abandoned castle. And the ice is beginning to creep south once more. For the second time, Kell is called upon to take up his famous sword, Slayer, and battle the forces of darkness. But he has a terrible secret that nobody knows. He's not a hero - he was just lucky. Everyone puts their faith in Kell the Legend, but he's a coward who has no intention of risking his life for anyone...

Quest for Lost Heroes Disney Electronic Content

A picture-book quest through the worlds of fantasy, myth and magic, for all young reading heroes. Join our every-hero Rider on their quest through the story worlds of fantasy and myth. Packed with vivid dragons, wolves and sea-monsters from the stunning imagination of celebrated cult fantasy artist, Jeffrey Alan Love (Norse Myths: Tales of Odin, Thor and Loki), this book immerses readers into a picture-book Game of Thrones world for children aged 6 and up.

The Son of Neptune Prima Games

In the city of Excelsis, Corporal Armand Callis of the city watch stumbles upon a dark secret and finds himself hunted, with only a witch hunter for companionship. Excelsis is the city of secrets, a grand and imposing bastion of civilisation in the savage Realm of Beasts. Within its winding streets and shadowy back alleys, merchants deal in raw prophecy mined from an ancient fragment of the World That Was, and even the poorest man may earn a glimpse of the future. Yet not all such prophecies can be trusted. When Corporal Armand Callis of the city guard stumbles upon a dark secret, he finds himself on the run from his former

comrades, framed for a crime he did not commit. Only the witch hunter Hanniver Toll knows the truth of his innocence. Together the pair must race against time to save Excelsis from a cataclysm that would drown the city in madness and fear.

Aji's Quest HarperCollins UK

Meet Decimus Rex, who has been kidnapped by slave-takers and taken to an arena in Rome. Decimus is intent on escaping from captivity, and knows he must outshine his fellow slaves and endure the trials set before him: crossing burning coals, hammers, spikes, and hand-to-hand combat. He never gives up his hope of escape . . . if he only knew that this is just the beginning of his troubles.

**Awakening the Heroes Within** Penguin  
The Mountain of Smoke is a collection of 51 paintings completed in acrylic, ink and pencil by Jeffrey Alan Love. These works are reproduced directly from Jeff's sketchbook, which took him seven months to complete. Jeff is now sharing these personal works for the first time. The viewer follows along as the artist loses himself in his practice of letting his mind wander to see what it unveils. The result is a fantasy collection where you create the

story. The collection has been professionally photographed to showcase Jeff's textures and paint strokes to give viewers the intimate feeling that they are holding the actual sketchbook. Over half of the paintings are accompanied by the artist's captions and initial pencil sketches. Details of 19 paintings are showcased. [Quest for Glory](#) Liveright Publishing

The Wounded Hero in Contemporary Fiction tracks the emergence of a new type of physically and/or spiritually wounded hero(ine) in contemporary fiction. Editors, Susana Onega and Jean-Michel Ganteu bring together some of the top minds in the field to explore the paradoxical lives of these heroes that have embraced, rather than overcome, their suffering, alienation and marginalisation as a form of self-definition.

**Living the Hero's Quest** Del Rey

A Netflix Original series! The highly-anticipated seventh book in the New York Times, Wall Street Journal, and USA Today bestselling series, with over 7 million copies in print! "Terrifyingly fun! Delivers big thrills and even bigger laughs."—Jeff Kinney, author of the #1 New York Times bestseller *Diary of a Wimpy Kid* With his

zombie-controlling powers growing stronger, Jack Sullivan and his buddies are road-tripping toward the mysterious Tower, where they must once and for all stop Rezzoch the Ancient, Destructor of Worlds, from descending upon our dimension. But their journey is sidetracked when they are swept up by the Mallusk, an enormous centipede monster carrying the world's largest shopping mall on its back. On board, the kids discover a thriving monster society: Mallusk City! There, they encounter old allies—as well as old foes, who are ruling over Mallusk City with an iron fist. Beating these bad guys in battle is not an option, but beating them in an election is... so Jack runs for mayor of Mallusk City! At first, proving his leadership skills just means shaking monster hands, kissing monster babies, and promising to fill the water fountains with strawberry Nesquik. But when the Mallusk falls under attack, Jack must learn how to be a true leader—before it's too late. Told in a mixture of text and black-and-white illustration, this is the perfect series for any kid who's ever dreamed of starring in their own comic book or video game.

The #1 New York Times Bestseller | Now a series on Disney+ 12-year-old Percy Jackson discovers he is the son of Poseidon in the opener to the hilarious, fast-paced adventure fantasy series for young readers ages 10 and up The eBook edition of the first book in Rick Riordan's thrilling series, filled with magic, mythology, and plenty of monsters Percy Jackson is about to be kicked out of boarding school again—he can't seem to stay out of trouble. Is he supposed to stand by while a bully picks on his scrawny best friend? Or not defend himself when his teacher turns into a monster and tries to kill him? Mythical creatures seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. What's worse, he's angered a few of them: Zeus's master lightning bolt has been stolen, and Percy is the prime suspect. Percy and his friends Grover the satyr, and Annabeth, the demigod daughter of Athena, must find and return Zeus's stolen property and bring peace to a warring Mount Olympus. They travel cross country to the gates of the

Underworld in Los Angeles, facing a host of enemies determined to stop them. With millions of copies and over 10 years spent on the New York Times bestseller list, Percy has also become a movie, a Broadway musical, and now a Disney+ series. He continues to find fans in classrooms and libraries across the world.

Based on the new film adaptation of DiCamillo's Newbery Medal-winning tale from Universal Pictures and Larger Than Life Productions, in theaters on December 19th, this fun activity book comes with glow-in-the-dark stickers. Illustrations. Consumable.

*The Tale of Despereaux Movie Tie-In:*

*Glow-in-the-Dark Sticker Book* McFarland  
Every year, upon the Phoenix's death and rebirth, the island is also born anew. Jungle may appear where once a desert existed, swamps might be replaced with a placid lake, and highland hills could become treacherous, forbidding mountains. Those who live on the island are trapped by a mysterious and impenetrable fog. They cannot leave, and

few ever find their way to the island. It is into this ever-changing landscape that seventeen-year-old Roy must venture if he intends to clear his name and prove himself worthy of the Phoenix Gift. He must find and confront the legendary Phoenix, one of the two vast and ancient powers that rule the island, while avoiding the many dangerous creatures that hunt the interior. It is a journey that will bring out the best and worst in him and his companions—one in which he discovers that the truth is not what he had been led to believe. Failure will see him dead or outcast, forever a nameless man, not fit to live among his people. But more than the island itself has conspired to guarantee his failure. Dark forces have begun to gather, putting Roy at the center of a primeval battle that could cost him much more than his life. About the Isle of the Phoenix  
Novels: Seen through a Christian worldview, these novels are clean, wholesome, and just plain fun to read. Whether you are a teen or adult, you will be sure to love these Christian fantasy/adventure novels. Written to portray many of our Christian values in an allegorical manner, these novels will

delight you, challenge you, and strengthen your faith in Jesus Christ. For more information on these novels and to check out the island more closely, go to [IsleOfThePhoenix.com](http://IsleOfThePhoenix.com).

**The Heroine with 1001 Faces** Watkins Media Limited

The Virgin's Promise demystifies the complexities of archetypes and clearly outlines the steps of a Virgin's Journey to realize her dream. Audiences need to see more than brave, self-sacrificing Heroes. They need to see Virgins who bring their talents and self-fulfilling joys to life. The Virgin's Promise describes this journey with beats that feel incredibly familiar but have not been illustrated in any other screenwriting book. It explores the yin and yang of the Virgin and Hero journeys to take up their power as individuals, and includes a practical guide to putting this new theory into action.

"A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I

couldn't put it down!" --Allegra Skye, Bestselling author of *SAVED From #1*  
Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. *A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING)* revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider

and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, *A QUEST OF HEROES* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a

fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, *A MARCH OF KINGS*, is now available, too. "Grabbed my attention from the beginning and did not let go....This story is an amazing adventure that is fast paced and action packed from the very beginning. There is not a dull moment to be found." --Paranormal Romance Guild {regarding *Turned*} "Jam packed with action, romance, adventure, and suspense. Get your hands on this one and fall in love all over again." --vampirebooksite.com (regarding *Turned*) "A great plot, and this especially was the kind of book you will have trouble putting down at night. The ending was a cliffhanger that was so spectacular that you will immediately want to buy the next book, just to see what happens." --The Dallas Examiner {regarding *Loved*}  
*Notes from the Shadowed City* New World Library  
Voytilla takes the mythic structure developed by Christopher Vogler in "The Writer's Journey" and applies this idea to 50 classic motion pictures. 100 original cards with mythic icons.
