Cincinnati where vampires, pixies, and werewolves roam free. Harrison takes us back in *A Perfect Blood*, as former bounty hunter witch-turned-reluctant daywalking demon Rachel Morgan investigates a series of ritual murders, only to discover to her horror that whomever—or whatever—is responsible is actually seeking her blood. Rachel's sexy, supernatural adventures have consistently landed atop bestseller lists from coast-to-coast, and *A Perfect Blood* is no exception—an other supremely satisfying excursion to a deliciously eerie fantasy realm that's certain to delight Kim Harrison's voracious army of fans...not to mention Laurell K. Hamilton, Charlaine Harris, Jim Butcher, Kelley Armstrong, Patricia Briggs, and Stephanie Meyers aficionados, and any reader who craves a walk on the wild, dark side. *The Sharp End Del Rey* "Roninbop" is two hundred and twenty four pages of madness! Six different tales of insanity, brought to you from the twisted minds of Kevin Eastman, Simon Bisley, Eric Talbot, and Tom Skulan. It's got it all: nasty flesh eating aliens and monsters in 'Zombie War', body swapping

"I just read Carlos  
Acevedo on Davey Moore  
in Boxing News and I  
think he may well be the  
best boxing writer in the  
world today."--  
Danny Flexen, *Boxing  
Monthly Sporting Blood*  
is a new collection of  
twenty-one essays by  
multiple award-winning  
boxing writer and historian  
Carlos Acevedo. The  
book's foreword was  
written by Thomas  
Hauser,

Pulitzer Prize and National Book Award nominee, who is widely recognized as one of the world's preeminent boxing authors. Highlights of Acevedo's collection include a tour de force piece about Muhammad Ali at the time of his death, as well as an incisive look at his fearsome rival, the enigmatic heavyweight Charles "Sonny" Liston. Acevedo also applies his

rare talent to uncovering untold stories about fighters that include Jack Johnson, Roberto Duran, Esteban de Jesus, Carmelo Negron, Aaron Pryor, Don Jordan, Joe Frazier, Johnny Saxton, Wilfredo Gomez, Lupe Pintor, Davey Moore, Johnny Tapia, Mike Tyson, Bert Cooper, Evander Holyfield, Jake LaMotta, Ad Wolgast, Tony Ayala, Jr., Al Singer, Michael Dokes, Eddie Machen, Mike

Quarry, and more. The Big Sleep Simon & Schuster A Fistful of Kung Fu brings the hyper-kinetic, bullet-spraying, demon-slaying, kung-fu-fighting action of Hong Kong movies and Asian cinema to the wargames tabletop. In a modern world walking a precarious line between the advances of next-generation technology and the tradition and mysticism of ancient

cultures, Kung Fu schools face off in no-holds-barred tournaments, corporations hire agents and spies to steal each other's secrets, overworked SWAT teams respond to gunfights between feuding Triad and Yakuza clans, and ancient artefacts are sought by hopping vampires, demon sorcerers and cyborgs alike. Combining the gunfights of John Woo's *Hard Boiled*, the hand-to-

hand combat of *Enter the Dragon*, the sheer mystical weirdness of *Big Trouble in Little China*, the wuxia action of *Crouching Tiger Hidden Dragon*, and everything in-between, *A Fistful of Kung Fu* is a skirmish wargame unlike any other.

**King Blood**  
Hachette UK  
Published under a pseudonym, J. K. Rowling's brilliant debut mystery introduces Detective Cormoran Strike as he

investigates a supermodel's suicide in "one of the best books of the year" (USA Today), the first novel in the brilliant series that inspired the acclaimed HBO Max series *C.B. Strike*. After losing his leg to a land mine in Afghanistan, Cormoran Strike is barely scraping by as a private investigator. Strike is down to one client, creditors are calling, and after a breakup with his longtime

girlfriend, he's living in his office. Then John Bristow walks through his door with a shocking story: His sister, the legendary supermodel Lula Landry -- known to her friends as the Cuckoo -- famously fell to her death a few months earlier. The police ruled it a suicide, but John refuses to believe that. The case plunges Strike into the world of multimillionaire beauties, rock-star boyfriends, and desperate

designers, and it introduces him to every variety of pleasure, enticement, seduction, and delusion known to man. You may think you know detectives, but you've never met one quite like Strike. You may think you know about the wealthy and famous, but you've never seen them under an investigation like this. Kensington Publishing Corp. Fistful of Blood National Geographic

It is a quiet, uneventful Saturday in Doncaster. Nick Aten, and his best friend Steve Price – troubled seventeen year olds – spend it as usual hanging around the sleepy town, eating fast food and planning their revenge on Tug Slatter, a local bully and their arch-enemy. But by

Sunday, Tug Slatter becomes the last of their worries because somehow overnight civilization is in ruins. Adults have become murderously insane – literally. They're infected with an uncontrollable urge to kill the young. Including their own children. As Nick and Steve try to escape the deadly town covered with the mutilated bodies of kids, a group of blood-thirsty

adults ambushes them. Just a day before they were caring parents and concerned teachers, today they are savages destroying the future generation. Will Nick and Steve manage to escape? Is their hope that outside the Doncaster borders the world is 'normal' just a childish dream? *Blood Crazy*, first published in 1995, is a gripping, apocalyptic horror from Simon Clark.
