OROZCO BOWERS

Baptist Questions, Baptist Answers

Authentic Media Inc
From 1979 to 2000,
the Southern Baptist
Convention (SBC) was
mired in conflict, with
the biblicist and
autonomist parties
fighting openly for
control. This highly
polarizing struggle
ended in a schism that
created major changes
within the SBC and also
resulted in the
formation of several
new Baptist groups.
Discussions of the
schism, academic and
otherwise, generally
ignore the church's
clergywomen for the
roles they played and
the contributions they
made to the fracturing
of the largest

Protestant group in the
United States.

Ordained women are
typically treated as a
contentious issue
between the parties.
Only recently are
scholars beginning to
take seriously these
women's contributions
and interpretations as
active participants in
the struggle. Anatomy
of a Schism is the first
book on the Southern
Baptist split to place
ordained women's
narratives at the
center of
interpretation. Author
Eileen Campbell-Reed
brings her unique
perspective as a
pastoral theologian in
conducting qualitative
interviews with five
Baptist clergywomen
and allowing their
narratives to focus
attention on both
psychological and
theological issues of

the split. The stories she uncovers offer a compelling new structure for understanding the path of Southern Baptists at the close of the twentieth century. The narratives of Anna, Martha, Joanna, Rebecca, and Chloe reframe the story of Southern Baptists and reinterpret the rupture and realignment in broad and significant ways. Together they offer an understanding of the schism from three interdisciplinary perspectives—gendered, psychological, and theological—not previously available together. In conversation with other historical events and documents, the women’s narratives collaborate to provide specific perspectives with universal

implications for understanding changes in Baptist life over the last four decades. The schism’s outcomes held profound consequences for Baptist individuals and communities. *Anatomy of Schism* is an illuminating ethnographic and qualitative study sure to be indispensable to scholars of theology, history, and women’s studies alike.

The Pastor's Guide to Leading and Living

Thomas Nelson

The book is a collection of twenty-one essays discussing how Baptists throughout the world have related to other Christians and to other institutions and movements over the centuries. The theme of this collection of twenty-one essays, 'Baptists and Others',

includes relations with other Christians and with other institutions and movements. What, the authors ask, has been the Baptist experience of engaging with different groups and developments? The theme has been explored by means of case studies, some of which are very specific in time and place while others cover long periods and more than one country. In the first half the contents are arranged by period. The first section examines early Baptists, the second nineteenth-century Baptists in Britain and America and the third Baptists in the twentieth century. The second half turns to various parts of the world. There is a section on Australia, another on New

Zealand and a third on Asia and Africa. The overall picture is one of a complicated series of relationships as Baptists defined themselves as different from other bodies and yet, especially in the twentieth century, tried to co-operate in mission and ecumenical endeavour. 'Baptists are often regarded as enthusiastic separatists and unenthusiastic ecumenists. These essays, based on hard evidence rather than passing impressions, are a necessary correction to superficial prejudices and show the reality to be much more complex and nuanced, as well as varied over time and place. The book is a smorgasbord of delights. Yet, readers

should avoid the temptation to pick and choose from the menu, ensuring rather that each offering is digested so they enjoy a balance and nutritious meal.' Derek Tidball

How Clergywomen's Narratives

Reinterpret the Fracturing of the Southern Baptist Convention

Wm. B. Eerdmans Publishing
A revised edition of the standard text outlining the processes, structure, and literature content of abstracts and summaries in the biological, physical, engineering, behavioral, and social science fields. Cremmins advocates a three-stage analytical reading method, solid writing and editing skills, and adherence

to abstraction rules and conventions. The appendices include abstract standards, style and writing resources, and a selective bibliography. Annotation copyright by Book News, Inc., Portland, OR
A History of Ten Baptist Churches of which the Author Has Been Alternately a Member
Ravenio Books
Throughout the history of the church, ordination has been practiced in nearly all its branches or denominations. Yet there has never been a set theology or procedure for this rite - probably because there is no general agreement on what it signifies. According to author Warkentin, "All kinds of suppositions about ordination abound,,,,, The

Scriptures of the New Testament are called upon to substantiate many of these assumptions, but contradictory doctrines continue to coexist." Warkentin's aim in this book is to examine the historical, exegetical, and theological sources of the rite of ordination. In the course of her study, several issues pertinent to church leadership practices emerge. Does a representative-mediatorial view of the ministry lead to encroachment on the office of the risen Lord and hinder the functioning of spiritual gifts in the church? Can we arrive at authentic scriptural norms on which to base leadership patterns in our churches? Warkentin's

answers to these questions are both surprising and thought-provoking. She believes that the priesthood of all believers loses its meaning unless we recognize that true ministry - Christian service - can be practiced by each Christian according to his or her spiritual gifts, regardless of ordination. According to Warkentin: "The vocabulary of the New Testament permits no pyramidal forms... Ordination can have no function in such a system, for it sets up barriers where none should exist, that is, between one Christian and another, and hinders the mutual service by which the church is edified." The Pastor's Guide to Leading and Living is the perfect resource for both new and seasoned pastors. This book includes tips on topics like a pastor's finances, politics and the pulpit, the pastor's family, church and conflict, church administration, pastoral care, and much more. Each chapter has scripture references and space to write notes.

Features include:

Twenty-six chapters of vital information and advice for preachers from a trusted pastor
 Sections to jot down notes
 Convenient and easy to carry anywhere a pastor may be called to serve
 "Dr. O. S. Hawkins combines the heart of a pastor and the skill of a great

leader. In this powerful new book he provides pastors with a wealth of both spiritual and practical advice. He has distilled a lifetime of pastoral experience and reflection into one unprecedented volume. Every pastor needs this book, and should keep it within a short reach." R. Albert Mohler, Jr., President The Southern Baptist Theological Seminary Louisville, Kentucky
 "Few men have moved from pastorate into denominational service and yet maintained pastoral connections and perspectives as has O.S. Hawkins. This book, The Pastor's Guide to Leading and Living, is proof enough of this affirmation. Exceptional chapters include those discussing the pastor and his preaching, his

partner, his priorities, his pressures, the poor, and the prize. Although most pastors' manuals, however valuable, are not the most interesting reading, this volume is scintillating and constructive to a degree that I have seldom seen." Paige Patterson President Southwestern Baptist Theological Seminary Fort Worth, TX "My life long friend O.S. Hawkins provides one of the very best resources imaginable to guide pastors and church leaders towards excellence in ministry. His focus on authenticity and practical effective pastoral life and leadership will resonate with every servant of Christ. This book will be a model for Christian ministry

for years to come." Jack Graham Pastor, Prestonwood Baptist Church
Principles and Practices for Baptist Churches
Moody Publishers
What can I say to parents who have lost an infant? Where do I find the time to be a good pastor and a loving husband and father too? These are just some of the tough questions most pastors ask at one time or another. And the answers don't come easy. Robert Anderson's practical guide to the pastoral ministry highlights the many aspects of a pastor's job. his qualifications, prerequisites, and requirements, his relationships with his wife and family, his congregation, those outside the

congregation, and in counseling and visitation his tasks, including worship services, the Lord's Supper and baptism, evangelism, weddings, funerals, and special events. his administrative tasks such as public relations, correspondence, Christian education, youth and music ministries, and encouraging fellowship. Here is a volume of excellent ideas, advice, and general rules for the contemporary pastor in his ever-changing ministry.

What does it mean to be a deacon in the black Baptist church today? What personal qualities should a candidate for deacon possess? What does the ministry entail?

What relationship

should exist between the pastor and deacons? What does Scripture say about the origins of the office of the deacon? How has the historical context of being black and Baptist in American influenced the evolution of that office? How do we fulfill the scriptural purposes of a deacon ministry in our local black Baptist churches today? Rev. Dr. Marvin McMickle explores these issues and more in this practical resource for today's church leaders.

Westminster John Knox Press

Generalized approaches can never fully address distinct disciples. If every Christian is in a unique place surrounded by specific challenges, why do we think that a

widespread approach will work for every single one of us? In the Distinctive Discipleship Bible Study, learn how to design a specific plan for Christian maturity.

[A Practical Guide to the Ministry](#) Univ. of Tennessee Press

Have you ever thought that we as

Independent, Fundamental, King James Bible Baptists, need a revival of Ordination in our kind of Churches?

Ordination is to pass on The Faith as it was "...once delivered..."

(Jude 3) Could this be the underlying problem for some of the lack of power today? Are there good men out there in the ministry, who are struggling in their own strength; while they attempt to serve their Lord; and all because

of not being properly "...ordained..." into the ministry? Can we stop some of the wicked tide of the defecting to doctrinal worldliness, by holding to the task of ordaining qualified and prepared men; as The Lord committed it to us to do? Could Biblical ordinations weed out some of the potential wolves in sheep's clothing; and empower our future Pastors and Evangelists, to be better used to help expose, and even transform those wolves into sheep? Thank The Lord that there are those Baptist Pastors, under the authority of Baptist Churches, who still seek to carry on this all important part of the ministry of The Local Church. But more of us need to take a hard, stern look at the

state of ordination in this time. Has it been neglected by us? Can we as Independent, Fundamental Baptists see ordination restored? Does The Lord want it so? The answer to all such questions is a solid "Yes"!

[A Study for Church Officers](#) Harvest House Publishers

Why is cloning wrong? Does the Bible say a divorced person can remarry? Can angels sin? Is body piercing wrong? Can demons read our thoughts? Dr. Elmer Towns, author of over 80 books and Dean of Liberty University's School of Religion, answers these and many other questions you have wondered about. Written for the new Christian too embarrassed to ask,

and for the long-time Christian who still has unanswered questions, this one-volume, indexed resource provides the kind of responses your own pastor would give as you're shaking hands after the Sunday morning sermon-short, knowledgeable, and to the point. Topics covered include: Politics The Bible, The Holy Spirit, and Angels Creation Demons and the Devil· God's Names Prayer, Salvation, and Sin If you have questions-and who doesn't-Bible Answers for Almost All Your Questions is an essential resource. *Growth in Agreement III* Multnomah "Amir Tsarfati tells the prophetic story of the Bible from Genesis to Revelation and in the process helps his

readers to comprehend God's unique purpose and plan for both Israel and the Church. His refutation of Replacement Theology is profound and yet easy to understand. This book answers a lot of questions many prophetic writers are afraid to ask." —Dr. David Jeremiah As the day of the Lord rapidly draws near, we must appreciate God's plans for all His people To truly grasp Bible prophecy, we must first understand how God's promises to Israel complement His vision for the church. While some believe God has forsaken Israel for the church, this goes against the nature of the faithful Lord we find in Scripture. In his latest book, native Israeli and bestselling author Amir Tsarfati

makes clear what the Bible says about God's unique master plans for His two chosen groups, Israel and the church. Amir gets to the heart of key questions, such as... Do the promises God made to the Old Testament nation of Israel still apply to the Jewish people today? Has God replaced rebellious Israel with the church? Now that the church exists, does Israel possess a distinct role in the present age? How are current events in Israel relevant to the church? What should the church's attitude be toward Israel? Israel and the Church provides a fascinating look at all that God has prepared for His two peoples—and why it's so relevant to us today!

Sermon Outlines for Busy Pastors: Colossians Series

Westminster John Knox Press

The purpose of this booklet is to help newly elected elders and deacons of the Presbyterian Church (U.S.A.) prepare for the offices and responsibilities to which they have been elected. This study is divided into eight sessions, covering the ordination questions. Each session includes a commentary on the question(s) and suggestions for reflection and action. Each participant should have a copy of this book, the Book of Order, the Book of Confessions, and the Bible.

“The church has needed this book for a long time.” — Russell Moore
If you are considering the ministry, there are two mistakes to avoid. The first is taking up a calling that isn’t yours. The second is neglecting one that is. *Discerning Your Call to Ministry* will help you know the difference. A tool for seminary students, pastors-in-training, and even current pastors, it serves to confirm or prompt deep thought about the calling to ministry through 10

probing questions, including: Do you desire the ministry? Does your church affirm your calling? Do you love the people of God? Are you willing to surrender? Pastoral dropout rates are high, and seminary admission rates are declining—signs that many of us don’t quite know what we’re signing ourselves up for. Author Jason Allen, a former pastor and the president of North America’s fastest growing seminary, gives readers a better picture of the calling. Presenting a series of diagnostic questions informed by Scripture, church history, and his own experience, he helps those seeking ordination or ministry positions make confident decisions about their service to

God, one way or the other.
