When fantasy & reality collide, will it be everything Snake hopes for or everything Greg fears? The trick'll be staying alive long enough to find out. As a secret agent for the DEA, Snake's gone deep into Devils Pride MC with the hope of bringing down the head of Miami's lucrative drug trade and finds himself saddled with the club's volatile and secretive SA instead. Unfortunately, after years as partners doing shit neither

of them wanted to do for reasons neither of them felt comfortable sharing, Snake considers Trick his best friend. Now he'll do anything to repair the damage his own necessary lies did to their friendship because, while Trick may have walked away from the MC, Snake needs someone he trusts to have his back. Meanwhile, Snake's contact at the DEA has him tied up in knots. The sexy voice and inappropriate comments have him walking around with a permanent set of blue balls. Life undercover is lonely and he lives for every phone call, but his own personal Deep Throat is skittish about committing to a date once Snake returns to headquarters. As far as Snake's concerned, they only have one shot to build something together and he's not willing to waste it. Greg knows he's not

Snake's type, or anyone's for that matter. Former love interests called him plain, chubby, and boring. More comfortable in his tech cave than with people, he's a grade-A nerd who isn't exactly GQ material. Normally he would never be brave enough to flirt with anyone—much less the very hot and very dangerous ginger who'd been starring in his nightly fantasies—but Snake needed something to keep him from getting lost undercover. What started out as a helping hand quickly became an integral part of their relationship—if one could call a five year phone conversation a relationship—and Greg is terrified that once Snake's sees the wizard behind the curtain, he'll lose the only man he's ever loved. Now the DEA has called Snake home to plan the

next stage of the mission, leaving Greg no more places to hide. When fantasy and reality collide, will it be everything Snake hopes for or everything Greg fears? The trick will be staying alive long enough to figure out the answer.

Why Learn How To Talk Dirty? You might

be reading this because your partner has expressed an interest in hearing naughty words in the heat of passion. You might have sought out this book because you are the one who craves those sweet nothings. Maybe you want to liven up your sex life, or maybe you are just curious as to why your partner likes to talk so much in bed. Maybe you are already a fantastic dirty talker who needs a new idea or two, or maybe you're just in the mood to brush up on your naughty skills. Whatever the reason, you've chosen the right book to learn how to talk dirty! Talking dirty has become so much a part of our sexual culture that it has spawned surveys, interviews, forums, books, and research galore. In fact, before it was called "dirty talk," the art of saying sexual things to

your lover with the intent to arouse had a scientific name: Lagnolalia. There's good reason for all this scientific interest. Over 80% of our sex life takes place in our heads, meaning that fantasy, memory, and desire are some of the most powerful driving forces behind everything we do behind closed doors. Studies have shown that by the time you actually get physical with your partner, your mind has been leading up to the encounter. So why not go for the dirty talk? It's been in the back of your mind all day anyway! According to Aline P. Zoldbrod, PhD, the author of more than a few books on naughtiness, sexy talk with your partner not only revs up play between the sheets, but enriches your life in ways you never would have imagined. It makes your partner feel

good to know how excited you are, and your excitement makes them feel like the best lover in the world. That might explain why talking dirty makes you tingle in all the right places, but it doesn't explain why the naughtiest dirty talk can also be the hottest. It's one thing to say "fuck" and get a smile, but it's quite another to tell your partner exactly how you want to fuck them, in the most graphic terms you can imagine. The dirtier the words, the better. What's up with that? One word: Taboo. This book helps you break the taboo and teaches you how to talk dirty to a guy.

INSIDE YOU WILL LEARN: 1. Why we should talk dirty 2. The most important part of talking dirty 3. Finding out that dirty talking doesn't have to be filthy 4. How to get started 5. How to get dirty
