****Selected by the Wall Street Journal among the Best Sports Books of 2021**** A New York Times bestselling sportswriter tells the inside story of how three star players joined together to form the most dominant team in basketball and lead the Boston Celtics to their first championship in more than two decades. The first of "The Big Three" was Paul Pierce. As Boston Celtics fans watched the team retire Pierce's jersey in a ceremony on February 11, 2018, they remembered again the incredible performances Pierce put on in the city for fifteen years, helping the Celtics escape the bottom of their conference to become champions and perennial championship contenders. But Pierce's time in the city wasn't always so smooth. In 2000, he was stabbed in a downtown

nightclub eleven times in a seemingly random attack. Six years later, remaining the sole star on a struggling team, he asked to be traded and briefly became a lightning rod among fans. Then, in 2007, the Boston Celtics General Manager made two monumental trades, bringing Ray Allen and Kevin Garnett to Boston. A press conference on July 31, 2007 was a sight to behold: Pierce, KG, and Ray Allen holding up Celtics jerseys for the flood of media. Coach Doc Rivers made sure the team bonded over the thought of winning a title and living by a Bantu term called Ubuntu, which translates as "I am because we are." Rivers wanted to make it clear that togetherness and brotherhood would help them maximize their talent and win. What came next—the synthesis of the Celtics' "Big Three" and their dominant championship run—cemented their standing as one of great teams in NBA history, a rival to Kobe Bryant's Lakers and LeBron James's Cavaliers. This is the team that brought excitement back to the Garden, and therefore to one of the most storied franchises in all of sports. They met their historic rivals, the Lakers, in the 2008 NBA Finals, winning the series in Game 6, in a rout on their home court with a raucous, concert like atmosphere. Along the victory parade route, Paul Pierce smoked a cigar—as a tribute to legendary former Celtics Coach Red Auerbach. In a city

now defined by a wealth of championships, "The Big Three" joined the club. Michael Holley, the premier chronicler of Boston sports, brings their story to life with countless untold stories and behind-the-scenes details in another bestselling tome for New England and sports fans across the country.

Sport and Society in Global France Bamboo

In an age where teenage hoop stars sign multimillion-dollar endorsement deals before their first professional tip-offs, it's hard to imagine a time when basketball was among the least publicized of all professional sports. After the game's creation in 1891, establishing a viable professional league was an intense struggle, requiring decades of hard work and dedication from players, owners, coaches and fans. While the game evolved from two-handed set shots, fruit baskets, short-shorts and tiny gyms to slam dunks, shoe endorsements, global popularity and massive urban arenas, the NBA established itself as one of the world's dominant professional leagues. This work, the first comprehensive history of the National Basketball Association, offers a detailed look at how and why the NBA was able to overcome the obstacles that had crushed its predecessors and competitors to become the most successfully marketed league in professional sports. Covered here are Naismith's invention of the game; the rise and fall of the NBL, BAA, ABL and ABA; early teams like the Buffalo Germans and the Harlem Rens; basketball's Olympic debut in 1936; the first professional superstars; dominant franchises; and the current state of the league. Appendices offer lists of early professional basketball leagues and commissioners of the NBA, NBL and ABA.

Slam Dunk, Vol. 11 Turtleback Books

The best-selling series from Eisner-nominated Takehiko Inoue, one of Japan's greatest manga creators. Winning isn't everything in the game of basketball, but who wants to come in second? It takes dedication and discipline to be the best, and the Shohoku High hoops team wants to be just that. They have one last year to make their captain's dream of reaching the finals come true—will they do it? As the boys from Shohoku watch from the sidelines, the much-anticipated game between Ryonan High and Kainan High continues to heat up. Kainan superstar Maki's stellar play helps swing the momentum back in his team's direction, aided in no small part by a key player from Ryonan getting into foul trouble. However, Captain Akagi and company leave the game early when they receive an alarming bit of news: Coach Anzai has collapsed and is now in the hospital!

Enfin, le printemps est de retour. Fini la grisaille et le froid. On va pouvoir remettre le nez dehors... et filez tout droit dans la première librairie ! Parce que, si au printemps, les arbres se parent de nouvelles feuilles, le petit Bamboo, lui, vous offrent ses plus belles. La preuve : chez Drakoo, Les Artilleuses de Pevel et Willem vont vous souffler tellement chaque planche est admirable. Serge Le Tendre arrive également au sein du label des mondes imaginaires. L'auteur de La Quête de l'oiseau du temps nous offre avec Terence Trolley une incursion dans un monde de science-fiction époustouflant. Côté Grand Angle, on se réjouit des deux séries proposées par Stéphane Piatzszek : Kilomètre Zéro et La Promesse de la Tortue. Faites-nous confiance, ce n'est pas de l'aventure avec un grand A mais de l'aventure avec toutes les

lettres en majuscules. L'humour n'est pas en reste avec la suite des Runners, la nouvelle passion des Fondus pour les vieilles autos ou Tracnar & Faribol, l'excellent vagabondage en contrées légendaires proposé par Benoît du Peloux. Attendez-vous à en prendre pleins les yeux ! Vous ne nous croyez pas ? Alors, plongez dans votre Bamboo Mag pour découvrir tout cela. De belles feuilles, on vous dit ! Bonne lecture ! It takes dedication and discipline to be the best, and the Shohoku High hoops team wants to be just that. They have one last year to make their captain's dream of reaching the finals come true—will they do it? For a self-proclaimed genius such as Sakuragi, executing a dazzling slam dunk is no problem at all, but what about some other basketball moves that require a bit more finesse? With the help of Haruka (and some goading from captain Akagi), Sakuragi attempts to put his pride in check and learn how to pull off a basic layup. In theory it should be easy...but sometimes the simplest shots are the toughest to master.

NATIONAL BESTSELLER "Doug Smith always gets the first question in any Raptors press conference--as the dean of our press corps, he's been in the front row for every development over the past 25 years. There's no one better placed to write a

history of our team's first quarter century." --Nick Nurse, head coach, Toronto Raptors Bringing Jurassic Park to your home, a celebration of Canada's most exciting team. When the Toronto Raptors first took the court back in 1995, the world was a very different place. Michael Jordan was tearing up the NBA. No one had email. And a lot of people wondered whether basketball could survive in Toronto, the holy city of hockey. More than two decades later, the Raptors are the heroes not only of the 416, but of the entire country. That is the incredible story of *We the North*, told by Doug Smith, the Toronto Star reporter who has been covering the team since the press conference announcing Canada's new franchise and the team's beat reporter from that day on. Comprising twenty-five chapters to mark the team's first twenty-five years, *We the North* celebrates the biggest moments--from Vince Carter's amazing display at the dunk competition to the play-off runs, the major trades, the Raptors' incredible fans, including Nav Bhatia and Drake, and, of course, the challenges that marked the route to the championship-clinching Game 6 that brought the whole country to a standstill. *We the North: 25 Years of the Toronto Raptors* tells the story of Canada's most exciting team, charting their rise from a sporting oddity in a hockey-mad country to the status they hold today as the reigning NBA champions and national heroes.

J-Rod moves like a small tank on the court, his face mean, staring down his opponents. "I play just like my father," he says. "Before my father died, he was a problem on the court. I'm a problem." Playing basketball for him fuses past and present, conjuring his father's memory into a force that opponents can feel in each bone-snapping drive to the basket. On the street, every ballplayer has a story. Onaje X. O. Woodbine, a former streetball player who became an all-star Ivy Leaguer, brings the sights and sounds, hopes and dreams of street basketball to life. He shows that big games have a trickster figure and a master of black talk whose commentary interprets the game for audiences. The beats of hip-hop and reggae make up the soundtrack, and the ballplayers are half-men, half-heroes, defying the ghetto's limitations with their flights to the basket. Basketball is popular among young black American men but not because, as many claim, they are "pushed by poverty" or "pulled" by white institutions to play it. Black men choose to participate in basketball because of the transcendent experience of the game. Through interviews with and observations of urban basketball players, Onaje X. O. Woodbine composes a rare portrait of a passionate, committed, and resilient group of athletes who use the court to mine what urban life cannot corrupt. If people turn to religion to reimagine their place in the world, then black streetball players are indeed the hierophants of the asphalt.

From Zinedine Zidane to Michael Jordan and from Marie-José Pérec to Lance Armstrong, over the last thirty years, numerous individuals have emerged through the global sports industry to capture the imagination of the French public and become touchstones for the discussion of a host of social issues. This book provides new insights into the evolution of the global sporting spectacle through a study of star athletes, emblematic organisations, key locations, and celebrated moments in French sport from the mid-1980s to the present day. It draws on a wide range of sources, from film, television, advertising, newspapers, and popular music to cover key developments in sports including football, motorsport, basketball, and cycling. Sport here emerges as a privileged site for the discussion of the nature of contemporary nationhood, as well as for the performance of France's postcolonial heritage. Simultaneously, sport provides a platform for the playing out of concerns over globalisation, and, in a time of post-industrial uncertainty, for nostalgic reminiscences of an apocryphal bygone era of social cohesion. The exploration of these themes leads to new understandings of the ways sport influences and is implicated in broader social and cultural concerns in France today.
